In any event, the Distributor shall provide the Retailer with notice no later than two days after approval of the changes by the *Economic Regulator*.

7.5 Network Tariff Codes

The Retailer may apply to the Distributor for a change to the network tariff code assigned to a *NMI* for which the Retailer is *financially responsible*. If the Distributor, acting reasonably, agrees that the network tariff code proposed by the Retailer is applicable to the *NMI*, the Distributor will make the necessary change in accordance with *CATS Procedures* within *MSATS*. The Distributor will provide the Retailer with a reason for any rejection of an application to change the network tariff code applicable to a *NMI*.

Subject to clause 7.6, a Retailer may not make another request to change the network tariff code assigned to a *NMI* until a period of 12 months has elapsed from the previous request.

7.6 Information from customers

- (a) A party must notify the other party as soon as possible if it:
 - (i) receives a request from a *customer* to transfer from one network or retail tariff code to another; or
 - (ii) is informed by a *customer* of a change in use of the *premises* or pattern of usage at the *premises*,

which may result in the *customer* no longer satisfying the conditions relating to the current network or retail tariff code applying to that *customer* or which may result in a change to any metering equipment installed at the *premises*.

- (b) The Distributor must inform the Retailer within 5 business days of issuing or receiving such notice, of action taken in relation to the notice including whether or not it has transferred the customer's network tariff code to another network tariff code.

7.7 Provide all information

The Distributor must provide to the Retailer all necessary billing information and data that the Retailer reasonably requests, to comply with its obligations under *applicable law*, relating to:

- (a) the issuing of bills;
- (b) the contents of bills;
- (c) the provision of billing data to *customers*.

7.8 Sufficient information

Each *statement of charges* issued by the Distributor to the Retailer must contain sufficient information so as to enable the Retailer to either:

- (a) include that information in the Retailer's next bill to a particular *customer*; or
- (b) reconcile the *statement of charges* with the amounts included in a Retailer's bill to a particular *customer*.

8. PAYMENT

8.1 Pay statement of charges

Subject to clause 8.5, and unless otherwise agreed between the parties, the Retailer must pay the Distributor the amount set out in the Distributor's *statement of charges* by 5:00pm on the later of:

- (a) the 10th *business day* after the receipt by the Retailer of a *statement of charges* issued under clause 7.1; or

8.2 No set-off

Subject to clauses 8.5, 10.3, 10.4 and 10.5, the Retailer must make payments under this clause 8 without set-off or counterclaim. All payments due by the Retailer to the Distributor under this Agreement must be made in cleared funds to a bank account nominated in writing by the Distributor to the Retailer from time to time.

8.3 Interest for late payment

Subject to clause 8.5(f), if the Retailer fails to pay an amount owing under this Agreement when due, the Distributor may charge the Retailer interest on that amount. Interest will:

- (a) accrue daily at the *default rate* for each day from the day on which the amount became due and payable until it is paid;
- (b) be calculated on actual days elapsed and a 365 day year; and
- (c) be included on the next *statement of charges* from the Distributor to the Retailer and payable on the due date of that *statement of charges*.

8.4 Obligations unaffected

The Retailer's obligation to pay an outstanding amount on the date it becomes due is not affected by clause 8.3.

8.5 Billing disputes

Unless protocols for the management of network billing disputes are otherwise provided for through a business to business network billing process specification agreed between the parties, the following shall apply:

- (a) If the Retailer disputes its obligations under this Agreement to pay all or part of a *statement of charges* (the '**disputed amount**') and intends to withhold all or some of the *disputed amount*, the Retailer must notify the Distributor before the due date for payment of a *statement of charges* under clause 8.1 that it disputes its obligation under this Agreement to pay the *disputed amount*.
- (b) If the Retailer notifies the Distributor of a *disputed amount* in accordance with clause 8.5(a):
 - (i) the Retailer is not required to pay the *disputed amount* by the date due for payment of that *statement of charges*; but
 - (ii) the Retailer, unless another reasonable amount is agreed by the parties, is required to pay the greater of:
 - (A) the balance of the amount due under that *statement of charges* (after deduction of the *disputed amount*); and
 - (B) the lesser of, 80% of the amount of the previous undisputed *statement of charges* from the Distributor, and the full amount of the *statement of charges*,by the date due for payment of that *statement of charges*; and
 - (iii) the parties will submit that dispute for resolution in accordance with clause 17.
- (c) The payment of all or part of an amount set out in a *statement of charges* will not preclude the Retailer from subsequently challenging its liability to pay that amount. If the Retailer disputes an amount paid by it in accordance with a *statement of charges*, the parties will submit that dispute for resolution in accordance with clause 17.
- (d) If as a result of the dispute resolution process under clause 17 it is determined that the amount of that *statement of charges* should have been:
 - (i) less than the amount already paid by the Retailer on account of that *statement of charges*, the Distributor must pay to the Retailer the difference between the amount already paid and the amount determined as being properly due together with, subject to clause 8.5(f), interest on the difference at the *default rate* for each day after the date the amount was paid by the Retailer, up to and including the date the difference is paid; or
 - (ii) more than the amount already paid but less than the amount of the *statement of charges*, the Retailer must pay to the Distributor the difference between

