QRC Industry Notes

This document contains a number of industry notes. These notes provide further explanation and clarification about certain (but not all) changes that the QRC submits should be made to the User Funding - Integrated Network Deed (referred to as the IND in all notes).

Formatted: Normal Single

General drafting note:

This template Integrated Network Deed (**CQCN IND**) is relevant to SUFA transactions involving the construction of Extension Infrastructure which will form part of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network). DTMR is the Land Lessor, and Queensland Treasury Holdings Pty Ltd is the infrastructure lessor, in respect of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network).

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of either of the two sections of the North Coast Line in respect of which Aurizon Network is railway manager, an Integrated Network Deed for the North Coast Line (**NCL IND**) will be required. DTMR is the land lessor, and Queensland Rail Limited is the infrastructure lessor, in respect of those sections of the North Coast Line.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network) only, the relevant parties will enter into a CQCN IND.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of the Aurizon Network-controlled sections of the North Coast Line only, the relevant parties will enter into an NCL IND.

If a SUFA transaction will involve the construction of Extension Infrastructure which will form part of both the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network) and the Aurizon Network-controlled sections of the North Coast Line, the relevant parties will enter into both a CQCN IND and an NCL IND.

The entry into of an Integrated Network Deed is in the absolute discretion of DTMR and Queensland Treasury Holdings Pty Ltd or Queensland Rail Limited (as applicable) on a transaction-by-transaction basis.

This Deed has been drafted on the basis that the Extension will be solely constructed on land that is the subject of a rail corridor sublease from the State of Queensland to Aurizon Network Pty Ltd that is granted under section 240 of the *Transport Infrastructure Act 1994* (Qld) and is dated 1 July 1995. It will need to be modified to the extent that the Extension is to be constructed on land that is not subject to this sublease. The State of Queensland is not under any obligation to, and makes no representation that it will, acquire, or facilitate the acquisition of, any interest in land for the construction of any Extension.

Industry Note: Claim

The changes have been made because otherwise the definition is too wide and could encompass matters which would not ordinarily be considered to be in the nature of a "claim".

Compensation Amount means the fair market value of, collectively, all of the assets referred to in **clause 8.7(a)**:

- (a) as notified by the Infrastructure Lessor to Aurizon Network, the Trustee and each Other Funder (if any) under **clause 8.7(a)**; or

1.4 Acknowledgement

The Parties acknowledge and agree that this Deed is an "Other Integrated Network Deed" (as defined in an Other Integrated Network Deed).

2 Condition precedent

- (a) This Deed (except for this **clause 2** and **clauses [#]** and **[#]**) is of no force or effect unless and until:

 - (ii) the Trustee applies the Initial Unit Call Amount Amount for each Preference Unit Holder in paying up Preference Units under the Unit Holders Deed.
- (b) Aurizon Network must notify the other Parties promptly, and in any event within two Business Days, of the condition precedent in **clause 2(a)(i)** being satisfied.

undertaken on, or any things that are located on, under or over, Rail Corridor Land.

Industry Note: Clause 4(c)

This clause has been moved in its entirety from the Extension Infrastructure Head-Lease on the basis that the Land Lessor is not a party to the Extension Infrastructure Head-Lease.

5 Restrictions on Trustee

The Trustee must ~~not, without provide~~ the Infrastructure Lessor's ~~prior written approval, with written notice immediately after the Trustee~~ terminates, rescinds or repudiates, or obtains any order with the effect of terminating or rescinding **(Termination Order)**; the Sublease or any Land Licence that is entered into by the Trustee and Aurizon Network, provided that such termination, rescission, repudiation or the obtaining of a Termination Order is permitted under either this Agreement, the Extension Infrastructure Head-Lease, the Extension Infrastructure Sub-Lease or any Land Licence. In any other case of termination, rescission, repudiation or the obtaining of a Termination Order, the Trustee must obtain the Infrastructure Lessor's prior written consent before doing so (such consent not to be unreasonably withheld).

Industry Note: Clause 5

This clause has been amended so that the Trustee need not seek the Infrastructure Lessor's approval to termination etc. of the Sublease or any Land Licence if the Trustee is afforded rights to do so under the relevant transaction documents. The original drafting proposes an unacceptable position for the Trustee, and could cause undue burden or the loss of termination etc. rights.

- (a) the "Railway Transport Infrastructure" (as defined in the Extension Infrastructure Head-Lease), and all ~~parts, accessories and equipment that are incorporated or installed in, or attached to, such "Railway Transport Infrastructure" (as defined in the Extension Infrastructure Head-Lease)~~ **Incorporated Parts**, comprising the Extension, prior to the Trustee transferring ownership of such assets to the Infrastructure Lessor under clause **[3.1(b)]** of the Extension Infrastructure Head-Lease;
- (b) all ~~parts, accessories and equipment that are incorporated or installed in, or attached~~ **Incorporated Parts** to, the Extension Infrastructure, and any replacements, ~~m~~Modifications, ~~alterations, additions or changes~~ that are made to the Extension Infrastructure, prior to the Trustee transferring ownership of such assets to the Infrastructure Lessor under clause **[3.1(c)]** of the Extension Infrastructure Head-Lease; and

- (c) ~~all parts, accessories and equipment that are incorporated or installed in, or attached to, the Extension Infrastructure, and any replacements, modifications, alterations, additions or changes~~ Sublessee Additional Infrastructure that are made to the Extension Infrastructure, made prior to Aurizon Network transferring ownership of such assets to the Infrastructure Lessor under clause **3.1(d)** of the Extension Infrastructure Head-Lease,

and each part of such assets:

- (d) do not form part of, or attach to, the land on, under or above which they are situated regardless of whether or not any part of them is a fixture;
- (e) are excluded from any lease of the land on, under or above which they are situated;
- (f) are to be treated as personal property of, as applicable, the Trustee or Aurizon Network and not as a fixture; and
- (g) are owned by, as applicable, the Trustee or Aurizon Network and ownership of them does not vest in the owner of the land on, under or above which they are situated.

Industry Note: Clause 6.1

The drafting changes have been made to this clause to clarify the intent of the clause, and also to link new defined terms included in the Extension Infrastructure Head-Lease into this clause.

6.2 Extension Infrastructure

The Parties agree that the Extension Infrastructure and each part of it:

- (a) does not form part of, or attach to, the land on, under or above which it is situated regardless of whether or not any part of it is affixed to the land;
- (b) is excluded from any lease of the land on, under or above which it is situated;
- (c) is to be treated as personal property of the Infrastructure Lessor (or any transferee of the Extension Infrastructure from the Infrastructure Lessor) and not as a fixture; and
- (d) is owned by the Infrastructure Lessor (or any transferee of the Extension Infrastructure from the Infrastructure Lessor) and ownership of it does not vest in the owner of the land on, under or above which it is situated.

6.3 Excluded Extension Infrastructure

The Parties agree that the Excluded Extension Infrastructure and each part of it (upon its transfer to the Trustee in accordance with clause 7.4):

- (a) does not form part of, or attach to, the land on, under or above which it is situated regardless of whether or not any part of it is affixed to the land;
- (b) is excluded from any lease of the land on, under or above which it is situated;

- (c) is to be treated as personal property of, as applicable, the Trustee or Aurizon Network (or any transferee of the Excluded Extension Infrastructure from, as applicable, the Trustee or Aurizon Network) and not as a fixture;
- (d) is owned by, as applicable, the Trustee or Aurizon Network (or any transferee of the Excluded Extension Infrastructure from, as applicable, the Trustee or Aurizon Network) and ownership of it does not vest in the owner of the land on, under or above which it is situated; and
- (e) may, subject to any restrictions on transfer or disposal imposed under this Deed, the Trust Deed or a Transaction Document, be transferred or disposed of by, as applicable, the Trustee or Aurizon Network (or any transferee of the Excluded Extension Infrastructure from the Trustee or Aurizon Network) separately from the land on, under or above which it is situated.

Industry Note: Clause 6.3

“Excluded Extension Infrastructure” is defined under clause 7.4 as that infrastructure nominated by the Infrastructure Lessor to be transferred to the Trustee. Therefore, the change made to this clause clarifies that only infrastructure that has been transferred is subject to this clause.

6.4 Extension Infrastructure not “Infrastructure”

Except as otherwise provided in the Extension Infrastructure Head-Lease or this Deed, Aurizon Network and the Infrastructure Lessor agree that, despite the terms of the Infrastructure Lease, no part of the Extension Infrastructure or the Excluded Extension Infrastructure will be, for the purposes of the Infrastructure Lease:

- (a) owned by Aurizon Network and transferred to the Infrastructure Lessor under the Infrastructure Lease;
- (b) owned by the Infrastructure Lessor and leased to Aurizon Network under the Infrastructure Lease; or
- (c) taken to be “Infrastructure” (as defined in the Infrastructure Lease).

