

Regulated retail electricity prices for 2025–26: information sessions

14 March 2025

In December 2024, we commenced our review to set regulated retail electricity prices to apply in regional Queensland in 2025–26. We expect to release our [draft determination](#) in April 2025.

Information sessions

We will be holding information sessions on our upcoming draft determination. We invite stakeholders to [register in advance to attend a session](#).