the amount already paid and the amount determined as being properly due together with interest, subject to clause 8.5(f), on the difference at the *default rate* for each day after the date that *statement of charges* was due to be paid, up to and including the date the difference is paid; or

- (iii) equal to or more than the amount of that *statement of charges*, the Retailer must pay to the Distributor:
 - (A) the difference between the amount already paid and the amount determined as being properly due; and
 - (B) subject to clause 8.5(f), interest on the amount of the difference between the amount already paid and the *statement of charges* at the *default rate* for each day after the date that *statement of charges* was due to be paid, up to and including the date the difference is paid.

An amount payable under this clause 8.5(d) will fall due 5 *business days* after the determination of the *dispute*.

- (e) A notice given by the Retailer under clause 8.5(a) must contain sufficient information and supporting detail to enable the Distributor to determine the nature of the Retailer's *dispute* concerning that *statement of charges*.
- (f) For the avoidance of doubt, the parties acknowledge that no interest on amounts in *dispute* under this clause 8.5, either at the *default rate* or the *bank bill rate*, will be owed or payable where that amount is genuinely in *dispute*.
- (g) The parties further acknowledge that an *Independent Expert*, appointed and acting pursuant to clause 17, may determine whether an amount is genuinely in dispute, for the purposes of clause 8.5(f).

8.6 Obligation to Pay

Subject to clause 10.5, the obligation of the Retailer to pay the *statement of charges* issued by the Distributor in accordance with this clause 8, will not be affected by any failure of a *customer* to pay the *charges* payable by that *customer* to the Retailer.

8.7 Clauses that do not apply

Clauses 7, 8 and 10.1 do not apply in relation to a *customer* to the extent that the parties have agreed with each other and the relevant *customer* to issue separate bills to that *customer*.

The Retailer acknowledges that the Distributor may, in accordance with its *connection contract*, agree with a *customer*, or otherwise elect, to bill a *customer* directly for *customer connection services*. The Distributor will notify the Retailer in circumstances where it agrees or elects to bill a Retailer's *customer* directly for *customer connection services*.

8.8 Supply of Money

The parties acknowledge their mutual understanding that because a payment made by the Retailer to the Distributor under this clause is a supply of money, and is not consideration for any *Taxable Supply* by the Distributor to the Retailer, clause 23 does not apply to any such payment.

9. GSL PAYMENTS

9.1 Retailer Reimbursement

If:

- (a) the Retailer:
 - (i) receives notification of a matter relevant to the Distributor's compliance with a *GSL* and the Retailer delays or fails to pass on that information to the Distributor; or
 - (ii) requests a disconnection; and
- (b) as a result of that delay, failure or request, the Distributor is required to make a payment to the *customer* as a result of failing to satisfy a *GSL*,

then the Retailer must reimburse the Distributor for that portion of the payment made to the *customer* which is attributable to the Retailer's delay, failure or wrongful action in making a request.

However, a Retailer will not be liable to reimburse the Distributor for a wrongful disconnection *GSL* where the Distributor's actions or omissions caused the Retailer to request the disconnection of the wrong *premises* (for example, where the Retailer has relied on *MSATS* data in establishing the *NMI* which is used in the request for disconnection).

9.2 Notification

The Retailer must notify the Distributor (or such employee of the Distributor notified by the Distributor to the Retailer from time to time) where it is aware that the Distributor is required to provide a *GSL* payment to a *customer* under the *Electricity Industry Code*.

