

Access Agreement

Queensland Rail Limited ABN 71 132 181 090 (**Queensland Rail**)

[Insert name of Operator] (**Operator**)

[Insert name of Access Holder] (**Access Holder**)

[Note: This agreement is a standard access agreement and is based on the following assumptions, that:

- **the grant of Access Rights only involves the allocation of Available Capacity;**
- **no provisions relating to the provision of Additional Capacity in respect of an Extension are required; and**
- **no conditions precedent are necessary.**

Without limiting the ability of the parties to negotiate terms, if any of these assumptions are not true, then the Parties will need to seek to negotiate amendments.

This standard access agreement contains various notes in respect of alternative clauses (for example, in relation to Dangerous Goods) and in respect of adjustments that are needed where the Reference Tariff does not apply to the setting of the Access Charges or this agreement is in relation to a Subsequent Operator. For example, if this agreement relates to a Subsequent Operator it will be amended to incorporate a new Schedule 1 and Schedule 2 to reflect the Train Services to be operated by that Subsequent Operator.]

Background

- A Queensland Rail operates, and is the Railway Manager for, the Network.
- B The Access Holder is seeking, and Queensland Rail has agreed to grant non-exclusive Access Rights to the Access Holder for the operation of Train Services over the Network by an Initial Operator (or Subsequent Operators).
- C This agreement sets out the terms agreed by the Parties in accordance with which the Access Holder is granted non-exclusive access to the Network for the operation of Train Services by an Initial Operator (or Subsequent Operators).

Agreed terms

1. Term and renewal

1.1 Term

This agreement:

- (a) commences on the Commencement Date; and
- (b) terminates on the Termination Date unless otherwise terminated in accordance with its terms (except to the extent that any provisions of this agreement are expressed or implied to survive the expiry or termination of this agreement).

1.2 Right to renewal

- (a) The Parties acknowledge that any rights which the Access Holder may have in relation to the renewal of this agreement will be as expressly provided in Schedule 7.
- (b) Where the Access Holder seeks a renewal of this agreement, each Party acknowledges that:
 - (i) negotiations in respect of renewal must occur in good faith as required by and subject to the QCA Act and the Access Undertaking;
 - (ii) the negotiations and any renewal are subject to compliance with all applicable Laws including section 266 and 266A of the TIA as they apply to Queensland Rail.
- (c) In this clause 1.2 a reference to a renewal is a reference to the execution of a new access agreement that has the effect of continuing all or some of the Train Services under this agreement for a further term.

1.3 Productivity and efficiency variations

- (a) Subject to the terms of this agreement and without prejudice to each Party's rights in respect of this agreement:
 - (i) a Party, during the term of this agreement, may notify the other Parties of a proposed variation to this agreement to promote, or accommodate, a demonstrable efficiency or productivity improvement (**Productivity Proposal**); and
 - (ii) where a Party is notified of a Productivity Proposal, that Party must, in good faith:
 - (A) consider that Productivity Proposal having regard to any relevant factors including the costs, benefits and impacts of the Productivity Proposal on each of the Parties, on Train Services and on the operation and use of the Network, and whether the Productivity Proposal would result in a capacity increase for the Network, or efficiency improvements in one or more elements of the supply chain; and
 - (B) if requested by any Party, participate in discussions concerning the Productivity Proposal with a view to determining what (if any) amendments to this agreement the Parties are willing to agree.
- (b) If, despite reasonable consideration, a Party declines to pursue all or part of a Productivity Proposal after complying with clause 1.3(a), that Party must provide written confirmation to the other Parties of its reasons for doing so.
- (c) If the Parties in complying with clause 1.3(a) agree to make amendments to this agreement, the Parties must do all things reasonably necessary to give effect to those amendments in accordance with this agreement including under clause 27.4.

2. Access Rights

2.1 Grant of Access Rights

- (a) Queensland Rail **[[grants] or [confirms that it is has granted]]**¹ to the Access Holder the non-exclusive right to access the Network commencing on the Commitment Date for all of the Train Services until the End Date for each of those Train Services (unless this agreement terminates earlier in accordance with its provisions or any Law) subject to, and in accordance with, this agreement (**Access Rights**).
- (b) The Access Rights create a non-exclusive contractual right and do not give the Access Holder any right, title or interest of any proprietary nature in the Network.

2.2 Exercise of Access Rights and Operator nomination

- (a) The Parties acknowledge and agree that:
 - (i) the grant of the Access Rights does not entitle the Access Holder to operate Train Services itself on the Network (unless it is also an Accredited Rolling Stock Operator and is nominated to operate all or some of the Train Services in accordance with this agreement);
 - (ii) the Access Holder can only utilise the Access Rights by nominating an Accredited Rolling Stock Operator from time to time in accordance with this agreement; and
 - (iii) the Access Holder may nominate more than one Accredited Rolling Stock Operator.

