To: Whom it may concern.

I write on behalf of the Ubobo Progress Association Inc.

The Lake Awoonga Recreation Strategy is a positive initiative for the Boyne Valley community which will promote and enhance tourism opportunities for the Boyne Valley area.

In particular, the proposal to develop the section of the Rail Trail from Boynedale to Cluden will provide a unique opportunity for residents of the region, who will be able to experience & enjoy a quite different outdoor recreation facility to that which any other industrial businesses provide to the region.

It will be a natural extension of the Boynedale Bush Camp facility providing a venue for safe and enjoyable bike riding, bush walking and horse riding with beautiful views across the lake and a unique rain forest walk.

I fully endorse the Lake Awoonga Recreation Strategy on behalf of the members of our Ubobo Progress Association Inc and encourage the approval of this strategy.

Kind Regards.
Michael Leahy