10. ADJUSTMENT

10.1 General

As between the parties the Retailer will, in accordance with the requirements of the *applicable law*, recover from *customers* amounts undercharged or pay to *customers* amounts overcharged, as a result of the Retailer's or Distributor's act or omission.

10.2 Undercharging

If a *customer* is undercharged as a result of the act or omission of the Retailer or Distributor and the Retailer is prevented by the *applicable law* from recovering from the *customer* the full amount undercharged, then if:

- (a) the undercharging resulted from the Retailer's act or omission, the Retailer will pay to the Distributor the amount of the *distributor charges* specified in a *statement of charges* undercharged to that *customer* which are not permitted to be recovered under the *applicable law* from that *customer*; or
- (b) the undercharging resulted from the Distributor's act or omission, the Distributor will pay to the Retailer the amount of the Retailer's charges undercharged to that *customer* which are not permitted to be recovered under the *applicable law* from that *customer* or which the Retailer using reasonable endeavours is unable to recover from the *customer*.

Each party must notify the other as soon as possible after it becomes aware that a *customer* has been undercharged as a result of its act or omission.

10.3 Overcharging

If a *customer* is overcharged as a result of the Distributor's act or omission, the Retailer may, subject to clause 10.4, deduct an amount representing the Distributor's proportion of that overcharged amount from the next payment due to the Distributor under clause 8.

The Distributor must notify the Retailer as soon as possible after it becomes aware that a *customer* has been overcharged as a result of the Distributor's act or omission.

10.4 Steps before deduction

Before deducting any amount from payments due to the Distributor under clause 10.3, the Retailer must give the Distributor an opportunity to determine the cause of the overcharging.

10.5 Non-payment

If, due to a matter for which the Retailer may be indemnified under clause 14.1, a *customer* does not pay an account issued by the Retailer in full, the Retailer may off-set the amount of that shortfall from payments due to the Distributor under clause 8, provided that the Retailer has:

- (a) promptly given the Distributor details of the relevant *customer*, the amount outstanding, the reasons of the non-payment by the *customer*, and such other information as the Distributor may reasonably request; and
- (b) been unable to recover the amount due from the customer within 60 days, after using reasonable endeavours to do so.

Nothing in this clause limits the Distributor's rights under clause 15.2 in relation to a *customer's* complaint or *Claim*.

11. DISCONNECTION

11.1 Failure to disconnect

- (a) Subject to clause 11.1(b), if the Distributor does not disconnect the *customer* within the timeframe for completion for the *Service Order Request* or within such timeframes as may otherwise be agreed (or subsequently agreed) between the Distributor and the Retailer on behalf of the *customer*, the Distributor:
- (i) will from that time not include the related *distributor charges* in any *statement of charges*; and
 - (ii) will be liable to pay to the Retailer, at the Retailer's election, either:
 - (A) an amount representative of the costs incurred by the Retailer for the *customer's* energy consumption, calculated on the basis of the monthly average regional reference price as published by *AEMO* from time to time, for the region and month in which the energy consumption occurs; or
 - (B) an amount representative of the actual costs incurred by the Retailer for the *customer's* energy consumption,

provided that:

- (iii) this will not render the Distributor the retailer of the *customer*; and
- (iv) the Retailer has exercised reasonable endeavours to recover the relevant *distributor charges* and consumption costs and has been unable to recover these costs directly from the *customer*.

If the Retailer subsequently recovers from the *customer* all or any part of any such amount, the Retailer must promptly pay that recovered amount to the Distributor.

- (b) The Distributor may refuse to disconnect a *customer's connection point* where:
- (i) the Distributor has made reasonable endeavours to carry out the disconnection but is unable to access the *customer's connection point* or the *premises* as a result of the *customer's* action or inaction;
 - (ii) the Distributor reasonably considers that such disconnection would be detrimental to the health or safety of any person (including the *customer*) or the *premises* are registered as having a life support machine;
 - (iii) the Retailer has raised a *Service Order Request* which does not comply with *applicable law*; or
 - (iv) the disconnection would result in the Distributor not complying with its obligations under *applicable law*.

In the case of clause 11.1(b)(ii), the Distributor will use reasonable endeavours to remove or mitigate the risk of detriment. In each case under clause 11.1(b), the

Distributor must notify the Retailer, without delay, of the reason for its refusal to disconnect.

