Queensland Treasury Holdings Pty Ltd

[Independent Trustee] as trustee for the [Name of Trust]

Aurizon Network Pty Ltd

User Funding – Extension Infrastructure Head- Lease

[insert Extension name]

General drafting notes:

Clause cross references to other documents are square bracketed and highlighted in yellow and will need to be confirmed on a transaction-by-transaction basis having regard to any amendments made to those documents.

The mechanics contemplated for the timing of entry into this Agreement and the Integrated Network Deed is as follows:

- The Trustee and Aurizon Network will execute the Trust Deed;
- The relevant State parties will execute this Agreement and Integrated Network Deed;
- Each Preference Unit Holder will execute the Unit Holders Deed and (except in the case of an Aurizon Network Preference Unit Holder) an Umbrella Agreement for that Preference Unit Holder;
- Aurizon Network and the Trustee will execute the Unit Holders Deed; and
- On completion of the process described in clause 5 of the Unit Holders Deed, Aurizon Network and the Trustee will each execute the Umbrella Agreements, the Project Management Agreement, Extension Infrastructure Sub-Lease, Rail Corridor Agreement, Integrated Network Deed and this Agreement.

This template Extension Infrastructure Head-Lease (**CQCN EIHL**) is relevant to SUFA transactions involving the construction of Extension Infrastructure which will form part of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network). Queensland Treasury Holdings Pty Ltd is the Infrastructure Lessor in respect of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network).

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of either of the two sections of the North Coast Line in respect of which Aurizon Network is railway manager, an Extension Infrastructure Head-Lease for the North Coast Line (**NCL EIHL**) will be required. Queensland Rail Limited is the infrastructure lessor in respect of those sections of the North Coast Line.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of the Central Queensland Coal Network only, the relevant parties will enter into a CQCN EIHL.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of the Aurizon Network-controlled sections of the North Coast Line only, the relevant parties will enter into an NCL EIHL.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of both the Central Queensland Coal Network and the Aurizon Network-controlled sections of the North Coast Line, the relevant parties will enter into both a CQCN EIHL and an NCL EIHL.

The entry into of an Extension Infrastructure Head-Lease is in the absolute discretion of Queensland Treasury Holdings Pty Ltd or Queensland Rail Limited (as applicable) on a transaction-by-transaction basis.

This Agreement has been drafted on the basis that the Extension will be solely constructed on land that is the subject of a rail corridor sublease from the State of Queensland to Aurizon Network Pty Ltd that is granted under section 240 of the *Transport Infrastructure Act 1994* (Qld) and is dated 1 July 1995. It will need to be modified to the extent that the Extension is to be constructed on land that is not subject to this sublease. The State of Queensland is not under any obligation to, and makes no representation that it will, acquire, or facilitate the acquisition of, any interest in land for the construction of any Extension.

3.2 Sublease

- (a) The Lessor hereby consents to the Lessee subleasing the Extension Infrastructure to the Sublessee, immediately upon the leasing of that Extension Infrastructure by the Lessor to the Lessee under this Agreement, on terms (a **Sublease**) that are not inconsistent with the rights and obligations of the Lessee and the Sublessee under this Agreement or the Integrated Network Deed, and under which:
 - (i) the Lessee and the Sublessee expressly acknowledge the rights of the Lessor under this Agreement and the Integrated Network Deed and that their rights are subject and subordinate to the rights of the Lessor under this Agreement and the Integrated Network Deed; and

 - (iii) a reference to the termination of the Sublease in this Agreement is a reference to the termination of the operation of those terms of

such agreement between the Lessee and Sublessee which give effect to the Sublease, whether or not such agreement in its entirety has been terminated.

- (c) Except as provided in **clause 3.2(d)**, or with the prior written consent of the Lessor, the Lessee must not:

- (ii) except as provided in **clause 3.2(g)(iii)**, the obligations imposed directly on, and the rights granted directly to, the Sublessee under this Agreement are only obligations and rights of the Sublessee to the extent that, and only for so long as, the Sublease is on foot;
 - (iii) if the Sublease terminates for any reason, the obligations imposed directly on, and the rights granted directly to, the Sublessee under this Agreement will (except for the obligation contained in **clause 15.2(e)**) be deemed to be novated and transferred to the Lessee and will be the obligations and rights of the Lessee on and from the date the Sublease terminates; and
 - (iv) each of the Lessee and the Sublessee is responsible (and only responsible) for and liable only for those obligations expressly imposed on that Party under this Agreement.
- (h) The Lessee agrees and acknowledges to each other Party that:

- (b) Nothing in this **clause 3.4** obliges the Lessor to become a licensed carrier to obtain the benefit of a nominated carrier declaration under the *Telecommunications Act 1997* (Cth), nor obtain the benefit of a Ministerial determination under section 51 of the *Telecommunications Act 1997* (Cth), in respect of any such network unit.

- (g) ensure that all Policy conditions, alterations, exclusions and endorsements which may have a material adverse effect on the Lessor's interests under this Agreement or the Integrated Network Deed, or the Land Lessor's interests under the Land Lease, have been first approved in writing by the Lessor (such approval not to be unreasonably withheld or delayed);

- (h) upon request by the Lessor (such requests not to be made more than once in any 12 month period) produce to the Lessor annual certificates of currency of Policies taken out pursuant to this **clause 9** by the earlier of 30 Business Days after the Effective Date and commencement of physical construction of the Extension and on every anniversary of the Effective Date;
- (i) not do or permit to be done, or bring or keep or permit to be brought or kept, on the Rail Land or the Additional Land, anything which may materially prejudice or affect or render void or voidable, a Policy;
- (j) use its best endeavours to ensure that the Policies taken out pursuant to this **clause 9** contain provisions, reasonably acceptable to the Lessor, which provide that a notice of claim given by the Lessor or the Land Lessor to an insurer shall be accepted by the insurer as a notice of claim given to the insurer by the Sublessee; and
- (k) review the Policies required by this **clause 9** from time to time but at least every two years, to ensure reasonably adequate indemnity is maintained.

9.3 Notification and provision of information

- (a) To the extent **clause 9.1(a)** applies, the Sublessee must immediately notify the Lessor in writing of any occurrence or incident likely to give rise to a claim under the Policies which may materially adversely affect the interests of the Lessor or the Land Lessor.
- (b) To the extent that **clause 9.1(b)** applies, the Sublessee must:
 - (i) on request from the Lessor from time to time provide the Lessor with evidence to the Lessor's reasonable satisfaction of the current financial capacity of the Sublessee; and
 - (ii) immediately inform the Lessor of any change in the Sublessee's financial capacity which may materially adversely affect the Sublessee's ability to 'self-insure' in accordance with this **clause 9** in respect of any of the matters referred to in **clause 9.1**, whereupon the Sublessee must effect external insurance as required by **clause 9.1(a)**.