6.5 Extension Infrastructure not “Railway Assets”

Except as otherwise provided in the Extension Infrastructure Head-Lease or this Deed, Aurizon Network and the Infrastructure Lessor agree that, despite the terms of the Infrastructure Lease, the Extension Infrastructure or any Excluded Extension Infrastructure will not be taken to be “Railway Assets” (as defined in the Infrastructure Lease) for the purposes of the Infrastructure Lease.

7 Early termination of Infrastructure Lease where Trust not terminated

7.1 Application

- (a) This **clause 7** (other than this **clause 7.1** and **clause 7.5**) applies if (and only if):
- (i) the Infrastructure Lease End Date occurs prior to the Expiry Date;
 - (ii) immediately prior to the Infrastructure Lease End Date, the Trustee is the lessee of the Extension Infrastructure under the Extension Infrastructure Head-Lease; and
 - (iii) as at the Infrastructure Lease End Date, the Trust has not been terminated.
- (b) This **clause 7.1** and **clause 7.5** apply on and from the date of this Deed.

7.2 References to Extension Infrastructure

- (a) For the purpose of **clause 7.4**, a reference to Extension Infrastructure is a reference to that part of the "Infrastructure" (as defined in the Infrastructure Lease) that was Extension Infrastructure ~~leased~~ to the Trustee under the Extension Infrastructure Head-Lease immediately prior to the Infrastructure Lease End Date.
- (b) For the purpose of this **clause 7** (other than **clause 7.4**) and **schedule 3**, a reference to Extension Infrastructure is a reference to that part of the "Infrastructure" (as defined in the Infrastructure Lease) that was Extension Infrastructure leased to the Trustee under the Extension Infrastructure Head-Lease immediately prior to the Infrastructure Lease End Date other than, if the ~~Infrastructure Lessor Trustee~~ exercises its right of election under **clause 7.4(a)**, the Excluded Extension Infrastructure.

7.3 Notification of Infrastructure Lease End Date

Promptly after the Infrastructure Lease End Date, Aurizon Network must ~~notify~~ provide written notification to the Trustee of the Infrastructure Lease End Date.

7.4 Excluded Extension Infrastructure

- (a) Prior to the Infrastructure Lessor first offering, or inviting an offer, to dispose of any assets under the Infrastructure Lease Disposal Clause, the Infrastructure Lessor may give a Notice to Aurizon Network and the Trustee nominating parts of the Extension Infrastructure (**Excluded Extension Infrastructure**) which the Infrastructure Lessor ~~elects (in its absolute discretion) proposes~~ to transfer to the Trustee in accordance with this clause 7 (**Excluded Extension Infrastructure Notice**).
- (b) On receipt of an Excluded Extension Infrastructure Notice by the Trustee, the Infrastructure Lessor and the Trustee agree to meet and negotiate in good faith within 10 Business Days of that date (unless this period is extended by agreement between those parties) with a view to

those Parties agreeing on the parts of the Extension Infrastructure that will become Excluded Extension Infrastructure.

- (c) Following the conclusion of the consultation process under **clause 7.4(b)**, the Trustee will promptly provide Aurizon Network and the Infrastructure Lessor with a Notice detailing the Excluded Extension Infrastructure which the Trustee agrees will be transferred to it in accordance with this **clause 7**.

Industry Note: Clause 7.4 (and parallel clauses in 8 and 9)

There is potentially limited (if any) value in discrete parts of the Extension Infrastructure being transferred to the Trustee after the Infrastructure Lease has expired. Accordingly, QRC proposes that, subject to a period of negotiation, QTH should only be able to transfer a part of the Extension where it is requested to do so by the Trustee. Otherwise, the relevant Extension Infrastructure will be disposed of in conjunction with the balance of the applicable infrastructure. Clause 12 of the EIHL had allowed for such consultation/agreement.

These comments apply equally to amendments proposed in each of clauses 8 and 9 below.

~~(a)~~(d) With effect on the date the ~~Infrastructure Lessor-Trustee~~ gives a Notice to Aurizon Network and the ~~Infrastructure Lessor-Trustee~~ under **clause 7.4(a)**:

- (i) the Infrastructure Lessor hereby transfers to the Trustee all of the Infrastructure Lessor's right, title and interest in the Excluded Extension Infrastructure free from all Security Interests (other than Permitted ~~Liens~~Security Interests); and
- (ii) despite clause 11.6(a)(ii)(A) of the Extension Infrastructure Head-Lease, the Excluded Extension Infrastructure will cease to be "Infrastructure" (as defined in the Infrastructure Lease) for the purpose of the Infrastructure Lease.

7.5 Infrastructure Lease Disposal Clause

- (a) The Infrastructure Lessor and Aurizon Network each warrant to the Trustee that, as at the date of this Deed, the Infrastructure Lease contains a clause (**Infrastructure Lease Disposal Clause**) on the terms set out in **part 1 of schedule 2**.
- (b) While the Trust continues in existence, and for so long as the Trustee is the lessee of the Extension Infrastructure under the Extension Infrastructure Head-Lease, the Infrastructure Lessor and Aurizon Network agree not to vary the Infrastructure Lease Disposal Clause without the Trustee's prior written consent (which consent must not be unreasonably withheld or delayed).

7.6 Disposal process

Subject to **clause 7.8**, the Infrastructure Lessor agrees to comply with the Infrastructure Lease Disposal Clause.

7.7 Determination of Percentage Shares

- (a) As soon as reasonably practicable after the Infrastructure Lease End Date, Aurizon Network must give the Trustee and each Other Funder (if any) a Notice:
 - (i) specifying the percentages which Aurizon Network determines to be Aurizon Network's, the Trustee's and each Other Funder's Percentage Share; and
 - (ii) providing reasonable details of the calculation of Aurizon Network's, the Trustee's and each Other Funder's Percentage Share.
- (b) Within ~~30~~45 Business Days after Aurizon Network gives a Notice referred to in **clause 7.7(a)** to the Trustee, the Trustee may give Aurizon Network a Dispute Notice which disputes the percentage which Aurizon Network determines to be the Trustee's Percentage Share as specified in such Notice and provides reasonable details of the basis for such Dispute.
- (c) If the Dispute referred to in **clause 7.7(b)** is not resolved in accordance with **clause 13.3**, the Trustee may refer the Dispute to an Expert to determine under **clause 13.4** Aurizon Network's, the Trustee's and each Other Funder's Percentage Share.

Industry Note: Clause 7.7

The Trustee should be permitted more time to dispute Aurizon Network's calculation of the Trustee's Percentage Share. Additionally, Industry submits that there should be no restriction on the Trustee lodging a dispute outside of the period specified under clause 7.7(b). This is particularly the case if outside of this period the Trustee identifies that there has been an error in the Trustee's calculation of the Percentage Share.

- ~~(d) If the Trustee does not give Aurizon Network a Dispute Notice referred to in **clause 7.7(b)** within the time referred to in **clause 7.7(b)**, then:
 - ~~(i) the Trustee must not give Aurizon Network a Dispute Notice which disputes Aurizon Network's, the Trustee's or an Other Funder's Percentage Share;~~
 - ~~(ii) any such Dispute Notice which is given by the Trustee will be taken to be of no effect; and~~
 - ~~(iii) the Trustee will not have, and must not make, any Claim against Aurizon Network in respect of such a Dispute.~~~~

7.8 Payment of Shares

- (a) The Infrastructure Lessor and Aurizon Network agree that if this **clause 7** applies, the Infrastructure Lessor's obligation to pay the Disposal Amount to Aurizon Network (or as it directs) under the Infrastructure Lease Disposal Clause will be replaced by the Infrastructure Lessor's obligations under this **clause 7.8**.
- (b) Despite the terms of the Infrastructure Lease Disposal Clause:

- (i) the Infrastructure Lessor and Aurizon Network agree that Aurizon Network, the Trustee and each Other Funder (if any) are each entitled to be paid their Share by the Infrastructure Lessor in accordance with this **clause 7.8**; and
- (ii) the Infrastructure Lessor agrees to pay (or procure payment of) Aurizon Network's, the Trustee's and each Other Funder's (if any) Percentage Share to them in accordance with this **clause 7.8**.
- (c) ~~As soon as reasonably practicable~~ Promptly after a disposal is effected under the Infrastructure Lease Disposal Clause, the Infrastructure Lessor must notify Aurizon Network, the Trustee and each Other Funder (if any) of the Disposal Amount.
- (d) ~~As soon as reasonably practicable~~ Promptly after the Disposal Amount is notified to Aurizon Network under **clause 7.8(c)**, Aurizon Network must give a Notice to the Infrastructure Lessor (and a copy of such Notice to the Trustee and each Other Funder (if any)) notifying the Infrastructure Lessor of Aurizon Network's, the Trustee's and each Other Funder's (if any) Share.
- (e) Within ~~60-30~~ Business Days after Aurizon Network gives the Infrastructure Lessor a Notice under **clause 7.8(c)**, the Infrastructure Lessor must pay (or procure payment of):
 - (i) the Trustee's Share to the Trustee;
 - (ii) Aurizon Network's Share to Aurizon Network; and
 - (iii) each Other Funder's Share to each Other Funder (if any),
 in each case, as notified by Aurizon Network in the Notice given under **clause 7.8(d)**.
- (f) The Trustee agrees that it will have no recourse against the Infrastructure Lessor for any "Losses" (as defined in the Infrastructure Lease) that are referred to in clause 10.4(f) of the Infrastructure Lease.