- (c) Where the Distributor refuses to disconnect a *customer* on any of the grounds set out in clause 11.1(b), the Retailer will continue to be liable for the *distributor charges* in respect to the use of the *supply network* by the *customer* and the consumption of energy by the *customer*.
- (d) By providing a *Service Order Request*, the Retailer represents and warrants to the Distributor that the Retailer is entitled to make a request for disconnection under its *retail contract* and under any *applicable law*, and it has complied with the procedures for disconnection prescribed in the relevant *retail contract* and any other procedures under any *applicable law*.
- (e) The Retailer shall indemnify the Distributor against all *Claims* arising from, or incurred by, the Distributor as a consequence of the cessation of supply as a result of any disconnection by the Distributor pursuant to a *Service Order Request*, except to the extent that the *Claim* arises from the negligent or reckless act or omission of the Distributor, or from any breach or non-observance by the Distributor of the Agreement or any *applicable law*.

11.2 Distributor's right to disconnect

The Distributor may disconnect a *customer's connection point* where it is entitled to do so under the *connection contract* or under an *applicable law*, or required to do so at the direction of State or Federal police, and must, subject to clause 11.3, send a notice to the Retailer of that disconnection within 24 hours after the disconnection. Where possible the Distributor will notify the Retailer in advance of the disconnection.

11.3 Notice before disconnection

Except in cases of *emergency* or where required to do so at the direction of State or Federal police, the Distributor must not disconnect a *customer's connection point* where the *customer*:

- (a) fails to comply with its obligations under the *customer's connection contract* to provide access to the *premises*; or
- (b) has provided false information; or
- (c) uses electricity illegally; or
- (d) uses electricity for a purpose not allowed by the *customer's* tariff or charge; or

unless it has first notified the Retailer.

13.5 Existing rights

The parties' rights to terminate this agreement will be without prejudice to the parties' rights to pursue relief by way of damages, injunction or specific performance in respect of a breach of this agreement. Without limiting the foregoing, each party shall be entitled to render an invoice to the other party for services provided and not invoiced up to and including the date of termination, and any such invoice will be payable in accordance with clause 8.

13.6 Distribution Services after Termination

Notwithstanding the termination of this Agreement, the Distributor and the Retailer acknowledge that the Distributor may continue to provide *customer connection services* in respect of any *customer* of the Retailer until the first to occur of the events specified in clause 6.2. In respect of any such *customer connection service* provided after termination of this Agreement, all provisions of this Agreement which relate to the provision of *customer connection services* shall continue to apply.

14. INDEMNITY

Subject to, and to the extent of, any loss suffered by the Distributor caused by, or contributed to by, the Retailer's non-compliance with clauses 15.2, 15.3 or 15.4 of this Agreement, the Distributor indemnifies the Retailer from and against any:

- (a) *Claim* by a *customer* against the Retailer relating to the quality of, or interruptions to, the *connection* and supply of electricity by the Distributor (other than a *Claim* of the type referred to in clause 14.1(b)), where the Distributor would have been liable to that *customer* under its *connection contract* had that *customer* claimed against the Distributor, but only to the extent that the Distributor would have been liable to that *customer* under its *connection contract*;
- (b) *Claim* against the Retailer for breach of any statutory guarantees, conditions, warranties or rights provided by the Competition and Consumer Act 2010 (Cth) or any equivalent consumer protection legislation concerning the *connection* or supply of electricity by the Distributor where:
 - (i) that breach has occurred as a result of the acts or omissions of the Distributor; and
 - (ii) the Retailer has in its contract with the *customer* to which the *Claim* relates sought to limit or exclude its liability to that party for breach of any of the statutory guarantees, conditions, warranties or rights provided by the Competition and Consumer Act 2010 (Cth) or any equivalent consumer protection legislation to the maximum extent permitted by law;
- (c) *Claims* in connection with the wrongful disconnection of a *customer's connection point* by the Distributor, other than *Claims* in connection with a *Service Order Request* under clause 11 that results in a wrongful disconnection of a *customer's connection point* by the *Distributor*; or
- (d) *Claims* in connection with any failure by the Distributor to comply with clause 15.