9.4 Failure to insure

If the Sublessee is unable or fails to procure or maintain the policies of insurance which it is required to procure or maintain under this **clause 9** and is unable to satisfy the Lessor (acting reasonably) as to its financial capacity to 'self-insure', the Lessor may (without derogation from its rights under this Agreement or the Integrated Network Deed or the Land Lessor's interests under the Land Lease or rights under the Integrated Network Deed), but is not obliged to, procure in its own name and/or the name of the Land Lessor such insurance policies as may in the Lessor's discretion be required to insure against the risks contemplated by this **clause 9** and the Sublessee must on

demand reimburse the Lessor for any premiums and other reasonable costs paid by the Lessor to obtain those policies.

9.5 Compliance and enforcement

- (a) The Sublessee must:
 - (i) comply with the terms of each Policy and not do or fail to do anything the consequence of which is to materially prejudice or render void or voidable its coverage under any Policy;
 - (ii) take all steps necessary or desirable to claim, and to collect or recover, money that is or (with taking such steps) would be likely to become due to it under or in respect of a Policy; and
 - (iii) do everything (including providing documents, evidence and information) necessary or desirable in the reasonable opinion of the Lessor to claim, and to collect or recover, money due to the Lessor or the Land Lessor under or in respect of each Policy.
- (b) The Lessor must do (and procure that the Land Lessor does) everything (including providing documents, evidence and information) necessary or desirable in the reasonable opinion of the Sublessee to enable the Sublessee to claim, and to collect or recover, money due to it under or respect of a Policy.

9.6 Notice of claims

The Sublessee must notify the Lessor as soon as possible of:

- (a) a cancellation of, or change in or reduction in the coverage of, a Policy;
- (b) a Policy becoming void or voidable; or
- (c) any other material circumstance or correspondence relating to a Policy.

9.7 Use of insurance proceeds

Except as otherwise agreed by the Lessor and the Sublessee, the Sublessee must use the proceeds of any Policy received by it in reinstating or replacing the Extension Infrastructure, discharging the relevant liability or making good the covered loss, as applicable.

9.8 Payment of premiums

- (a) Subject to **clause 9.8(b)**, the Sublessee must pay when due all premiums, commissions, levies, stamp duties, charges and other expenses necessary for effecting and maintaining each Policy.
- (b) If the Sublessee considers that the manner or extent of the Policies required to be effected in accordance with **clause 9.1(a)** exceeds that which a prudent lessor and a prudent lessee of the Extension Infrastructure, each bound by this Agreement and the Integrated Network Deed, would require by way of such insurances (taking into account the arrangements under which the Rail Land is made available), then the Sublessee may refer the apportionment of the costs of effecting and

maintaining such insurances as between the Lessor and the Sublessee to an independent expert for determination on the basis that:

- (i) the Lessor will be liable to contribute to so much of the costs of such insurances as is attributable to the manner and extent of insurances that is in excess of that which a prudent lessor and a prudent lessee of the Extension Infrastructure, each bound by the terms of this Agreement and the Integrated Network Deed, would require (taking into account the arrangements under which the Rail Land is made available);
- (ii) the Lessor will not be liable to contribute to any premium or other cost that is attributable to the actions or inactions of the Sublessee; and
- (iii) the Lessor will not be liable to contribute to any premium or other cost that is taken into account by the Sublessee in determining charges in respect of the use of the Extension Infrastructure.

The Lessor must promptly pay the Sublessee such portion of the costs of effecting and maintaining such insurances as the independent expert determines is payable by the Lessor as set out above.

- (c) The Sublessee must not delay in obtaining the insurances pending the outcome of the independent expert's determination as referred to in **clause 9.8(b)**.

10 Risk and indemnities

10.1 Risk

- (a) Except as otherwise expressly provided in this Agreement or the Integrated Network Deed, all things which the Lessee is required or permitted to do under this Agreement or the Integrated Network Deed are at its own risk and cost.
- (b) Except as otherwise expressly provided in this Agreement or the Integrated Network Deed, all things which the Sublessee is required or permitted to do under this Agreement or the Integrated Network Deed are at its own risk and cost.

10.2 Indemnity

- (a) To the maximum extent permitted by law, the Sublessee indemnifies and must keep indemnified the Lessor from and against all Losses of every kind that may be incurred or sustained, whether directly or indirectly, by the Lessor in respect of or arising from or in any way connected with:
 - (i) the Extension Infrastructure or any part of it or the possession, condition, management, operation, use, repair, maintenance, alteration, modification, change, addition or replacement of the Extension Infrastructure or any part of it;

- (ii) the design of, or a defect in, the Extension Infrastructure or any part of it;
 - (iii) any act, omission or negligence on the part of the Lessee or the Lessee's Associates or the Sublessee or the Sublessee's Associates;

 - (v) any failure by the Lessee or the Lessee's Associates or the Sublessee or the Sublessee's Associates to comply with any applicable Law or Authorisation relating to the Extension Infrastructure or its possession, condition, management, operation, use, repair, maintenance, alteration, modification or replacement;
 - (vi) any Contamination to the extent caused or contributed to by the Lessee or the Lessee's Associates or the Sublessee or the Sublessee's Associates during the Term in connection with the Extension Infrastructure or its management, operation, use, repair, maintenance, alteration, modification or replacement; and
 - (vii) any death, personal injury, loss or damage suffered or sustained by any person in connection with the Extension Infrastructure or its condition, management, operation, use, repair, maintenance, alteration, modification or replacement.
- (b) The indemnity in this **clause 10** does not apply to the extent that the Loss is caused or contributed to by:
- (i) the Lessor's breach of this Agreement or the Integrated Network Deed;
 - (ii) the acts, omissions or negligence of the Lessor acting in its capacity as lessor of the Extension Infrastructure;
 - (iii) the acts, omissions or negligence of the Lessor's Associates to the extent they are acting for the Lessor in its capacity as lessor of the Extension Infrastructure; or
 - (iv) any act or omission of a person other than the Lessee or the Lessee's Associates or the Sublessee or the Sublessee's Associates where that act or omission occurs after the Lease End Date.
- (c) The Lessor must use all reasonable endeavours to mitigate the Losses that may be incurred or sustained by it and for which it is indemnified under this **clause 10.2**.
- (d) The Lessor may not recover from the Sublessee an amount that exceeds the amount of all Losses that it has incurred or sustained and for which it is entitled to be indemnified under this **clause 10**.

- (e) Subject to **clause 10.2(d)**, this indemnity does not exclude any other right of the Lessor to be indemnified by the Lessee or the Sublessee.

