Dear Mr Hall

**PUBLIC SUBMISSION**

SunWater has prepared the attached submissions for consideration by the QCA and other stakeholders.

The first submission provides an overview of the service framework within which SunWater operates, and demonstrates how this framework is different to that which other water entities regulated by the QCA operate within.

The second submission provides a summary of SunWater's approach to the issue of contributed assets, which has been requested by QCA staff after the matter was raised at several consultation meetings attended by irrigators.

Please contact Mr Peter McGahan, Business Strategy Manager, on the above telephone number if you wish to discuss the submission further.

Yours sincerely

Peter Boettcher  
**CHIEF EXECUTIVE**