14.2 Retailer's Indemnity

Subject to the Distributor complying with clauses 15.2, 15.3 and 15.4, the Retailer indemnifies the Distributor from and against any *Claims* in connection with:

- (d) in the case of *Claims* not covered by clause 14.3(a), (b) or (c), limited to \$500,000 per *Claim*.

Except to the extent provided for in this clause 14, or otherwise provided for expressly in this Agreement, neither party will (to the maximum extent permitted at law) be liable to the other for loss of profits, indirect or consequential loss.

- (b) provide the *responsible party*, at the *responsible party's* expense, with such assistance in respect of the *Claim* as the *responsible party* may reasonably request.

- (c) use all reasonable endeavours to minimise the time taken to defend or settle the *Claim*;
- (d) consult with and where reasonably possible, take account of the views of the *indemnified party* in relation to the progress of the *Claim*; and
- (e) if it becomes aware that the *indemnified party* may have some liability in respect of that *Claim* for which the *indemnified party* will not be indemnified under clause 14, notify the *indemnified party* of that fact, consult with and keep the *indemnified party* informed in respect of the progress of that *Claim* and comply with the provisions of clause 15.3 as if references in that clause to the ‘*indemnified party*’ were to the ‘*responsible party*’, and vice versa.

15.3 No admissions

Except where required by a law to do so, the *indemnified party* must not, in relation to any of the matters referred to in clauses 15.1 or 15.2:

- (a) make any admission or representation prejudicial to the *responsible party*;
 - (b) agree to any compromise or settlement;
 - (c) do anything else that may be prejudicial to the *responsible party*,
- without the *responsible party*’s written consent.

15.4 No unauthorised representations

17.1 National Electricity Rules disputes – first stage dispute resolution

If any dispute, controversy or *Claim* (*'dispute'*) arises between the parties under or in relation to this Agreement:

- (a) with respect to the application of the *National Electricity Rules*; or

then the dispute resolution regime provided for in clause 8.2 of the *National Electricity Rules* will apply to that *dispute*.

17.2 Non-National Electricity Rules disputes – first stage dispute resolution

- (b) The party wishing to have the *dispute* determined by an *Independent Expert* will give written notice to that effect to the other party specifying the nature of the *dispute*. The parties will meet and use all reasonable endeavours to agree upon the identity of the *Independent Expert*, but if they are unable to agree within 5 *business days* of the notice, then either party may refer the matter to the President for the time being of the Law Society of Queensland (or, if that body no longer exists, then to the President for the time being of such successor body or association as is then performing the function formerly carried out by the Law Society of Queensland), to nominate a suitably qualified person to act as the *Independent Expert* to determine the *dispute*.

17.5 Non-National Electricity Rules Disputes – role of Independent Expert

The *Independent Expert* will:

- (a) act as an expert and not as an arbitrator;

17.9 Non-National Electricity Rules Disputes – determination

The *Independent Expert* will make a determination on the *dispute* and:

- (a) will determine what, if any, adjustments may be necessary between the parties; or
- (b) if relevant, determine the amendments required to the terms of this Agreement.

The determination of the *Independent Expert* will be, in the absence of bias or manifest error, final and binding upon the parties.

17.10 Non-National Electricity Rules Disputes – costs

The costs in relation to a determination by the *Independent Expert* will be dealt with as follows:

- (a) the remuneration of the *Independent Expert* will be borne equally by the parties;
- (b) unless the parties otherwise agree, the *Independent Expert* will determine which party will bear the costs of the determination and in what proportion, having regard to the degree to which he or she considers that party was at fault or unreasonable in failing to agree to the matter under reference, and that party will bear those costs accordingly; and
- (c) the parties will bear their own costs incurred in the preparation and presentation of any submissions or evidence to the *Independent Expert*.

18. ASSIGNMENT AND DISPOSAL

18.1 General

Subject to clauses 18.3 and 18.4, a party (*'disposing party'*) must not *dispose* of all or any part of its right, title and interest under this Agreement without the consent of the other party (*'consenting party'*).

18.3 Disposal by force of law

If, by force of a law in Queensland, the right, title, interest and obligations (whether arising before or after the transmission, transfer, vesting or assumption referred to below) of the *disposing party* under this Agreement are, or are expressed to be, transmitted, transferred or vested in, or assumed by, an assignee, then that transmission, transfer, vesting or assumption (as the case may be) is effective and does not require the *consenting party's* consent under clause 18.1.