10.3 Insurance not to limit indemnity

No provision of **clause 9**, nor the holding of any insurance policy, limits the Sublessee's liability in relation to the indemnity contained in this **clause 10**.

10.4 No requirement for expense before enforcement of indemnity

It is not necessary for the Lessor to incur any expense or make any payment before enforcing a right of indemnity conferred by this **clause 10**.

10.5 Indemnity continuing

The indemnity contained in this **clause 10** is a continuing obligation separate and independent of the Sublessee's other obligations.

11 Termination

- (a) If an Insolvency Event in respect of the Lessee occurs and within six months following the date of occurrence of that Insolvency Event:

(i) no amount will be payable by the Lessor to any other Party except as provided under **clause 12.2** and the Integrated Network Deed; and

(A) except as provided in clauses **[7.4(b)], [8.5(b)], [9.1(b)]** and **[9.2(b)]** of the Integrated Network Deed, the Extension Infrastructure is deemed to be "Infrastructure" (as defined in the Infrastructure Lease) for the purposes of the Infrastructure Lease and, except to the extent the Infrastructure Lease is terminated or has expired, is deemed to be leased by the Lessor under and in accordance with the Infrastructure Lease;

(B) if this Agreement is automatically terminated under **clause 11.2**, the Sublessee Additional Land is deemed to be "Additional Land" (as defined in the Infrastructure Lease) for the purposes of the Infrastructure Lease; and

(C) if this Agreement is automatically terminated under **clause 11.2**, the Sublessee Railway Assets are deemed to be "Railway Assets" (as defined in the Infrastructure Lease) for the purposes of the Infrastructure Lease,

11.7 No other termination

- (a) Except as provided in accordance with **clauses 11.1, 11.2, 11.3, 11.4 or 11.5**:

At the time of removal of those parts, title to the assets comprising those parts is hereby transferred to the Lessee and the Lessee may deal with those assets as it thinks fit. The Lessor must procure the release and discharge of all Security Interests over all or any of its right, title and interest in any part of those assets prior to their transfer to the Lessee.

12.2 Compensation

To the extent that Extension Infrastructure is not removed or agreed to be removed in accordance with **clause 12.1**, the Lessor must pay to the Lessee or its nominee, not later than 60 Business Days after the termination of this Agreement under **clause 11.2(b)** (or such other date as they agree), an amount equal to the fair market value of that Extension Infrastructure as at the expiry of the Term as agreed between the Lessor and the Lessee or, failing agreement, as determined by an independent expert.

12.3 Work and Expenditure Program and Transition Program

- (a) This **clause 12.3** applies if the Lessor makes the election referred to in clause 13.1(b) of the Infrastructure Lease and gives written notice to the Sublessee that this **clause 12.3** applies.
- (b) No later than nine months after the Lessor gives the Sublessee a Notice under **clause 12.3(a)**, the Sublessee must provide to the Lessor a works and expenditure program for the balance of the Term (for the purposes of this **clause 12.3** it is assumed that the Term will end at the same time as the "Term" (as defined in the Infrastructure Lease) will expire as a result of the making of the election referred to in **clause 12.3(a)**) that takes into account the following matters:
 - (i) the extent to which the repair and maintenance obligations of the Sublessee under this Agreement have been satisfied as at the date of the program;
 - (ii) the condition in which the Extension Infrastructure is required to be returned at the end of the Term under clause 14.1 of the Infrastructure Lease by virtue of the application of **clause 11.6(a)(ii)(A)**; and
 - (iii) the need to adopt an allocation of expenditure, as between the Sublessee and the Lessor, on works related to the Extension Infrastructure, being works that have an effective life beyond the expiry of the Term, that has regard to:

- (A) the return on the expenditure which the Sublessee is entitled to (or could otherwise reasonably expect to) receive prior to the expiration of the Term; and
 - (B) the return on the expenditure which the Lessor will be entitled to (or could otherwise reasonably expect to) receive after the expiration of the Term.
- (c) If the Sublessee has not provided a works and expenditure program as required by **clause 12.3(b)**, or within one month of the Lessor receiving the works and expenditure program the Lessor and the Sublessee have not agreed the proposed works and allocation of expenditure, the matter must be referred to an independent expert appointed under the Infrastructure Lease or (if the Sublessee is not a lessee under the Infrastructure Lease) under **clause 17** of this Agreement. In determining the works to be carried out and the appropriate allocation of the expenditure in respect of those works as between the Sublessee and the Lessor, the independent expert must have regard to the matters set out in **clause 12.3(b)**.
- (d) The Sublessee and the Lessor must implement the works and expenditure program, and must bear their allocated expenditures on the works the subject of the program, as agreed or determined in accordance with this **clause 12.3**.
- (e) No later than 36 months prior to the expiration of the Term, the Sublessee must provide to the Lessor a transition plan that sets out the detailed actions to be taken by each of the Sublessee and the Lessor (and the Lessee in the case of the transfer of any Lessee Railway Assets and Lessee Additional Land), and the timing and process for the taking of those actions, in order to achieve an orderly and timely process for:
- (i) the return to the Lessor (or its nominee) of the Extension Infrastructure on that date;
 - (ii) the transfer to the Lessor (or its nominee) of the Railway Assets and Additional Land on that date; and
 - (iii) the taking of such other actions as are required by this Agreement in conjunction with or as a consequence of these matters,
- so as to enable the railway network of which the Extension Infrastructure forms a part to continue to be operated as part of a fully functioning railway network before, on and after that date with minimum disruption to, or deterioration in the quality of, the services provided to the users of that railway network.
- (f) If the Sublessee has not provided a transition plan as required by **clause 12.3(e)**, or within 6 months of the Lessor receiving the transition plan the Lessor and the Sublessee have not agreed the transition plan, the matter must be referred to an independent expert appointed under the Infrastructure Lease or (if the Sublessee is not a lessee under the

Infrastructure Lease) under **clause 17** of this Agreement. In determining the transition plan, the independent expert must have regard to the matters set out in **clause 12.3(e)**.

- (g) The Sublessee and the Lessor must meet:
 - (i) to discuss and agree any changes to be made to the transition plan agreed by them or determined by an independent expert; and
 - (ii) to inform each other of their respective progress in respect of their implementation of that transition plan,

from time to time as required by either of them on reasonable notice to the other until the completion of implementation of the transition plan (which may occur after the end of the Term).