Industry Note: Clause 7.8

The changes have been made to this clause to ensure that the parties receive notice of a disposal and the Disposal Amount more quickly than originally envisaged. Also, the period during which the Infrastructure Lessor should make payment should be reduced to 30 Business Days. This still allows ample time for the Infrastructure Lessor to arrange to make payment of the Trustee's share.

8 Expiry of Infrastructure Lease where Trust not terminated

8.1 Application

- (a) Subject to **clause 8.1(b)**, this **clause 8** commences to apply one year prior to the Expiry Date.
- (b) If this **clause 8** commences to apply under **clause 8.1(a)** and, prior to the Expiry Date:

- (i) the Trust is terminated; or
- (ii) the Infrastructure Lease End Date occurs and the Trust has not been terminated as at the Infrastructure Lease End Date,

then this **clause 8** will immediately cease to apply, and will be of no further force or effect, on and from the date of the occurrence of such event.

8.2 References to Extension Infrastructure and Other Extension Infrastructure

- (a) For the purpose of **clause 8.4 and clause 8.5**, a reference to Extension Infrastructure is a reference to the Extension Infrastructure leased to the Trustee under the Extension Infrastructure Head-Lease immediately prior to the Expiry Date.
- (b) For the purpose of this **clause 8** (other than **clause 8.4 and 8.5**) and **schedule 3**, a reference to Extension Infrastructure is a reference to that part of the "Infrastructure" (as defined in the Infrastructure Lease) as at the Expiry Date that was Extension Infrastructure leased to the Trustee under the Extension Infrastructure Head-Lease immediately prior to the Expiry Date ~~other than, if the Trustee exercises its right of election under **clause 8.5(c)** to the Excluded Extension Infrastructure, (and, for the avoidance of doubt, does not include any Excluded Extension Infrastructure or any Extension Infrastructure which the Trustee and the State agree may be removed by the Trustee under clause **[12.1]** of the Extension Infrastructure Head Lease).~~

Formatted: Font: Not Bold

Industry Note: clause 8.2(b) and clause 12 EIHL

The procedure/compensation provisions provided for in this clause 8 overlapped with provisions for dealing with Extension Infrastructure in the case of lease expiry under the EIHL. It was unclear what Extension Infrastructure was proposed to be dealt with under clause 12 of the EIHL and what Extension Infrastructure was to be removed and/or compensated for under this clause 8. It is appropriate that a comprehensive (and exclusive) regime is included in the IND. Clause 7 will apply in the case of termination of the Infrastructure Lease and clause 8 will apply in the case of expiry of the Infrastructure Lease. Under the proposed QRC drafting, the EIHL will simply provide for termination of the EIHL.

- (c) For the purpose of this **clause 8** and **schedule 3**, a reference to Other Extension Infrastructure is a reference to that part of the "Infrastructure" (as defined in the Infrastructure Lease) as at the Expiry Date that was Other Extension Infrastructure leased to an Other Funder under an Other Extension Infrastructure Head-Lease immediately prior to the Expiry Date (and, for the avoidance of doubt, does not include any "Excluded Extension Infrastructure" (as defined in an Other Extension Infrastructure Head-Lease)) ~~or any "Extension Infrastructure" (as defined in an Other Extension Infrastructure Head Lease) which an Other Funder and the State agree may be removed by the Other Funder under a provision of the Other Extension Infrastructure Head Lease which corresponds with clause **[12.1]** of the Extension Infrastructure Head Lease).~~

8.3 Notification of Expiry Date

Aurizon Network must notify the Trustee of the Expiry Date at least one year prior to the Expiry Date.

8.4 Register

Not more than seven months, but not less than six months, prior to the Expiry Date, Aurizon Network must provide to the Infrastructure Lessor a register of the Extension Infrastructure.

8.5 Excluded Extension Infrastructure

(a) Not more than six months prior to the Expiry Date, the Infrastructure Lessor may give an Excluded Extension Infrastructure Notice to Aurizon Network and the Trustee nominating parts of the Extension Infrastructure (**Excluded Extension Infrastructure**) which the Infrastructure Lessor elects (in its absolute discretion) proposes to transfer to the Trustee in accordance with this clause 8 on the Expiry Date.

(b) On receipt of an Excluded Extension Infrastructure Notice by the Trustee, the Infrastructure Lessor and the Trustee agree to meet and negotiate in good faith within 10 Business Days of that date (unless this period is extended by agreement between those parties) with a view to those Parties agreeing on the parts of the Extension Infrastructure that will become Excluded Extension Infrastructure.

(c) Following the conclusion of the consultation process under clause 8.5(b), the Trustee will promptly provide Aurizon Network and the Infrastructure Lessor a Notice detailing the Excluded Extension Infrastructure which the Trustee elects (in its discretion) to have transferred to it in accordance with this clause 8.

(d) With effect on the Expiry Date:

- (i) the Infrastructure Lessor hereby transfers to the Trustee all of the Infrastructure Lessor's right, title and interest in the Excluded Extension Infrastructure free from all Security Interests (other than Permitted ~~Liens~~Security Interests); and
- (ii) despite clause 11.6(a)(ii)(A) of the Extension Infrastructure Head-Lease, the Excluded Extension Infrastructure will not be deemed to be "Infrastructure" (as defined in the Infrastructure Lease) for the purpose of the Infrastructure Lease.

8.6 Infrastructure Lease Dispute Clause

- (a) The Infrastructure Lessor and Aurizon Network each warrant to the Trustee that, as at the date of this Deed, the Infrastructure Lease contains a clause (**Infrastructure Lease Dispute Clause**) on the terms set out in **part 2 of schedule 2**.
- (b) While the Trust continues in existence, and for so long as the Trustee is the lessee of the Extension Infrastructure under the Extension Infrastructure Head-Lease, the Infrastructure Lessor and Aurizon

Network agree not to vary the Infrastructure Lease Dispute Clause without the Trustee's prior written consent (which consent must not be unreasonably withheld or delayed).

8.7 Determination of Compensation Amount

- (a) Promptly after the Expiry Date, the Infrastructure Lessor must notify Aurizon Network, the Trustee and each Other Funder (if any) of the amount which ~~the Infrastructure Lessor~~ it determines to be the fair market value (determined in accordance with clause 10.4 of the Infrastructure Lease) of, collectively:
- (i) the "Infrastructure" (as defined in the Infrastructure Lease) immediately prior to the Expiry Date, excluding any "Infrastructure" which is removed or agreed to be removed in accordance with clause 16.1 of the Infrastructure Lease (which, for the avoidance of doubt, does not include any Extension Infrastructure or Other Extension Infrastructure (if any) as at the Expiry Date referred to in **clauses 8.7(a)(ii) and 8.7(a)(iii)**);
 - (ii) the Extension Infrastructure as at the Expiry Date; and
 - (iii) the Other Extension Infrastructure (if any) as at the Expiry Date.
- (b) If, within 30 Business Days after the Infrastructure Lessor gives a Notice referred to in **clause 8.7(a)** to Aurizon Network and the Trustee, Aurizon Network and/or the Trustee gives a written Notice to the Infrastructure Lessor which disputes the amount specified in such Notice, then any Party that gives that Notice may refer the dispute to an independent expert under the Infrastructure Lease Dispute Clause, for which purpose the procedure set out in the Infrastructure Lease Dispute Clause applies as if references to the parties to the Infrastructure Lease were instead references to the Infrastructure Lessor, the Trustee, Aurizon Network and each Other Funder (if any).
- (c) If:
- (i) Aurizon Network and/or an Other Funder gives a notice to the Infrastructure Lessor under a provision of an Other Integrated Network Deed which corresponds to **clause 8.7(b)** which disputes the amount specified in a notice given by the Infrastructure Lessor under a provision of an Other Integrated Network Deed which corresponds to **clause 8.7(a)**; and
 - (ii) Aurizon Network or the Other Funder (as applicable) exercises its right under a provision of the Other Integrated Network Deed which corresponds to **clause 8.7(b)** to refer the dispute to an independent expert under the Infrastructure Lease Dispute Clause,

then the procedure set out in the Infrastructure Lease Dispute Clause applies as if references to the parties to the Infrastructure Lease were instead references to the Infrastructure Lessor, the Trustee, Aurizon Network, the applicable Other Funder and each Other Funder (if any).

