Mr Charles Millstead  
Chief Executive Officer  
Queensland Competition Authority

Dear Mr Millstead

**DBCT 2015 DAU – Compliance with Secondary Undertaking Notice**

On 21 November 2016, the QCA issued a secondary undertaking notice (**SUN**) to DBCT Management (**DBCTM**) in relation to the DBCT 2015 DAU (**DAU**), requiring the DAU to be amended in the way the QCA considered appropriate. Accordingly, DBCTM has amended the DAU in compliance with the SUN, such that the QCA may proceed directly to a final decision to approve the DAU and thereby provide certainty for all stakeholders.

DBCTM raised some of its concerns with the QCA's final decision on the DAU in its letter on 22 December 2016, to which the QCA responded on 2 February 2017. Further, DBCTM identified a number of other issues with the drafting of the DAU and brought these to the attention of the QCA. DBCTM's concerns raised in its letter, along with the other drafting issues it has identified, will form part of a future draft amending access undertaking (**DAAU**), to be submitted once the DAU is approved.

Please contact Jonathan Blakey if you have any related queries.

Yours sincerely