- (h) From the time that is 12 months after the Lessor receives the transition plan:
 - (i) the Sublessee (and the Lessee in the case of the transfer of any Lessee Railway Assets and Lessee Additional Land) must diligently pursue the implementation of, and do all things necessary or desirable to implement, the transition plan provided to the Lessor under **clause 12.3(e)** unless or until a transition plan has been agreed by the Lessor and the Sublessee or determined by an independent expert; and
 - (ii) the Sublessee (and the Lessee in the case of the transfer of any Lessee Railway Assets and Lessee Additional Land) and the Lessor must diligently pursue the implementation of, and do all things necessary or desirable to implement, the transition plan agreed by the Lessor and the Sublessee or determined by an independent expert once it has been so agreed or determined.
- (i) In implementing the transition plan in accordance with **clause 12.3(h)**, the Sublessee must provide the Lessor with:
 - (i) such information as the Lessor reasonably requires; and
 - (ii) such access to the facilities and systems of the Sublessee, the employees and contractors of the Sublessee and its Related Bodies Corporate, the Extension Infrastructure, the Railway Assets, the Rail Land and the Additional Land as the Lessor reasonably requires,

to enable the transfer of control of the railway network of which the Extension Infrastructure forms a part to the Lessor (or its nominee) to be achieved efficiently and with minimum disruption to, or deterioration in the quality of, the services provided to the users of that railway network.

- (j) Where a works and expenditure program or a transition plan is required to be provided by the Sublessee under provisions similar to this **clause 12.3** which are included in the Infrastructure Lease or an Other Extension Infrastructure Head-Lease, a works and expenditure program

or transition plan prepared under this **clause 12.3** may be combined with that other program or plan and must, in any event and to the extent reasonably required, take into account that other program or plan.

- (k) If the Lessor requires, the Sublessee must cooperate with any other party to the Infrastructure Lease or an Other Extension Infrastructure Head-Lease in preparing and implementing a works and expenditure program or a transition plan under this Agreement.

12.4 Actions during the Term

During the Term the Lessee and the Sublessee must:

- (a) use their best endeavours to enter into agreements and arrangements (other than contracts of employment) with other persons; and
- (b) enter into agreements and arrangements between themselves, on terms and conditions that will permit, where applicable, the Sublessee to comply with:
 - (c) the terms of clauses 14.1 and 15 of the Infrastructure Lease by virtue of the operation of **clause 11.6(a)(ii)(A)**; and
 - (d) the requirements of any deed referred to in **clause 15.2(f)(ii)**.

13 Termination of the Project Management Agreement

13.1 Application of this clause

This **clause 13** applies if the Project Management Agreement is terminated for any reason prior to the commissioning of the last part of the Extension to be commissioned and, as at the date of termination of the Project Management Agreement, Extension Infrastructure which has been commissioned under the Project Management Agreement is leased to the Lessee under this Agreement.

13.2 Exclusion of parts of Extension Infrastructure

- (a) The Lessee must promptly (and in any event within three Business Days of termination of the Project Management Agreement) notify the Lessor that the Project Management Agreement has been terminated and provide details of such parts of the Extension Infrastructure as have and have not been commissioned under the Project Management Agreement.
- (b) Within 20 Business Days after the termination of the Project Management Agreement, the Nominating Party may notify the Lessee that it no longer wishes all, or particular parts, of the Non-Available Extension Infrastructure to be subject to the lease under this Agreement.
- (c) A notice given under **clause 13.2(b)** must specify:

- (i) that the Nominating Party no longer wishes the whole of the Non-Available Extension Infrastructure to be subject to the lease under this Agreement; or
 - (ii) the particular parts of the Non-Available Extension Infrastructure which the Nominating Party no longer wishes to be subject to the lease under this Agreement.
- (d) On the date that the Nominating Party gives the Lessee a Notice under **clause 13.2(b)**:
- (i) the Non-Available Extension Infrastructure specified in the Notice given under **clause 13.2(b) (Redundant Extension Infrastructure)** will immediately cease being subject to the lease under this Agreement;
 - (ii) the Lessor hereby transfers ownership of Redundant Extension Infrastructure to the Lessee free from all Security Interests (other than Permitted Liens); and
 - (iii) for the avoidance of doubt, any Extension Infrastructure (other than the Redundant Extension Infrastructure) will continue to be subject to the lease under this Agreement.
- (e) If the Lessor is the Nominating Party and specifies in the Notice under **clause 13.2(b)** that it wishes the Redundant Extension Infrastructure to be removed, the Sublessee must, or must procure, as soon as reasonably practicable, the removal of the Redundant Extension Infrastructure at the Lessee's expense.
- (f) If the Nominating Party gives the Lessee a Notice under **clause 13.2(b)**, the Nominating Party must give a copy of such Notice to the other Party at the same time such Notice is given to the Lessee.

14 Force majeure

14.1 Force Majeure Event

A **Force Majeure Event** is a circumstance or event that is beyond the reasonable control of the Party claiming relief under this **clause 14 (Affected Party)**, including:

- (a) an act of God, lightning, storm, explosion, flood, landslide, bush fire or earthquake;
- (b) strikes or other industrial action, other than strikes or other industrial action involving only the employees of the Lessee, the Sublessee or a Related Body Corporate of either of them;
- (c) act of public enemy, war (declared or undeclared), terrorism, sabotage, blockade, revolution, riot, insurrection, civil commotion or epidemic; and
- (d) embargo, power shortage or water shortage,

the consequences of which could not have been prevented, overcome or remedied by the exercise by the Affected Party of a standard of care and diligence consistent with that of a prudent and competent person under the circumstances (including the expenditure of reasonable sums of money and the application of technology known to such a prudent and competent person). Each Party acknowledges and agrees that, in relation to a Force Majeure Event, the obligation to expend reasonable sums of money shall not require settlement of strikes or other industrial action by yielding to unreasonable demands made of it.

14.2 Claims for relief

- (a) If a Party is prevented in whole or in part from carrying out its obligations under this Agreement as a result of a Force Majeure Event, it must as soon as practicable notify the other Parties accordingly.
- (b) A Notice under this **clause 14.2** must:
 - (i) specify the relevant obligations and the extent to which the Affected Party cannot perform those obligations;
 - (ii) fully describe the Force Majeure Event;
 - (iii) estimate the time during which the Force Majeure Event will continue; and
 - (iv) specify the measures proposed to be adopted to remedy or minimise the effects of the Force Majeure Event.

14.3 Suspension of obligations

Following the giving of a Notice of a Force Majeure Event under **clause 14.2**, and while the Force Majeure Event continues, the obligations which cannot be performed because of the Force Majeure Event will be suspended other than any obligation to pay money, but only if the Affected Party has complied with its obligations under **clauses 14.2** and **14.4**.

14.4 Mitigation

The Affected Party must use all reasonable endeavours to remedy or minimise the effects of the Force Majeure Event to the extent reasonably practicable.