- (d) If:
- (i) Aurizon Network or the Trustee refers a dispute, under **clause 8.7(b)**, to an independent expert under the Infrastructure Lease Dispute Clause; and/or
 - (ii) Aurizon Network or an Other Funder refers a dispute, under a provision of an Other Integrated Network Deed which corresponds to **clause 8.7(b)**, to an independent expert under the Infrastructure Lease Dispute Clause,

then the Infrastructure Lessor, Aurizon Network, the Trustee and each Other Funder (if any) will be bound by the outcome of the resolution of the dispute under the procedure set out in the Infrastructure Lease Dispute Clause irrespective of whether or not they choose to actively participate in the dispute resolution process.

- (e) If Aurizon Network or the Trustee does not give the Infrastructure Lessor a written notice referred to in **clause 8.7(b)** within the time referred to in **clause 8.7(b)**, then:
- (i) Aurizon Network and the Trustee must not, and are not entitled to, dispute the fair market value that is set out in the notice given by the Infrastructure Lessor under **clause 8.7(a)**; and
 - (ii) Aurizon Network and the Trustee will not have, and must not make, any Claim against the Infrastructure Lessor in respect of its determination of that fair market value.

8.8 Determination of Percentage Shares

- (a) Promptly after the Expiry Date, Aurizon Network must give the Trustee and each Other Funder (if any) a Notice specifying the percentages which Aurizon Network determines to be Aurizon Network's, the Trustee's and each Other Funder's Percentage Share.
- (b) The Notice referred to in **clause 8.8(a)** must include reasonable details of the calculation of Aurizon Network's, the Trustee's and each Other Funder's (if any) Percentage Share.
- (c) Within ~~3045~~ Business Days after Aurizon Network gives a Notice referred to in **clause 8.8(a)** to the Trustee, the Trustee may give Aurizon Network a Dispute Notice which disputes the amount which Aurizon Network determines to be the Trustee's Percentage Share as specified in such Notice and provides reasonable details of the basis for such Dispute.
- (d) If the Dispute referred to in **clause 8.8(c)** is not resolved in accordance with **clause 13.3**, the Trustee may refer the Dispute to an Expert to determine under **clause 13.4** Aurizon Network's, the Trustee's and each Other Funder's (if any) Percentage Share.

~~(e) If the Trustee does not give Aurizon Network a Dispute Notice referred to in **clause 8.8(c)** within the time referred to in **clause 8.8(c)**, then:~~

- ~~(i) the Trustee must not give Aurizon Network a Dispute Notice which disputes Aurizon Network's, the Trustee's or an Other Funder's Percentage Share;~~
- ~~(ii) any such Dispute Notice which is given by the Trustee will be taken to be of no effect; and~~
- ~~(iii) the Trustee will not have, and must not make, any Claim against Aurizon Network in respect of such a Dispute.~~

8.9 Payment of Shares

- (a) The Infrastructure Lessor and Aurizon Network agree that if this **clause 8** applies, the Infrastructure Lessor's obligation to Aurizon Network under clause 16.2 of the Infrastructure Lease will be satisfied by the Infrastructure Lessor performing its obligation under this **clause 8.9**.
- (b) The Infrastructure Lessor and the Trustee agree that if this **clause 8** applies, the Infrastructure Lessor's obligation to the Trustee under clause **[12.2]** of the Extension Infrastructure Head-Lease will be satisfied by the Infrastructure Lessor performing its obligation under this **clause 8.9**.
- (c) Despite the terms of the Infrastructure Lease and the Extension Infrastructure Head-Lease:
 - (i) the Infrastructure Lessor, Aurizon Network and the Trustee each agree that Aurizon Network, the Trustee and each Other Funder (if any) are each entitled to be paid their Share by the Infrastructure Lessor in accordance with this **clause 8.9**; and
 - (ii) the Infrastructure Lessor agrees to pay Aurizon Network's, the Trustee's and each Other Funder's (if any) Share to them in accordance with this **clause 8.9**.
- (d) Aurizon Network must give a Notice to the Infrastructure Lessor (and a copy of such Notice to the Trustee and each Other Funder (if any)) notifying the Infrastructure Lessor of Aurizon Network's, the Trustee's and each Other Funder's (if any) Share not less than 30 Business Days, but not more than 40 Business Days, after:
 - (i) the Compensation Amount:
 - (A) is notified by the Infrastructure Lessor under **clause 8.7(a)**;
or
 - (B) if applicable, is agreed or determined in accordance with the procedure referred to in **clause 8.7(b)**; and
 - (ii) Aurizon Network's, the Trustee's and each Other Funder's (if any) Percentage Share:
 - (A) is notified by Aurizon Network under **clause 8.8(a)**; or
 - (B) if applicable, is agreed or determined in accordance with the Dispute Resolution Process.

- (e) Within ~~60~~30 Business Days after Aurizon Network gives the Infrastructure Lessor a Notice under **clause 8.9(d)**, the Infrastructure Lessor must pay (or procure payment of):
 - (i) the Trustee's Share to the Trustee;
 - (ii) Aurizon Network's Share to Aurizon Network; and
 - (iii) each Other Funder's Share to each Other Funder (if any),in each case, as notified by Aurizon Network in the Notice given under **clause 8.9(d)**.

9 Excluded Extension Infrastructure

9.1 Termination of Extension Infrastructure Head-Lease under clause 11.1, 11.3 or 11.4

- (a) If the Infrastructure Lessor exercises its right to terminate the Extension Infrastructure Head-Lease under clause 11.1, 11.3 or 11.4 of the Extension Infrastructure Head-Lease, the Infrastructure Lessor may, in the ~~n~~Notice of termination given to Aurizon Network and the Trustee under clause 11.1, 11.3 or 11.4 (as the case may be) of the Extension Infrastructure Head-Lease, nominate parts of the Extension Infrastructure (**Excluded Extension Infrastructure**) which the Infrastructure Lessor ~~proposes elects (in its absolute discretion)~~ to transfer to the Trustee (in the case of termination under clauses 11.1 or 11.4 of the Extension Infrastructure Head-Lease) or elects to transfer to Aurizon Network (in the case of termination under clause 11.3 of the Extension Infrastructure Head-Lease).
- (b) On receipt of the Notice referred to in clause 9.1(a), the Trustee, the Infrastructure Lessor and Aurizon Network agree to meet and negotiate in good faith within 10 Business Days of that date (unless this period is extended by agreement between those parties) with a view to those Parties agreeing on the parts of the Extension Infrastructure that will become Excluded Extension Infrastructure.
- (c) Following the conclusion of the consultation process under clause 9.1(b), the Trustee will promptly provide Aurizon Network and the Infrastructure Lessor a Notice detailing the Excluded Infrastructure which the Trustee elects (in its discretion) to have transferred to it in accordance with this clause 9.1.
- ~~(a)~~(d) With effect on the date of termination of the Extension Infrastructure Head-Lease under clause 11.1, 11.3 or 11.4 of the Extension Infrastructure Head-Lease:
 - (i) the Infrastructure Lessor hereby transfers to the Trustee (in the case of termination under clauses 11.1 or 11.4 of the Extension Infrastructure Head-Lease) or to Aurizon Network (in the case of termination under clause 11.3 of the Extension Infrastructure Head-Lease) all of the Infrastructure Lessor's right, title and

- interest in the Excluded Extension Infrastructure free from all Security Interests (other than Permitted Liens); and
- (ii) despite clause 11.6(a)(ii)(A) of the Extension Infrastructure Head-Lease, the Excluded Extension Infrastructure will not be deemed to be “Infrastructure” (as defined in the Infrastructure Lease) for the purpose of the Infrastructure Lease.

9.2 Termination under clause 11.5

- (a) If the Extension Infrastructure Head-Lease automatically terminates under clause 11.5 of the Extension Infrastructure Head-Lease, the Infrastructure Lessor may by notice given to Aurizon Network and the Trustee within 20 Business Days after the termination of the Extension Infrastructure Head-Lease, nominate parts of the Extension Infrastructure (**Excluded Extension Infrastructure**) which the Infrastructure Lessor ~~elects (in its absolute discretion) to transfer~~ proposes to transfer to the Trustee.
 - (b) receipt of the Notice referred to in clause 9.2(a), the Trustee, the Infrastructure Lessor and Aurizon Network agree to meet and negotiate in good faith within 10 Business Days of that date (unless this period is extended by agreement between those parties) with a view to those parties agreeing on the parts of the Extension Infrastructure that will become Excluded Extension Infrastructure.
 - (c) Following the conclusion of the consultation process under clause 9.2(b), the Trustee will promptly provide Aurizon Network and the Infrastructure Lessor a Notice detailing the Excluded Infrastructure which the Trustee elects (in its discretion) to have transferred to it in accordance with this clause 9.2.
- (a)(d) With effect on the date the Infrastructure Lessor gives a Notice to Aurizon Network and the Trustee under **clause 9.2(a)**:
- (i) the Infrastructure Lessor hereby transfers to the Trustee all of the Infrastructure Lessor’s right, title and interest in the Excluded Extension Infrastructure free from all Security Interests (other than Permitted Liens); and
 - (ii) despite clause 11.6(a)(ii)(A) of the Extension Infrastructure Head-Lease, the Excluded Extension Infrastructure will cease to be “Infrastructure” (as defined in the Infrastructure Lease) for the purpose of the Infrastructure Lease.

