Morning Angus,

I've been asked to send you a quick email in regards to the meeting held at the Lowood Bowls Club last night, 24th January, regarding the Irrigation Price Review 2013-17 for the Lower Lockyer Water Supply Scheme. My father-in-law, Kevin Hayes of Brightview, would like to put his preference in for the higher Part A (e.g. \$28) and lower Part B (e.g. \$22) compared to the proposed figures of \$25.72 for Part A and \$43.77 for Part B.

Thank you,
Layla Hayes.
