Dear Mr Page

**RE: IRRIGATION PRICE REVIEW 2020-24 - SUBMISSION**

We refer to the direction by the Treasurer and Minister for Aboriginal and Torres Strait Islander Partnerships, for the Queensland Competition Authority (QCA) to conduct an investigation into pricing practices relating to the monopoly business activities of SunWater and Seqwater, undertaken for irrigation services. As a major stakeholder, we wish to provide a submission in response to the QCA's invitation in the Notice of Investigation.

As the largest water user (by volume) in the Burdekin Houghton Water Supply Scheme, we request that we are included in all relevant consultation undertaken by the QCA for the Irrigation Price Review, especially the targeted consultation papers on key issues.

Please do not hesitate to contact Lower Burdekin Water should you require further information on our initial submission.

Yours sincerely

**David Sartori**  
**Executive Officer**