9.3 Exercise of right of ~~election~~**proposal**

- (a) In exercising its right ~~of election~~ under **clause 7.4(a), 8.5(a), 9.1(a) or 9.2(a)** to nominate parts of the Extension Infrastructure which ~~is~~ are proposed to be transferred to the Trustee or Aurizon Network (as applicable), the Infrastructure Lessor may only nominate parts of the Extension Infrastructure if, as a consequence of the exercise of ~~that the~~ right of election of the Trustee under clause 7.4(c), 8.5(c), 9.1(c) or 9.2(c), the “Infrastructure” (as defined under the Infrastructure Lease)

remaining after the transfer of the Excluded Extension Infrastructure as a consequence of the exercise of that right of election will not (in the Infrastructure Lessor's absolute discretion) cease to be reasonably capable of being operated as a fully functioning railway network.

- (b) The Trustee and Aurizon Network:
 - (i) must not give the Infrastructure Lessor a Dispute Notice which disputes the Extension Infrastructure nominated by the Infrastructure Lessor in the exercise of its right ~~of election~~ under **clause 7.4(a), 8.5(a), 9.1(a) or 9.2(a)**;
 - (ii) any such Dispute Notice which is given by the Trustee or Aurizon Network will be taken to be of no effect; and
 - (iii) will not have, and must not make, any Claim against the Infrastructure Lessor in respect of the Extension Infrastructure nominated by the Infrastructure Lessor in the exercise of its right of ~~election-proposal~~ under **clause 7.4(a), 8.5(a), 9.1(a) or 9.2(a)**.

9.4 Excluded Extension Infrastructure land use rights

- (a) If the ~~Infrastructure Lessor Trustee~~ exercises its right of election under **clause 7.4(a) or 8.5(a) 7.4(c), 8.5(c), 9.1(c) or 9.2(c)**, then the Infrastructure Lessor will ~~seek to~~ facilitate the Trustee in its endeavours to procure from the State the grant of proprietary or contractual rights in, over or in respect of Rail Corridor Land on, under or above which the Excluded Extension Infrastructure is situated which are reasonably required to enable:
 - (i) the Excluded Extension Infrastructure to be operated by the Trustee; and
 - (ii) access to, and the management, operation, repair, maintenance, alteration, modification, change and replacement of, the Excluded Extension Infrastructure by the Trustee,to, or for the benefit of, the Trustee which is:
 - (iii) for nominal consideration;
 - (iv) for a term which commences on, or as soon as reasonably practicable after, the Infrastructure Lease End Date and ceases on the earlier of:
 - (A) the end of the "Term" as defined under the Infrastructure Lease, excluding any extension of that Term which had not commenced as at the Infrastructure Lease End Date; and
 - (B) if:
 - (1) third party access to the Excluded Extension Infrastructure is regulated under State or Commonwealth legislation, the last day of the period during which regulated returns on the Excluded Extension Infrastructure may be earned; or

- (2) third party access to the Excluded Extension Infrastructure is not regulated under State or Commonwealth legislation, the expiry of the economic life of the Excluded Extension Infrastructure, as determined in each case by the Infrastructure Lessor following consultation with the Trustee; and
- (v) on other commercial terms which are consistent with standard practices for the provision of land use rights by the State for rail transport infrastructure corridors as at the time of the granting of those rights.

Industry Note: Clause 9.4(b) (deleted)

This clause has been deleted because if the proprietary or contractual rights to the rail corridor land are not secured from the State by the Trustee, the Trustee will have rights to the Excluded Extension Infrastructure but not the land on which it is situated. This is not a tenable situation for the Trustee. Given that tenure for rail corridor land currently exists and sits with Aurizon Network, an inequitable position would arise for the Trustee. There should be more assurance in this provision that these rights will be obtained by the Trustee, hence the changes.

~~(b) — The Trustee acknowledges that the Infrastructure Lessor is not in a position to ensure or procure that the State provides proprietary or contractual rights of the kind referred to above.~~

10 Other Integrated Network Deed

The State Parties and Aurizon Network:

- (a) warrant that each Other Integrated Network Deed entered into as at the date of this Deed contains; and
- (b) agree that each Other Integrated Network Deed entered into after the date of this Deed will contain,

provisions which are of substantially the same effect as this **clause 10** and **clauses 7, 8, 9** and **13** and **schedule 3**.

11 Payments under this Deed

11.1 Interest on overdue payments

- (a) If, for any reason, a Party does not pay an amount payable under ~~or in connection with~~ this Deed on or before the due date for payment, it must pay interest to the other Party (who is entitled to receive the payment).
- (b) Interest will accrue on the outstanding amount from the due date for payment until that amount, together with the interest thereon, has been paid.
- (c) Interest will be calculated at the Interest Rate, and any interest accrued but unpaid at the end of each Month will be capitalised and will thereafter itself bear interest.

11.2 Method of payment

All payments to be made under or in connection with this Deed must be paid in Australian currency, without set-off or deduction, by:

- (a) electronic payment to an account nominated by the Party entitled to receive the payment; or
- (b) such other method as the Party entitled to receive the payment may reasonably require from time to time.

12 No rights of termination

- (a) Despite any rule of law or equity to the contrary, no Party may terminate, rescind or treat as repudiated, or obtain any order with the effect of terminating or rescinding, this Deed.
- (b) Nothing in this **clause 12** prejudices in any way a Party's right to claim and recover damages for any breach of this Deed by another Party.

13 Disputes

13.1 Application

- (a) This **clause 13** applies to any Claim, dispute or question that arises under or in respect of ~~clause 7.7(b) or 8.8(c) this Deed (Dispute), in which case, the Parties to the Dispute will be taken to be the Trustee and Aurizon Network.~~
- (b) Unless otherwise expressly provided to the contrary in this Deed, a Dispute must be resolved in accordance with this **clause 13**.

Industry Note: Clause 13.1

This change has been made because the Trustee and Aurizon Network should be permitted to bring a dispute against the State Parties. Under the original drafting of this provision, this is restricted.

13.2 Dispute Notice

If a Dispute arises, any Party to the Dispute may give to each other Party to the Dispute a notice in writing (**Dispute Notice**) specifying reasonable details of the Dispute and referring it for resolution in accordance with this **clause 13**.

13.3 Senior executive resolution

- (a) Within ten Business Days after the giving of a Dispute Notice, the Dispute must be referred in the first instance to the chief executive officer (or equivalent) of each Party to the Dispute (or his or her nominee) for the purposes of this **clause 13.3** for resolution.
- (b) If the Dispute is not resolved within ten Business Days after the referral under **clause 13.3(a)**, or in the event that a chief executive officer (or equivalent) appoints a nominee that is unacceptable to any other Party to the Dispute, then the Dispute:

- (i) must, where this Deed expressly requires or permits referral to an expert; and
- (ii) may, by agreement of the Parties to the Dispute in any other case, be referred for resolution by an expert (**Expert**) in accordance with **clause 13.4**.

13.4 Expert determination

Where any matter is referred to an Expert pursuant to **clause 13.3** then the following provisions of this **clause 13.4** will apply:

- (a) an Expert must be appointed by agreement between the Parties to the Dispute, or in default of such appointment within ten Business Days of the requirement or right (as applicable) to refer the matter to an Expert, then that person is to be nominated at the request of any Party to the Dispute by:
 - (i) where the Parties to the Dispute agree the Dispute is purely of a financial or accounting nature, the President (for the time being) of The Institute of Chartered Accountants in Australia – Queensland Branch; and
 - (ii) in any other case, the President (for the time being) of the Queensland Law Society, Inc;
- (b) if the Expert is to be nominated by a person referred to in **clause 13.4(a)** and that person declines to nominate a person as the Expert but provides a list of people that could be appointed as the Expert:
 - (i) the first person specified in that list will be taken to be nominated as the Expert;
 - (ii) if the first person specified in that list does not accept the appointment as the Expert, the next person specified in that list will be taken to be the first person specified in that list and will be nominated as the Expert; and
 - (iii) the process specified in **clause 13.4(b)(ii)** will apply to the next and each subsequent person specified in that list until a person that is taken to be nominated as the Expert accepts the appointment as the Expert;
- (c) subject to **clause 13.4(b)**, if the Expert is to be nominated by a person referred to in **clause 13.4(a)** and the person nominated as the Expert does not accept the appointment as the Expert, then an alternative person is to be nominated as the Expert at the request of any Party to the Dispute by the same person referred to in **clause 13.4(a)**;
- (d) if the Expert is to be nominated by a person referred to in **clause 13.4(a)**, the Parties to the Dispute must comply with, and do all things necessary to satisfy and to give effect to, the reasonable requirements of that person (including providing relevant indemnities and paying any charges or fees (which charges or fees will be borne

equally by the Parties to the Dispute)) that must be satisfied or complied with as a condition of that person agreeing to nominate an Expert;