14.5 Effect on Term

The Term will not be extended by the period of the Force Majeure Event.

15 Security Interests and assignment

15.1 Security Interests

- (a) The Lessee must not, without the prior written consent of the Lessor, create or allow to subsist a Security Interest (other than a Permitted Lien) over any of its rights under this Agreement or over any of its right, title or interest in the Extension Infrastructure or any part of it.

- (b) The Sublessee must not, without the prior written consent of the Lessor (such consent not to be unreasonably withheld or delayed or given subject to unreasonable conditions), create or allow to subsist a Security Interest (other than a Permitted Lien) over any of its rights under this Agreement or over any of its right, title or interest in the Extension Infrastructure or any part of it.

15.2 Permitted assignments

- (a) Except as provided in this **clause 15.2** or the Integrated Network Deed, or with the prior written consent of the other Parties, no Party may assign or transfer all or any of its rights or obligations under this Agreement.
- (b) The Lessor may assign and transfer all (and not part only) of its rights and obligations under this Agreement to a person to whom it assigns or transfers at the same time all (but not part only) of its right, title and interest in the Extension Infrastructure and its rights and obligations under the Integrated Network Deed, being a person that is the State or is owned or controlled by the State, provided that such assignment is subject to the condition that, if the assignee (not being the State) ceases to be owned or controlled by the State, those rights and obligations must, on or prior to that cessation, be assigned and transferred to the State or a person that is owned or controlled by the State. Any such assignee must execute a deed under which the assignee undertakes to the Parties to be bound by the terms of this Agreement as if it were the Lessor.
- (c) The lessor under the Infrastructure Lease must not assign or transfer its rights and obligations under the Infrastructure Lease unless it assigns and transfers, at the same time to the same person, all of its rights and obligations under this Agreement.
- (d) Subject to **clause 15.2(e)**, except with the prior written consent of the Lessor (such consent not to be unreasonably withheld or delayed or given subject to unreasonable conditions), the Sublessee:
 - (i) may only assign and transfer all (and not part only) of its rights and obligations under this Agreement to a person to whom it assigns or transfers at the same time all (but not part only) of its rights and obligations under the Integrated Network Deed, each Other Extension Infrastructure Head-Lease and each Other Integrated Network Deed; and
 - (ii) must assign and transfer all of its rights and obligations under this Agreement to a person to whom it assigns or transfers any of its rights or obligations under the Integrated Network Deed, an Other Extension Infrastructure Head-Lease or an Other Integrated Network Deed.

Any such assignee must execute a deed under which the assignee undertakes to the Parties to be bound by the terms of this Agreement as if it were the Sublessee.

- (e) The Sublessee may assign and transfer to a person such of its rights and obligations under this Agreement as relate to part of the Extension Infrastructure if it assigns and transfers at the same time to that person such of its rights and obligations under:
- (i) if applicable, the Infrastructure Lease as relate to a part of the Leased Infrastructure; and
 - (ii) if applicable, an Other Extension Infrastructure Head-Lease as relate to a part of the Other Extension Infrastructure,

so that the relevant parts of the Extension Infrastructure, Leased Infrastructure (if applicable) and the Other Extension Infrastructure (if applicable) are, together, reasonably capable of being managed and operated, in accordance with all applicable Laws and the requirements of all applicable Authorisations, as a discrete part of a railway.

The Parties agree to give effect to an assignment and transfer under **clause 15.2(e)** by the Lessor and Lessee entering into an agreement, on the same terms and conditions of this agreement, with the assignee (as "Sublessee") (**Transferee Extension Infrastructure Head-Lease**) under which the applicable part of the Extension Infrastructure will be taken to be "Extension Infrastructure" leased by the Lessor to the Lessee under, and for the purposes of, the Transferee Extension Infrastructure Head-Lease.

Upon the Lessor, Lessee and assignee entering into a Transferee Extension Infrastructure Head-Lease:

- (i) the "Extension Infrastructure" leased by the Lessor to the Lessee under the Transferee Extension Infrastructure Head-Lease will immediately cease being subject to the lease under this Agreement; and
 - (ii) the Transferee Extension Infrastructure Head-Lease will be deemed to be an Other Extension Infrastructure Head-Lease for the purposes of this Agreement.
- (f) Unless the Sublessee assigns and transfers all of its rights and obligations under this Agreement and all of its rights and obligations under the Infrastructure Lease at the same time and to the same person, the Sublessee must not assign or transfer any of its rights or obligations under the Infrastructure Lease unless, where required to do so by the Lessor:
- (i) the assignee has executed a deed in favour of the Lessor (on terms reasonably acceptable to the Lessor) under which the assignee agrees to be bound by the operation of **clause 11.6(a)(ii)** and to assume the obligations relating to the Extension Infrastructure, Railway Assets and Additional Land as will thereby be imposed on it under the Infrastructure Lease; and

- (ii) the Sublessee has executed a deed in favour of the Lessor and the assignee (on terms reasonably acceptable to the Lessor) under which the Sublessee agrees, on the termination of this Agreement:
 - (A) to perform, in favour of the assignee or (if this Agreement terminates on the same date as the Infrastructure Lease terminates or expires) the Lessor or its nominee, such obligations as would otherwise be imposed on the Sublessee in connection with the Extension Infrastructure, Railway Assets and Additional Land under clause 14.1(b), (c), (d), (f) and (g) of the Infrastructure Lease if the Sublessee was the lessee under the Infrastructure Lease, the favouree was the lessor under the Infrastructure Lease, the date of the assignment or transfer was the "Lease End Date" (as defined in the Infrastructure Lease), and the Extension Infrastructure, Railway Assets and Additional Land were respectively "Infrastructure", "Railway Assets" and "Additional Land" (as defined in the Infrastructure Lease); and
 - (B) to perform, in favour of the assignee or (if this Agreement terminates on the same date as the Infrastructure Lease terminates or expires) the Lessor or its nominee, such obligations as would otherwise be imposed on the Sublessee in connection with the Railway Assets and Additional Land under clause 15(b) and (c) of the Infrastructure Lease if the Sublessee was the lessee under the Infrastructure Lease, the favouree was the lessor under the Infrastructure Lease, the date of the assignment or transfer was the date that the lessee under the Infrastructure Lease is required to return and surrender the Leased Infrastructure under clause 14.1(a) of the Infrastructure Lease, and the Railway Assets and Additional Land were respectively "Railway Assets" and "Additional Land" (as defined in the Infrastructure Lease).
- (g) If the Railway Assets and Additional Land are transferred to the Lessor or its nominee in accordance with **clause 15.2(f)(ii)(B)**, clauses 15(d), (e) and 20 of the Infrastructure Lease apply as if the Sublessee was the lessee under the Infrastructure Lease, and the Railway Assets and Additional Land were respectively "Railway Assets" and "Additional Land" (as defined in the Infrastructure Lease).
- (h) Except with the prior written consent of each other Party, the Lessee:
 - (i) may only assign and transfer all (and not part only) of its rights and obligations under this Agreement to a person to whom it assigns or transfers at the same time all (but not part only) of its rights and obligations under the Integrated Network Deed, the Sublease and the Land Licence; and

- (ii) must assign and transfer all of its rights and obligations under this Agreement to a person to whom it assigns or transfers any of its rights or obligations under the Integrated Network Deed, the Sublease or the Land Licence.

