

Queensland Rail's 2025 draft access undertaking

10 June 2025

Comments on amended DAU due by 17 June 2025

Queensland Rail has submitted an amended 2025 draft access undertaking (DAU) in response to our decision on the original 2025 DAU that it lodged in November 2023.¹

In accordance with section 138(3)(c) of the *Queensland Competition Authority Act 1997* (QCA Act), we have published the amended 2025 DAU and invite stakeholders to make submissions on it by **Tuesday 17 June 2025**.

We will consider any submissions received within that time, with a particular interest in new evidence and arguments that have not been raised previously.

There have been multiple rounds of consultation on Queensland Rail's original DAU over the past 19 months. Depending on our assessment and the submissions we receive, we may proceed directly to a final decision on the amended DAU.

Queensland Rail's amended DAU, and all of the previous material relating to our investigation of the 2025 DAU, can be found on our [website](#).

¹ Our decision was split into two parts – a decision on the non-tariff aspects of the DAU (published in March 2025), and an addendum on access terms for West Moreton (published in May 2025).

Confidentiality

In the interests of transparency, and to promote informed consultation, we intend to make all submissions publicly available. However, if a person making a submission believes that information in it is confidential, they should claim confidentiality over the relevant information (and state the basis for that claim). We will assess confidentiality claims in accordance with the Queensland Competition Authority Act 1997. Among other things, we will assess if disclosure of the relevant information is likely to damage a person's commercial activities, and we will consider the public interest.

Claims for confidentiality should be clearly noted on the front page of a submission, and relevant sections of the submission marked as confidential. The submission should also be provided in both redacted and unredacted versions. In the redacted version, all information claimed as confidential should be removed or hidden. In the unredacted version, all information should be exposed and visible. These measures will make it easier for us to make the remainder of the document publicly available. A confidentiality claim template is available at www.qca.org.au/submission-policy/

The template gives guidance on the type of information that may help us to assess a confidentiality claim. We encourage stakeholders to use this template when making confidentiality claims.

Public access to submissions

Subject to any confidentiality constraints, submissions will be available for public inspection at our Brisbane office or on our website at www.qca.org.au/. If you experience any difficulty gaining access to documents, please contact us on **07 3222 0555**.