- (e) the Parties to the Dispute must comply with, and do all things necessary to satisfy and to give effect to, the reasonable requirements of an agreed or nominated Expert (including providing relevant indemnities and paying any charges or fees (which charges or fees will be borne equally by the Parties to the Dispute)) that must be satisfied or complied with as a condition of that person accepting the appointment as an Expert; and
- (f) the Expert must:
 - (i) have appropriate qualifications and practical experience having regard to the nature of the Dispute;
 - (ii) have no interest or duty which conflicts or may conflict with his or her function as Expert, he or she being required to fully disclose any such interest or duty by written notice to the Parties to the Dispute before his or her appointment;
 - (iii) not be, or have been in the last five years, an employee of a Party or a Preference Unit Holder or a Related Body Corporate of a Party or a Preference Unit Holder;
 - (iv) not be permitted to act until he or she has given written notice to the Parties to the Dispute that he or she is willing and able to accept the appointment;
 - (v) have regard to the provisions of this Deed and consider all submissions (including oral submissions by a Party to the Dispute provided that such oral submissions are made in the presence of the other Parties to the Dispute), supporting documentation, information and data with respect to the matter submitted by the Parties to the Dispute;
 - (vi) provide the Parties to the Dispute with a copy of his or her determination in the form of a report setting out reasonable details of the reasons for the Expert's determination within a reasonable time after his or her appointment;
 - (vii) be required to undertake to keep confidential all matters coming to his or her knowledge by reason of his or her appointment and performance of his or her duties (including, if required by a Party, by entering into a confidentiality agreement in favour of the Parties); and
 - (viii) be deemed to be and act as an expert and not an arbitrator and the law relating to arbitration (including, without limitation, the *Commercial Arbitration Act 1990* (Qld)), will not apply to him or her or the determination or the procedures by which he or she may reach a determination.

13.5 Parties to assist Expert

The Parties to a Dispute must do everything reasonably requested by the Expert to assist the Expert in determining the Dispute, including producing information and materials requested by the Expert and attending any hearing convened by the Expert.

13.6 Decision of Expert

In the absence of manifest error, the decision of the Expert is final and binding upon the Parties to the Dispute.

13.7 Costs

- (a) The costs of the Expert and any advisers engaged by the Expert will be borne equally by the Parties to the Dispute.
- (b) Each Party to the Dispute will bear its own legal costs and the costs of any advisers to it in respect of the Dispute Resolution Process under this **clause 13**.

13.8 Determination by Court

If any Dispute is not otherwise resolved in accordance with this **clause 13**, then the Dispute may, subject to **clause 20**, be referred by a Party to the Dispute to a court.

13.9 Injunctive relief

Nothing in this Deed will prevent a Party from seeking urgent injunctive relief from a court.

13.10 Disputes involving Aurizon Network, Trustee and Other Funders

If:

- (a) a Dispute arises under, or in respect of, **clause 7.7(b)** or **8.8(c)**; or
- (b) a "Dispute" (as defined under an Other Integrated Network Deed) arises under, or in respect of, a corresponding provision of the Other Integrated Network Deed (also a Dispute for the purposes of this **clause 13.10**),

then:

- (c) as applicable:
 - (i) Aurizon Network or the Trustee must join all (for the avoidance of doubt, not only some) of the Other Funders to the Dispute Resolution Process under this Deed; or
 - (ii) Aurizon Network or an Other Funder may join the Trustee and all Other Funders (for the avoidance of doubt, not only some) to the Dispute Resolution Process under the Other Funder's Other Integrated Network Deed;
- (d) Aurizon Network, the Trustee and all Other Funders will be bound by, and must comply with, the Dispute Resolution Process under this Deed or the Other Integrated Network Deed (as applicable) as if they were

parties (if they are not already parties) to this Deed or the Other Integrated Network Deed (as applicable); and

- (e) Aurizon Network, the Trustee and all Other Funders will be bound by the outcome of the resolution of the Dispute irrespective of whether or not they choose to actively participate in the Dispute Resolution Process (whether under this Deed or an Other Integrated Network Deed).

14 Confidentiality

14.1 General obligations

Each Party must keep confidential and not allow, make or cause any disclosure of or in relation to this Deed without the prior written consent of each other Party, which consent may be given or withheld, or given with conditions, in each other Party's sole discretion.

14.2 Exceptions

A Party's obligations in **clause 14.1** do not apply to disclosures to the extent that the disclosure is:

- (a) by that Party to its legal or other professional advisers, auditors or other consultants, or employees of that Party or that Party's Related Bodies Corporate or shareholders, to the extent that those persons require the information for the purposes of this Deed (or any transactions contemplated by it) or for the purpose of advising that Party in relation thereto;
- (b) of information which is at the time lawfully in the possession of the proposed recipient of the information;
- (c) required by law or by a lawful requirement of any Governmental Agency or recognised stock exchange having jurisdiction over that Party or its Related Bodies Corporate or where such disclosure is determined by the Trustee as reasonably required for administration of the Trust;
- (d) required in connection with legal proceedings, arbitration or expert determination relating to this Deed or for the purpose of advising that Party in relation thereto;
- (e) of information which is at the time generally and publicly available other than as a result of breach of confidence by that Party;
- (f) necessary or commercially desirable to a bona fide proposed or prospective assignee or transferee, in which case that Party must, if requested by any other Party, procure that the proposed recipient of the information executes a confidentiality deed in favour of the other Party prior to the disclosure of that information;
- (g) necessary or commercially desirable to an existing or bona fide proposed or prospective financier of Aurizon Network or a State Party, in which case that Party must, if requested by any other Party, procure that

the proposed recipient of the information executes a confidentiality deed in favour of the other Party prior to the disclosure of that information;

- (h) by a State Party to the other State Party, the State or any Minister of the Crown in right of the State or any of its agencies or instrumentalities; or
- (i) by the Trustee to a Preference Unit Holder, an advisor of a Unit Holder or a financier or prospective financier of a Preference Unit Holder, provided that the Trustee first procures that the proposed recipient of the information executes a confidentiality deed in favour of the State Parties and Aurizon Network (on terms reasonably acceptable to them) prior to the disclosure of the information; and
- (j) to an Other Funder or a prospective Other Funder or their advisors (provided that the Aurizon Network first procures that the prospective Other Funder or their advisors executes a confidentiality deed in favour of the State Parties, the Trustee and Aurizon Network (on terms reasonably acceptable to them) prior to the disclosure of the information).

15 GST

15.1 GST to be added to amounts payable

If GST is payable on a Taxable Supply made under, by reference to or in connection with this Deed, the Party providing the Consideration for that Taxable Supply must also pay the GST Amount as additional Consideration. This **clause 15** does not apply to the extent that the Consideration for the Taxable Supply is expressly stated to be GST inclusive.

15.2 Liability net of GST

Any reference in the calculation of Consideration, or any indemnity, reimbursement or similar amount, to a cost, expense or other liability incurred by a Party, must exclude the amount of any Input Tax Credit entitlement of that Party in relation to the relevant cost, expense or other liability. A Party will be assumed to have an entitlement to a full Input Tax Credit unless it demonstrates otherwise prior to the date on which the Consideration must be provided.

15.3 Timing of payment of GST Amount

The GST Amount is payable on the earlier of:

- (a) the first date on which all or any part of the Consideration for the Taxable Supply is first provided; and
- (b) the date five Business Days after the date on which an Invoice is issued in relation to the Taxable Supply.

The GST Amount is not payable until a Tax Invoice is issued to the payer of the GST Amount.

15.4 Revenue exclusive of GST

Unless otherwise stated, any reference in this Deed to price, value, sales, revenue or a similar amount (**Revenue**), is a reference to that Revenue exclusive of GST.

15.5 Cost exclusive of GST

Unless otherwise stated, any reference in this Deed (other than in the calculation of Consideration) to cost, expense or other similar amount (**Cost**), is a reference to that Cost exclusive of GST.

15.6 Adjustment Event

If an Adjustment Event occurs in respect of a Taxable Supply described in this **clause 15**, an adjustment must be made to any amount paid pursuant to this **clause 15**. The supplier must issue an Adjustment Note for an Adjustment Event.

15.7 GST Group

If a Party is a member of a GST Group, references to GST which the Party must pay and to Input Tax Credits to which that Party is entitled, include GST which the representative member of the GST Group must pay and Input Tax Credits to which the representative member of the group is entitled.

15.8 Non-monetary consideration

If a supply made under this Deed is a Taxable Supply made for non-monetary consideration, then:

- (a) the Supplier must provide the Recipient with a Tax Invoice which states the GST inclusive market value of that non-monetary consideration; and
- (b) for the avoidance of doubt, any non-monetary consideration payable under or in connection with this Deed is GST inclusive.