Any such assignee must execute a deed under which the assignee undertakes to the Parties to be bound by the terms of this Agreement as if it were the Lessee.

- (i) An assignment or transfer under **clause 15.2(c), 15.2(d) or 15.2(e)** may only be made to a person who:
 - (i) has, or will obtain immediately following such assignment or transfer, all Authorisations necessary for the use of the Extension Infrastructure for the Permitted Use, or otherwise has, or will have immediately following such assignment or transfer, the benefit of such Authorisations where they are held by another person; and
 - (ii) has sufficient financial and technical resources available to it to enable it to perform the obligations that are assigned or transferred to it,

and if the assignment or transfer complies with all of the applicable Laws.

- (j) If the Lessee is the trustee of the Trust and is replaced by a new trustee of the Trust, the Lessee must, with effect upon the appointment of the new trustee of the Trust, assign and transfer all (and not part only) of its rights and obligations under this Agreement, the Integrated Network Deed, the Sublease and the Land Licence to the new trustee of the Trust.
- (k) On a valid assignment or transfer in accordance with the requirements of this **clause 15.2**, the Party making such assignment or transfer is released from all obligations under this Agreement to the extent those obligations are assigned or transferred in accordance with the relevant clause.

15.3 Subletting

- (a) Except as provided in **clause 3.2**, the Lessee must not sublease, or grant a licence in respect of, its interest in the Extension Infrastructure or any part of it.
- (b) Subject to **clauses 15.3(c) and 15.3(d)**, the Sublessee may sublease, or grant a licence in respect of, its interest in the Extension Infrastructure or any part of it to a person (the **Sub-sublessee**) if:
 - (i) the use of the Extension Infrastructure or that part of it (as the case may be) which is permitted under the sublease or licence is consistent with the Permitted Use;
 - (ii) the Sub-sublessee has, or will obtain immediately following the granting of such sublease or licence, all Authorisations necessary for the Sub-sublessee to use the Extension Infrastructure or that

- part of it for the use which is permitted under the sublease or licence or otherwise has, or will have immediately following the granting of such sublease or licence, the benefit of such Authorisations where they are held by another person;
- (iii) the sublease or licence prohibits the Sub-sublessee from creating or allowing to subsist a Security Interest (other than a Permitted Lien) over any of the Sub-sublessee's rights under the sublease or licence or over any of the Sub-sublessee's right, title or interest in the Extension Infrastructure or any part of it without the prior written consent of the Lessor (such consent not to be unreasonably withheld or delayed or given subject to unreasonable conditions);
 - (iv) the sublease or licence is granted in accordance with all applicable Laws;
 - (v) the sublease or licence expressly acknowledges the rights of the Lessor under this Agreement and that the rights of the Sub-sublessee under the sublease or licence are subject to and subordinate to the rights of the Lessor under this Agreement; and
 - (vi) under the sublease or licence the Sub-sublessee covenants not to do anything which would cause a breach of this Agreement on the part of the Lessee or Sublessee.
- (c) Despite any sublease or licence permitted or consented to by the Lessor under **clause 15.3(b)**, as between the Lessor and the Sublessee, the Sublessee continues to be bound to comply with all its obligations under this Agreement.
 - (d) The Sublessee must not, except with the Lessor's prior written consent, sublease, or grant a licence in respect of, its interest in any part of the Extension Infrastructure to a person where that person is or, if the sublease or licence is granted, that person will become, the holder of a Major Authorisation in respect of that part of the Extension Infrastructure in circumstances where another person holds at the same time a Major Authorisation in respect of that part of the Extension Infrastructure.

16 Taxes and costs

- (a) The Lessee and Sublessee must pay and indemnify and keep indemnified the Lessor against any liabilities for stamp, transaction, registration and similar taxes (including fines and penalties resulting from delay or omission to pay such taxes, where such delay or omission is a result of the action or inaction of the Lessee or Sublessee) which may be payable in relation to this Agreement or the performance or enforcement of this Agreement or any payment or receipt or other transaction contemplated by it (other than in respect of any assignment or transfer of any rights or obligations of the Lessor contemplated by **clause 15.2**).

The obligations of the Lessee and Sublessee under this **clause 16(a)** bind them separately and together.

- (b) The Lessee must reimburse the Lessor on demand for all costs and expenses reasonably incurred in relation to the actual or attempted enforcement of, or actual or attempted exercise or preservation of, any rights, powers or remedies under this Agreement against the Lessee including, in each case, reasonable legal costs and expenses on a full indemnity basis.
- (c) The Sublessee must reimburse the Lessor on demand for all costs and expenses reasonably incurred in relation to the actual or attempted enforcement of, or actual or attempted exercise or preservation of, any rights, powers or remedies under this Agreement against the Sublessee including, in each case, reasonable legal costs and expenses on a full indemnity basis.
- (d) The Lessee or Sublessee (as applicable) must reimburse the Lessor's reasonable costs (including reasonable legal costs) of or associated with:
 - (i) considering, granting or refusing to grant any consent or approval requested by the Lessee or the Sublessee under the Agreement; and
 - (ii) considering, doing or refusing to do anything at the request of the Lessee or the Sublessee.

17 Dispute resolution

17.1 Dispute resolution process

- (a) If a Party considers a dispute has arisen under this Agreement, that Party may give notice of the dispute to the other Parties.
- (b) Within five Business Days of the Notice being given under **clause 17.1(a)**, a representative of each Party must confer together at least once, without third party advisers, to attempt to resolve the dispute.
- (c) If the dispute is not resolved under **clause 17.1(b)** within 15 Business Days of the Notice of the dispute being given, then the representatives must confer together to agree a form of dispute resolution.
- (d) If either:
 - (i) no form of dispute resolution is agreed within 20 Business Days of the date on which the Notice is given under **clause 17.1(a)**; or
 - (ii) the dispute is not resolved within 40 Business Days of the date on which the Notice is given under **clause 17.1(a)**,then a Party may, by written notice, refer the dispute to arbitration. Arbitration is to be before a single arbitrator in accordance with the

Commercial Arbitration Act 1990 (Qld) and a Party may be represented by a member of the legal profession.