18.4 Other permitted disposals

A *disposing party* may, without the consent of the other party, *dispose* of any or all of its rights, obligations and interest under this Agreement to a person if that person:

Each party must execute all documents reasonably required to effect the *disposals* contemplated by clauses 18.1 to 18.4.

19. NOTICES

19.1 Method of Giving Notices

- (b) if sent by pre-paid mail, on the second *business day* following posting; and
- (c) if transmitted by facsimile and a correct and complete transmission report is received, on the day of transmission if transmitted before 5.00 p.m. on a *business day*, otherwise on the next *business day*;

- (c) the interpretation of an *applicable law* changes,

then, subject to clause 20.2, this Agreement will be interpreted (as far as possible) in such a way as to enable compliance with that *applicable law*.

20.2 Negotiation

If any of the events referred to in clause 20.1 has or will have a material effect on the position of either party, the parties will negotiate in good faith any amendments required to be made to this Agreement as a result of that event to return the parties substantially to their respective positions under this Agreement prior to event occurring. If the parties are unable to agree upon such amendments within 28 days of commencing negotiations, that dispute will be resolved in accordance with clause 17 of this Agreement.

21. GENERAL

21.1 Entire Agreement

This Agreement constitutes the entire agreement of the parties on the subject matter. The only enforceable obligations and liabilities of the parties in relation to the subject matter are those that arise out of the provisions contained in this Agreement. All representations, communications and prior agreements in relation to the subject matter are merged in and superseded by this Agreement.

21.2 Waiver

A failure of a party at any time to require full or part performance of any obligations under this Agreement does not affect in any way the rights of that party to require that performance subsequently.

21.3 Variations to Agreement

No variation of this Agreement will be effective unless it is in writing and signed by the parties.

21.4 Severability

Any provision of this Agreement which is invalid or unenforceable may (without affecting any other provision) be read down so as to ensure it is valid and enforceable during that period without affecting the remaining provisions of this Agreement. If that provision cannot be so read down, then it will not operate between the parties until (if at all) it becomes valid and enforceable.

21.5 Remedies Cumulative

The rights and remedies provided in this Agreement do not exclude any rights or remedies provided by any *applicable law*.

21.6 Governing Law

This Agreement is governed by the laws of Queensland and the parties submit to the jurisdiction of the courts of that State.

21.8 Costs

- (a) Subject to clause 21.8(b), each party will bear its own legal and other costs in relation to the negotiation and documentation of this Agreement.
- (b) Each party will bear half of any stamp duty payable in respect of this Agreement.

 - (i) each party ('**recipient**') must treat as confidential all *Confidential Information* of the other party ('**disclosing party**') in its possession;
 - (ii) a *recipient* may not disclose *Confidential Information* of the *disclosing party* to third parties without the prior written consent of the *disclosing party*; and

- (c) A *recipient* may make such disclosures of *Confidential Information* as are required by law or by the rules of any recognised stock exchange or by an Authority having jurisdiction over the *recipient*.
- (d) Where the *recipient* of *Confidential Information* is a Government Owned Corporation, it may make such disclosures of *Confidential Information* as are required by its Shareholding Ministers or their advisors, provided that the recipient of the *Confidential Information* is advised of its confidential nature and requested

also to hold the *Confidential Information* in confidence and that disclosure of that information does not result in a breach of any *applicable law*.

- (e) To the extent practicable, before disclosing *Confidential Information* in reliance on clauses 22.1(c) or 22.1(d), a *recipient* must give reasonable notice to the *disclosing party* that its *Confidential Information* is going to be disclosed, including in that notice reasonable details of the circumstances of the proposed disclosure.
- (f) A *recipient* may disclose *Confidential Information* to any of the undermentioned persons whose legitimate interests reasonably require disclosure and who have first agreed in writing with the *disclosing party* to be bound by the confidentiality obligations imposed upon the *recipient* under this Agreement:
 - (i) any financier, prospective financier or recognized ratings agency;
 - (ii) any employee or any professional adviser;
 - (iii) any assignee or bona fide prospective assignee;

- (h) The rights and obligations contained in this clause 22 shall survive termination of this Agreement, and shall continue in full force and effect after such termination for five years.

For the purposes of this Agreement, information is not generally and publicly available merely because it is known to *AEMO*, an Authority, another Network Service Provider, a generator or another retailer.