15.9 Definitions

- (a) Words or expressions used in this **clause 15** which are defined in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) and related imposition Acts or, if not so defined, then which are defined in the *Consumer and Competition Act 2010* (Cth), have the same meaning in this **clause 15** unless expressly provided otherwise in **clause 1.1**.
- (b) **GST Amount**, in relation to a Taxable Supply, means the amount of GST payable in respect of that Taxable Supply.

16 Assignment

16.1 Assignment

Subject to **clauses 16.2, 16.3, 16.4** and **16.5**, a Party must not assign, transfer, mortgage, charge, make the subject of a trust or otherwise deal with or encumber all or any of its rights or obligations under this Deed (or procure

or permit any of those things) without the prior written consent of each other Party.

16.2 Assignment by Land Lessor

- (a) Provided the Land Lessor gives each of the Trustee and Aurizon Network prior notice, ~~F~~the Land Lessor may assign and transfer all (and not part only) of its rights and obligations under this Deed to a person to whom it assigns or transfers at the same time all (but not part only) of its right, title and interest in the Rail Corridor Land and its rights and obligations under the Land Lease, being a person that is the State or is owned or controlled by the State, provided that such assignment is subject to the condition that, if the assignee (not being the State) ceases to be owned or controlled by the State, those rights and obligations must, on or prior to that cessation, be assigned and transferred to the State or a person that is owned or controlled by the State. Any such assignee must execute a deed under which the assignee undertakes to the Parties to be bound by the terms of this Deed (including in respect of any accrued obligations) as if it were the Land Lessor.

Industry Note: Clause 16.2(a)

The Land Lessor should be required to provide the Trustee and Aurizon Network with prior notice before an assignment of the rail corridor land. This provision is deliberately vague about the timing of the provision of such notice to allow some flexibility for the Land Lessor in determining when to send such notice.

- (b) The Land Lessor must not assign or transfer its rights and obligations under the Land Lease unless it assigns and transfers, at the same time and to the same person, all of its rights and obligations under this Deed.

16.3 Assignment by Infrastructure Lessor

- (a) Provided the Infrastructure Lessor gives each of the Trustee and Aurizon Network prior notice, ~~F~~the Infrastructure Lessor may assign and transfer all (and not part only) of its rights and obligations under this Deed to a person to whom it assigns or transfers at the same time all (but not part only) of its right, title and interest in the Extension Infrastructure and the "Infrastructure" (as defined under the Infrastructure Lease) and its rights and obligations under the Extension Infrastructure Head-Lease and the Infrastructure Lease, being a person that is the State or is owned or controlled by the State, provided that such assignment is subject to the condition that, if the assignee (not being the State) ceases to be owned or controlled by the State, those rights and obligations must, on or prior to that cessation, be assigned and transferred to the State or a person that is owned or controlled by the State. Any such assignee must execute a deed under which the assignee undertakes to the Parties to be bound by the terms of this Deed (including in respect of any accrued obligations) as if it were the Infrastructure Lessor.

Industry Note: Clause 16.3(a)

Please see the Industry Note for clause 16.2(a), as the reason for the change to that provision similarly applies here.

- (b) The Infrastructure Lessor must not assign or transfer its rights and obligations under the Infrastructure Lease unless it assigns and transfers, at the same time and to the same person, all of its rights and obligations under this Deed.

16.4 Assignment by Aurizon Network

- (a) Aurizon Network may assign and transfer all (and not part only) of its rights and obligations under this Deed to another person provided that:
 - (i) Aurizon Network also assigns and transfers at the same time to the proposed transferee:
 - (A) if Aurizon Network is an "Ordinary Unit Holder", its "Ordinary Unit" (each as defined in the Unit Holders Deed) in accordance with the requirements of the Unit Holders Deed;
 - (B) all of Aurizon Network's rights and obligations under the Sublease, the Land Licence and the other Transaction Documents (other than, if Aurizon Network is a Preference Unit Holder, Aurizon Network's Preference Units and its rights and obligations as a Preference Unit Holder under the Unit Holders Deed), in accordance with the requirements of the Transaction Documents;
 - (C) all of Aurizon Network's rights and obligations under the Land Lease, in accordance with the requirements of the Land Lease;
 - (D) all of Aurizon Network's rights and obligations under the Infrastructure Lease, in accordance with the requirements of the Infrastructure Lease; and
 - (E) all of Aurizon Network's rights and obligations under the Extension Infrastructure Head-Lease, any Other Extension Infrastructure Head-Lease, any Other Integrated Network Deed and any "Sublease" and any "Land Licence" (as defined in an Other Integrated Network Deed); and
 - (ii) the proposed transferee has provided to each other Party a duly executed deed, in a form reasonably required by the other Parties, under which the proposed transferee undertakes to each other Party to assume the rights, and be bound by the obligations, of Aurizon Network under this Deed as if it were Aurizon Network.
- (b) Aurizon Network must not:
 - (i) if Aurizon Network is an "Ordinary Unit Holder", transfer its "Ordinary Unit" (each as defined in the Unit Holders Deed);
 - (ii) assign or transfer any of Aurizon Network's rights and obligations under any Sublease, the Land Licence or the other Transaction Documents (other than, if Aurizon Network is a Preference Unit Holder, Aurizon Network's Preference Units and its rights and

obligations as a Preference Unit Holder under the Unit Holders Deed);

- (iii) assign or transfer any of Aurizon Network's rights and obligations under the Land Lease;
- (iv) assign or transfer any of Aurizon Network's rights and obligations under the Infrastructure Lease; or
- (v) assign or transfer any of Aurizon Network's rights and obligations under the Extension Infrastructure Head-Lease, any Other Extension Infrastructure Head-Lease, any Other Integrated Network Deed or any "Sublease" or "Land Licence" (as defined in an Other Integrated Network Deed),

to a proposed transferee unless:

- (vi) Aurizon Network also assigns and transfers at the same time to the proposed transferee:
 - (A) if Aurizon Network is an "Ordinary Unit Holder", its "Ordinary Unit" (each as defined in the Unit Holders Deed) in accordance with the requirements of the Unit Holders Deed;
 - (B) all of Aurizon Network's rights and obligations under any Sublease, any Land Licence and the other Transaction Documents (other than, if Aurizon Network is a Preference Unit Holder, Aurizon Network's Preference Units and its rights and obligations as a Preference Unit Holder under the Unit Holders Deed and as a "Unit Holder" under its "Umbrella Agreement" (each as defined in the Unit Holders Deed)), in accordance with the requirements of the Transaction Documents;
 - (C) all of Aurizon Network's rights and obligations under the Land Lease, in accordance with the requirements of the Land Lease;
 - (D) all of Aurizon Network's rights and obligations under the Infrastructure Lease, in accordance with the requirements of the Infrastructure Lease;
 - (E) all of Aurizon Network's rights and obligations under this Deed; and
 - (F) all of Aurizon Network's rights and obligations under the Extension Infrastructure Head-Lease, any Other Extension Infrastructure Head-Lease, any Other Integrated Network Deed and any "Sublease" and any "Land Licence" (as defined in an Other Integrated Network Deed); and
- (vii) the proposed transferee has provided to each other Party a duly executed deed, in a form reasonably required by the other Parties, under which the proposed transferee undertakes to each other

Party to assume the rights, and be bound by the obligations, of Aurizon Network under this Deed as if it were Aurizon Network.

- (c) If the Infrastructure Lessor, the Trustee and an assignee from Aurizon Network enter into a "Transferee Extension Infrastructure Head-Lease" (as defined in the Extension Infrastructure Head-Lease) under clause [15.2(fe)] of the Extension Infrastructure Head-Lease, the Parties will be deemed to have entered into a deed on the same terms and conditions as this Deed (**Transferee Integrated Network Deed**) with effect on and from the date that such "Transferee Extension Infrastructure Head-Lease" (as defined in the Extension Infrastructure Head-Lease) is entered into.
- (d) Upon a Transferee Integrated Network Deed taking effect:
 - (i) The "Transferee Extension Infrastructure Head-Lease" (as defined in the Extension Infrastructure Head-Lease) will be deemed to be the "Extension Infrastructure Head-Lease" for the purposes of the Transferee Integrated Network Deed; and
 - (ii) the Transferee Integrated Network Deed will be deemed to be an Other Integrated Network Deed for the purposes of this Deed; and
 - (iii) the "Transferee Extension Infrastructure Head-Lease" (as defined in the Extension Infrastructure Head-Lease) will be deemed to be an Other Extension Infrastructure Head-Lease for the purposes of this Deed.
- (e) Upon a "Transferee Integrated Network Deed" (as defined in an Other Integrated Network Deed) taking effect under a provision of the Other Integrated Network Deed which corresponds with **clause 16.4(c)**:
 - (i) the "Transferee Integrated Network Deed" (as defined in the Other Integrated Network Deed) will be deemed to be an Other Integrated Network Deed for the purpose of this Deed;
 - (ii) the agreement which is deemed to be the "Extension Infrastructure Head-Lease" for the purposes of the "Transferee Integrated Network Deed" (as defined in the Other Integrated Network Deed) will be deemed to be an Other Extension Infrastructure Head-Lease for the purposes of this Deed.