- (e) Costs will be at the discretion of the arbitrator.
- (f) This **clause 17** does not prevent a Party from seeking an injunction or declaration from the court in the case of urgency.
- (g) The existence of a dispute does not excuse a Party from performing its obligations under this Agreement in full, nor does it prevent a Party from terminating this Agreement due to the default of another Party where such termination is otherwise in accordance with this Agreement.

17.2 Independent expert

Where this Agreement expressly provides for a dispute to be resolved by or referred to an independent expert, or the Parties agree pursuant to **clause 17.1(c)** that a dispute is best resolved by an independent expert, then the Parties must submit to the following procedure in resolving the dispute:

- (a) the Parties will choose and appoint an independent expert;
- (b) in the case of a dispute relating to railway safety matters, the independent expert must be a person with appropriate experience nominated by the 'rail safety regulator' as that concept is defined under the *Transport (Rail Safety) Act 2010* (Qld);
- (c) in any other case, in the absence of agreement by the Parties as to the independent expert within five Business Days of notice of a dispute being given, the independent expert will be appointed on the application of a Party by (unless otherwise agreed) the chairperson or other senior office bearer of the time being of the Queensland Chapter of the Institute of Arbitrators and Mediators Australia;
- (d) the independent expert must make a determination or finding on the issue in dispute as soon as practicable and in any event within 15 Business Days after the dispute is referred to it, or such longer period as agreed by the Parties;
- (e) the independent expert must act as an expert and not as an arbitrator and may adopt such procedures as he or she thinks fit so as to provide an expeditious, cost effective and fair means of determining the dispute, subject to any provisions to the contrary in this Agreement;
- (f) the independent expert is not bound by the rules of evidence and may make his or her determination on the basis of information received or his or her own expertise;
- (g) the provisions of the *Commercial Arbitration Act 1990* (Qld) will not apply to the dispute resolution proceedings under this **clause 17.2**;
- (h) in the absence of manifest error material to the determination, the independent expert's determination will be final and binding on the Parties; and

- (i) the costs of the independent expert will be borne by the Parties equally or as the independent expert may otherwise determine and each Party will bear its own costs, including legal costs, relating to the independent expert's decision.

18 Confidentiality

18.1 General obligations

Each Party must keep confidential and not allow, make or cause any disclosure of or in relation to this Agreement without the prior written consent of each other Party, which consent may be given or withheld, or given with conditions, in each Party's sole discretion.

18.2 Exceptions

A Party's obligations in **clause 18.1** do not apply to disclosures to the extent that the disclosure is:

- (a) by that Party to its legal or other professional advisers, auditors or other consultants, or employees of that Party or that Party's Related Bodies Corporate or shareholders, to the extent those persons require the information for the purposes of this Agreement (or any transactions contemplated by it) or for the purpose of advising that Party in relation thereto;
- (b) of information which is at the time lawfully in the possession of the proposed recipient of the information;
- (c) required by law or by a lawful requirement of a Governmental Agency or recognised stock exchange having jurisdiction over that Party or its Related Bodies Corporate or where such disclosure is determined by the Lessee as reasonably required for administration of the Trust;
- (d) required in connection with legal proceedings, arbitration or expert determination relating to this Agreement or for the purpose of advising that Party in relation thereto;
- (e) of information which is at the time generally and publicly available other than as a result of breach of confidence by that Party;
- (f) necessary or commercially desirable to a bona fide proposed or prospective assignee or transferee, in which case that Party must, if requested by any other Party, procure that the proposed recipient of the information executes a confidentiality deed in favour of the other Party prior to the disclosure of that information;
- (g) necessary or commercially desirable to an existing or bona fide proposed or prospective financier, in which case that Party must, if requested by any other Party, procure that the proposed recipient of the information executes a confidentiality deed in favour of the other Party prior to the disclosure of that information;

- (h) by the Lessor to the State or any Minister of the Crown in right of the State or any of its agencies or instrumentalities; or
- (i) by the Lessee to a Preference Unit Holder or a financier or prospective financier of a Preference Unit Holder, provided that the Lessee first procures that the proposed recipient of the information executes a confidentiality deed in favour of the other Parties (on terms reasonably acceptable to them) prior to the disclosure of the information.

18.3 Continuing obligation

This **clause 18** will survive the termination of this Agreement.

20 General

20.1 Entire agreement

- (a) As between the Lessor and the other Parties:
- (i) this Agreement and the Integrated Network Deed together contain the entire understanding between them as to their subject matter; and
 - (ii) this Agreement and the Integrated Network Deed together set out the only conduct relied on by the Parties and supersede all prior agreements and understandings between the Parties in connection with their subject matter.
- (b) As between the Lessee and the Sublessee:
- (i) this Agreement, the Integrated Network Deed, the Sublease, the Land Licence and the Project Management Agreement together contain the entire understanding between them as to their subject matter; and
 - (ii) this Agreement, the Integrated Network Deed, the Sublease, the Land Licence and the Project Management Agreement together set out the only conduct relied on by them and supersede all prior

agreements and understandings between them in connection with their subject matter.

20.2 No waiver

No failure to exercise nor any delay in exercising any right, power or remedy under this Agreement by a Party operates as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the Party granting that waiver unless made in writing.

20.3 Rights cumulative

Subject to any express provision in this Agreement to the contrary, the rights, powers and remedies of a Party under this Agreement are cumulative and are in addition to, and do not exclude or limit, any right, power or remedy provided by law or equity or by any other agreement.

20.4 Amendment

No amendment or variation of this Agreement is valid or binding on a Party unless made in writing and executed by all Parties.

20.5 Further assurance

Each Party must do everything (including executing agreements and documents) necessary or reasonably required by any other Party to give full effect to this Agreement and the transactions contemplated by it.

20.6 No merger

The rights and obligations of the Parties will not merge on the completion of any transaction contemplated by this Agreement. They will survive execution and delivery of any assignment or other document entered into for the purpose of implementing any such transaction.

20.7 Severability of provisions

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this Agreement nor affect the validity or enforceability of that provision in any other jurisdiction.

20.8 Lessee's limitation of liability

- (a) The Parties acknowledge that the Lessee enters into this Agreement in its capacity only as trustee of the Trust, and in no other capacity (other than in respect of the warranties in relation to trustee capacity in **clause 23.2** which are given by the Lessee in its personal capacity).
- (b) A liability of the Lessee arising under or in connection with this Agreement is limited to and can be enforced against the Lessee in its capacity as trustee of the Trust only to the extent to which the Lessee is

entitled to be indemnified out of the Trust for the liability and the liability can be satisfied out of property of the Trust.

