3.3 Extension Land

- (a) A Party (**Proposing Party**) may notify the other Party (**Non-Proposing Party**) of a proposal to vary the area of the Extension Land (**Proposed Variation**) (which proposal must include details of the variation, the reasons for the variation and any alternatives to that variation) except

 - (A) must not act or omit to act or permit, cause or contribute to any act or omission which:
 - (1) is a breach of the Sublease or necessarily and inevitably causes a breach of the Sublease; or

- (2) causes (directly or indirectly) the Landholder to incur any costs or expenses in complying with the Sublease that the Landholder would not otherwise have incurred (except for any costs or expenses which the Landholder could have reasonably avoided or mitigated);
 - (B) acknowledges:
 - (1) DTMR's right to exercise any right or power held by the Landholder; and
 - (2) the rights of DTMR under the Sublease and that the Trustee's rights under this Agreement are subject to and subordinate to the rights of DTMR,

- (e) The Landholder covenants with the Trustee that the Landholder will comply with its obligations under the Sublease except that it will not be in default of this provision where a failure to comply is the result of the Trustee failing to comply with any of its obligations under the Transaction Documents.

- (b) The Parties acknowledge that, as between them:

- (c) The limitation of liability in this **clause 9.2** will not apply to any liability of the Trustee to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Trustee's right of indemnity as a result of the Trustee committing fraud, negligence, breach of trust or breach of the Trust Deed or the Unit Holders Deed.

- (b) The Trustee acknowledges that the Landholder has entered (or will enter) into this Agreement in reliance upon the warranties contained in **clause 11.3**.

Subject to **clauses 12.5(d)** and **12.5(e)**, the recipient will pay the amount referred to in this **clause 12.5(c)** in addition to and at the same time that the consideration for the supply is to be provided under this Agreement.

The Trustee can withhold payment of the amount on account of GST until the Landholder provides a tax invoice or an adjustment note, as appropriate.
- (f) If an adjustment event arises in respect of a taxable supply made by a Supplier under this Agreement, the amount payable by the recipient under **clause 12.5(c)** will be recalculated to reflect the adjustment event and a payment will be made by the recipient to the Supplier, or by the Supplier to the recipient, as the case requires.