16.5 Assignment by Trustee

- (a) If the Trustee is replaced by a new trustee of the Trust, the Trustee must, with effect upon the appointment of the new trustee of the Trust, assign and transfer all (and not part only) its rights and obligations under this Deed, the Extension Infrastructure Head-Lease, the Sublease and the Land Licence and any other Transaction Document to the new trustee of the Trust.
- (b) The Trustee must not otherwise assign or transfer any of its rights and obligations under this Deed.

18 Warranties

18.1 Warranties

- (a) Each Party (other than the Land Lessor) warrants that:
- (i) it is a corporation validly existing under the laws applicable to it; and
 - (ii) it is able to pay its debts as and when they fall due.
- (b) Each Party warrants that:

18.2 Trustee warranties

- (b) it is the sole trustee of the Trust and no action has been taken to remove or replace the Trustee as trustee of the Trust; and
- (c) it has the right to be fully indemnified out of the assets of the Trust in respect of all its obligations under this Deed, and the Trustee has not done or omitted to do anything that would result in its right of indemnity being restricted or limited in any way.

18.3 Reliance

- (a) Each Party acknowledges that each other Party has entered into this Deed in reliance upon the warranties contained in **clause 18.1**.
- (b) The Trustee acknowledges that the other Parties have entered into this Deed also in reliance upon the warranties contained in **clause 18.2**.

19 General

19.1 Entire agreement

- (a) This Deed contains the entire understanding between the Parties as to its subject matter.
- (b) This Deed sets out the only conduct relied on by the Parties and supersedes all prior agreements and undertakings between the Parties in connection with its subject matter.

19.2 No waiver

No failure to exercise nor any delay in exercising any right, power or remedy under this Deed by a Party operates as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the Party granting that waiver unless made in writing.

19.3 Rights cumulative

Subject to any express provision in this Deed to the contrary, the rights, powers and remedies of a Party under this Deed are cumulative and are in addition to, and do not exclude or limit, any right, power or remedy provided by law or equity or by any other agreement.

19.4 Amendment

No amendment or variation of this Deed is valid or binding on a Party unless made in writing and executed by all Parties.

19.5 Further assurance

Each Party must do everything (including executing agreements and documents) necessary or reasonably required by any other Party to give full effect to this Deed and the transactions contemplated by it.

19.6 No merger

The rights and obligations of the Parties will not merge on the completion of any transaction contemplated by this Deed. They will survive execution and delivery of any assignment or other document entered into for the purpose of implementing any such transaction.

19.7 Severability of provisions

Any provision of this Deed that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this Deed nor affect the validity or enforceability of that provision in any other jurisdiction.

19.8 Trustee's limitation of liability

- (a) The Parties acknowledge that the Trustee enters into this Deed in its capacity only as trustee of the Trust, and in no other capacity (other than in respect of the warranties in relation to trustee capacity in **clause 18.2** which are given by the Trustee in its personal capacity).
- (b) A liability of the Trustee arising under or in connection with this Deed is limited to and can be enforced against the Trustee in its capacity as trustee of the Trust only to the extent to which the Trustee is entitled to be indemnified out of the Trust for the liability and the liability can be satisfied out of property of the Trust.
- (c) The limitation of liability in this **clause 19.8** will not apply to any liability of the Trustee in its capacity as trustee of the Trust to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Trustee's right of indemnity as a result the Trustee committing fraud, "Gross Negligence" or "Wilful Default" (each as defined in the Trust Deed).
- (d) The Trustee must not amend the Trust Deed in any way that might reduce the scope of its entitlement to indemnity out of the Trust as specified in clause 17.3 of the Trust Deed as that provision stands at the date of the Trust Deed.

19.9 Consents

Except as expressly stated otherwise in this Agreement, a Party may conditionally or unconditionally give or withhold any consent to be given under this Deed and is not obliged to give its reasons for doing so.

19.10 Counterparts

This Deed may consist of a number of counterparts and, if so, the counterparts taken together constitute one document.

19.11 Relationship of Parties

This Deed is not intended to create a partnership, joint venture or agency relationship between the Parties.

19.12 Survival of representations and warranties

All representations and warranties in this Deed will survive the execution and delivery of this Deed and the completion of the transactions contemplated by it.

19.13 Enurement

The provisions of this Deed will, subject as otherwise provided in this Deed, enure for the benefit of and be binding on the Parties and their respective successors and permitted novatees and assigns.

19.14 Powers of attorney

An attorney by executing this Deed declares that he or she has received no notice of revocation of the power of attorney pursuant to which he or she executes this Deed.

19.15 Legal costs

- (a) Aurizon Network and the Trustee must each pay their own legal costs and expenses of the drafting, negotiating and execution of this Deed.
- (b) The Trustee must pay and, if paid by a State Party, reimburse the State Party for, its reasonable legal costs and expenses of the drafting, negotiating and execution of this Deed.

19.16 Consequential Loss

Despite any provision of this Deed, no Party will be liable to any other Party for any Consequential Loss suffered by or Claimed against that other Party.

20 Governing law and jurisdiction

- (a) This Deed is governed by the laws of the State of Queensland.
- (b) Each Party irrevocably and unconditionally submits to the ~~non~~-exclusive jurisdiction of the courts of Queensland and courts of appeal from them for determining any dispute concerning this Deed. Each Party waives any right it has to object to an action being brought in those courts, to claim that the action has been brought in an inconvenient forum, or to claim that those courts do not have jurisdiction.
- (c) The Parties agree that none of them will institute or attempt to institute any proceedings in relation to any dispute or any matter or thing arising out of or in connection with this Deed other than in a court in Queensland or, in respect of any proceedings in a Federal court, in the

Brisbane registry of the relevant Federal court. A Party must not, without the consent of all other Parties, request that proceedings instituted in a Federal court in Queensland be heard outside Queensland.

- (d) Without preventing any other mode of service, any document in an action (including any writ of summons or other originating process or any third or other party notice) may be served on a Party by being delivered to that Party in accordance with **clause 17**.

21 Duty

The Trustee and Aurizon Network must pay and indemnify and keep indemnified the State Parties against any liabilities for stamp, transaction, registration and similar taxes (including fines and penalties resulting from delay or omission to pay such taxes, where such delay or omission is a result of the action or inaction of the Trustee or Aurizon Network) which may be payable in relation to this Deed or the performance or enforcement of this Deed or any payment or receipt or other transaction contemplated by it (other than in respect of any assignment or transfer of the rights or obligations of the Land Lessor or Infrastructure Lessor contemplated by **clause 16**). The obligation of the Trustee and Aurizon Network under this **clause 21** binds them separately and together.

Share calculation methodology

1 Calculation of Percentage Shares of Disposal Amount

Drafting note: Percentage Share for Sharing Party of the Disposal Amount will be calculated in accordance with the following methodology.

Sharing Party means each of Aurizon, the Trustee and each Other Funder.

The **Percentage Share** of each Sharing Party shall be

(a) the 'Discounted Value' (as defined below) of the cashflows that would have related to that Sharing Party under the SUFA documentation that relates to it had no early termination event occurred and had the 'Reference Case' (also as defined below) occurred, divided by

(b) the aggregate of the amounts in item (a) for all Sharing Parties,

as determined on a fair and reasonable basis.

Discounted Value means the discounted value on the basis of the Reference Discount Rate as determined at the Reference Point.

Reference Case means the case of expected (future) pre-tax cashflows, which shall comprise revenues and operational & maintenance expenses and replacement capital outgoings only, that would arise from the conduct of 'business as usual' commencing from the 'Reference Point' (as defined below) and ending when such revenue and O&M expenses are expected to end (that is, this case represents what would have happened in the absence of the early termination event), subject to the overriding assumption that no augmentation of the Railway Network would occur. -In the development of the Reference Case there should only be regard to the state of affairs known as at the date of the Reference Point.

Reference Discount Rate means the discount rate equal to the 'central case' rate of return (on a pre-tax basis) for comparable net income streams from comparable infrastructure assets (on an ungeared basis) applied in good valuation practice of Australian infrastructure assets on the basis of a transfer of ownership of such net income streams within markets where there are willing buyers and willing sellers. -The Reference Discount Rate shall be determined as at the Reference Point.

Reference Point means the date on which the Infrastructure Lease terminates.]

2 Calculation of Percentage Shares of Compensation Amount

[Drafting note: The Percentage Share for each Sharing Party of the Compensation Amount will be the proportion of the aggregate market value that relates to the assets that were funded by the applicable Sharing Party and are in place as at the date on which the Infrastructure Lease expires, as determined on a fair and reasonable basis. **Sharing Party** means each of Aurizon, the Trustee and each Other Funder.]