- (c) The limitation of liability in this **clause 20.8** will not apply to any liability of the Lessee in its capacity as trustee of the Trust to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Lessee's right of indemnity as a result of the Lessee committing fraud, "Gross Negligence" or "Wilful Default" (each as defined in the Trust Deed).
- (d) The Lessee must not amend the Trust Deed in any way that might reduce the scope of its entitlement to indemnity out of the Trust as specified in clause 17.3 of the Trust Deed as that provision stands at the date of the Trust Deed.

20.9 Consents

Except as expressly stated otherwise in this Agreement, a Party may conditionally or unconditionally give or withhold any consent to be given under this Agreement and is not obliged to give its reasons for doing so.

20.10 Counterparts

This Agreement may consist of a number of counterparts and, if so, the counterparts taken together constitute one document.

20.11 Relationship of Parties

This Agreement is not intended to create a partnership, joint venture or agency relationship between the Parties.

20.12 Survival of representations and warranties

All representations and warranties in this Agreement will survive the execution and delivery of this Agreement and the completion of the transactions contemplated by it.

20.13 Enurement

The provisions of this Agreement will, subject as otherwise provided in this Agreement, enure for the benefit of and be binding on the Parties and their respective successors and permitted novatees and assigns.

20.14 Powers of attorney

An attorney by executing this Agreement declares that he or she has received no notice of revocation of the power of attorney pursuant to which he or she executes this Agreement.

21 GST

21.1 GST to be added to amounts payable

If GST is payable on a Taxable Supply made under, by reference to or in connection with this Agreement, the Party providing the Consideration for that Taxable Supply must also pay the GST Amount as additional Consideration. This **clause 21** does not apply to the extent that the Consideration for the Taxable Supply is expressly stated to be GST inclusive.

21.2 Liability net of GST

Any reference in the calculation of Consideration, or any indemnity, reimbursement or similar amount, to a cost, expense or other liability incurred by a Party, must exclude the amount of any Input Tax Credit entitlement of that Party in relation to the relevant cost, expense or other liability. A Party will be assumed to have an entitlement to a full Input Tax Credit unless it demonstrates otherwise prior to the date on which the Consideration must be provided.

21.3 Timing of payment of GST Amount

The GST Amount is payable on the earlier of:

- (a) the first date on which all or any part of the Consideration for the Taxable Supply is first provided; and
- (b) the date five Business Days after the date on which an Invoice is issued in relation to the Taxable Supply.

The GST Amount is not payable until a Tax Invoice is issued to the payer of the GST Amount.

21.4 Revenue exclusive of GST

Unless otherwise stated, any reference in this Agreement to price, value, sales, revenue or a similar amount (**Revenue**), is a reference to that Revenue exclusive of GST.

21.5 Cost exclusive of GST

Unless otherwise stated, any reference in this Agreement (other than in the calculation of Consideration) to cost, expense or other similar amount (**Cost**), is a reference to that Cost exclusive of GST.

21.6 Adjustment Event

If an Adjustment Event occurs in respect of a Taxable Supply described in this **clause 21**, an adjustment must be made to any amount paid pursuant to this **clause 21**. The supplier must issue an Adjustment Note for an Adjustment Event.

21.7 GST Group

If a Party is a member of a GST Group, references to GST which the Party must pay and to Input Tax Credits to which that Party is entitled, include GST

which the representative member of the GST Group must pay and Input Tax Credits to which the representative member of the group is entitled.

21.8 Non-monetary consideration

If a supply made under this Agreement is a Taxable Supply made for non-monetary consideration, then:

- (a) the Supplier must provide the Recipient with a Tax Invoice which states the GST inclusive market value of that non-monetary consideration; and
- (b) for the avoidance of doubt, any non-monetary consideration payable under or in connection with this Agreement is GST inclusive.

21.9 Definitions

- (a) Words or expressions used in this **clause 21** which are defined in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) and related imposition Acts or, if not so defined, then which are defined in the *Consumer and Competition Act 2010* (Cth), have the same meaning in this **clause 21** unless expressly provided otherwise in **clause 1.1**.
- (b) **GST Amount**, in relation to a Taxable Supply, means the amount of GST payable in respect of that Taxable Supply.

22 Governing law and jurisdiction

- (a) This Agreement is governed by the laws of the State of Queensland.
- (b) Each Party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of Queensland and courts of appeal from them for determining any dispute concerning this Agreement. Each Party waives any right it has to object to an action being brought in those courts, to claim that the action has been brought in an inconvenient forum, or to claim that those courts do not have jurisdiction.
- (c) The Parties agree that none of them will institute or attempt to institute any proceedings in relation to any dispute or any matter or thing arising out of or in connection with this Agreement other than in a court in Queensland or, in respect of any proceedings in a Federal court, in the Brisbane registry of the relevant Federal court. A Party must not, without the consent of all other Parties, request that proceedings instituted in a Federal court in Queensland be heard outside Queensland.
- (d) Without preventing any other mode of service, any document in an action (including any writ of summons or other originating process or any third or other party notice) may be served on a Party by being delivered to that Party in accordance with **clause 19**.

23 Warranties

23.1 Warranties

- (a) Each Party warrants that:
 - (i) it is a corporation validly existing under the laws applicable to it; and
 - (ii) it is able to pay its debts as and when they fall due.
- (b) Each Party warrants that:
 - (i) it has the power to enter into and perform this Agreement and has obtained all necessary consents to enable it to do so;
 - (ii) its obligations under this Agreement are enforceable in accordance with their terms;
 - (iii) no litigation, arbitration or administrative proceeding has been commenced before, and no judgment or award has been given or made by, any court, arbitrator, other tribunal or Governmental Agency against it which would have a material adverse effect on its ability to observe its obligations under this Agreement; and
 - (iv) it is not in breach or default under any agreement to which it is a party to an extent or in a manner which would have a material adverse effect on its ability to perform its obligations under this Agreement.

23.2 Lessee warranties

The Lessee warrants that:

- (a) it has full power and authority to enter into this Agreement and to perform the Lessee's obligations under this Agreement and the Trust Deed;
- (b) it is the sole trustee of the Trust and no action has been taken to remove or replace the Lessee as trustee of the Trust; and
- (c) it has the right to be fully indemnified out of the assets of the Trust in respect of all its obligations under this Agreement, and the Lessee has not done or omitted to do anything that would result in its right of indemnity being restricted or limited in any way.

23.3 Reliance

- (a) Each Party acknowledges that each other Party has entered into this Agreement in reliance upon the warranties contained in **clause 23.1**.
- (b) The Lessee acknowledges that the other Parties have entered into this Agreement also in reliance upon the warranties contained in **clause 23.2**.