3. Operational Rights

3.1 Grant of Operational Rights

On and from the Commitment Date for each Train Service until the End Date for that Train Service, Queensland Rail grants, and must provide, to the Operator the right to operate that Train Service in accordance with the Train Service Description on the terms and conditions of this agreement.

3.2 Nature and scope of Operational Rights

- (a) The right to operate granted under clause 3.1 is a non-exclusive contractual right and does not give the Operator any right, title or interest of any proprietary nature in the Network.
- (b) The Operator must:
 - (i) only operate on, or use any part of, the Network that is specifically included in this agreement; and
 - (ii) not use the Network for:
 - (A) carrying out any provisioning, inspection, testing or maintenance of Rolling Stock;
 - (B) any marshalling, shunting or other relocation of Rolling Stock;
 - (C) storage of Rolling Stock; or
 - (D) any purpose other than the operation of Train Services, unless otherwise expressly:
 - (iii) permitted or required to do so under this agreement;

¹ Wording dependent on whether this agreement is an initial Agreement or a Subsequent Agreement.

- (iv) directed to do so by Queensland Rail in accordance with this agreement; or
- (v) expressly permitted under another agreement with Queensland Rail.

3.3 Nomination of Initial Operator

The Access Holder nominates the Initial Operator to utilise the Access Rights.

3.4 Nomination of Subsequent Operators

- (a) Subject to clause 3.4(c), the Access Holder may, from time to time, provided that it is not in material breach of any of its obligations under this agreement, nominate one or more Accredited Rolling Stock Operators (**Subsequent Operator**) to utilise all or part of the Access Rights upon giving at least 20 Business Days prior written notice to Queensland Rail. The notice must:
 - (i) specify:
 - (A) the name, ABN, address and contact details of the Subsequent Operator;
 - (B) the Access Rights which the Access Holder wishes to allocate to that Subsequent Operator for that Operator to use in providing some or all of the Train Services for the Access Holder;
 - (C) the first day and the last day of the period for which the Access Rights are to be allocated to that Subsequent Operator; and
 - (ii) be accompanied by:
 - (A) a Subsequent Agreement, executed by the relevant Subsequent Operator, which reflects, in Schedule 1 to that agreement, particulars applicable to the relevant Subsequent Operator, and which reflects in Schedule 2 to that agreement, the Access Rights which the Access Holder wishes to allocate to that Subsequent Operator and includes any further changes required pursuant to clause 4.2²; or
 - (B) where the Subsequent Operator is a party to an Existing Agreement, a statement and evidence identifying that Rolling Stock Operator's execution of the Existing Agreement in respect of utilisation of Access Rights and evidence of that Rolling Stock Operator's agreement to the relevant nomination.
- (b) Access Rights allocated by the Access Holder to be used from time to time by the Initial Operator and any Subsequent Operators may not exceed, in aggregate, the Access Holder's Access Rights under this agreement.
- (c) Despite any other provision in this agreement, Queensland Rail is not obliged to accept, or act on any nomination by the Access Holder under clause 3.4(a) if Queensland Rail (acting reasonably) determines that the Subsequent Operator, either:
 - (i) is in material breach of any of its obligations under an existing access agreement with Queensland Rail; or
 - (ii) is not Accredited.
- (d) Queensland Rail must:
 - (i) promptly assess any nomination against the matters listed in clause 3.4(c);

² For the avoidance of doubt, the Access Holder and Queensland Rail are not required to renegotiate the terms of a Subsequent Agreement. The terms, unless otherwise agreed by the Access Holder and Queensland Rail will be identical to the terms of this agreement except as is necessary to reflect the Train Services to be operated by that Subsequent Operator and to reflect that Subsequent Operator's operations.

- (ii) within ten Business Days of receiving a nomination under clause 3.4(a), notify the Access Holder and the Subsequent Operator whether it accepts or rejects the nomination; and
- (iii) if it rejects the nomination, provide reasons for the rejection in writing to the Access Holder and the Subsequent Operator and thereafter use reasonable endeavours to facilitate the resolution of any matter the subject of its reasons for the rejection; or
- (iv) if it accepts the nomination, promptly do all things reasonably required to give effect to the nomination and minimise any delay to Train Services to the extent practicable including agreeing to amendments in this agreement and any Subsequent Operator's Subsequent Agreement (if applicable) to the extent required and including compliance with clause 4.2(a) (where applicable); and
- (v) after accepting the nomination and, if required, complying with clause 4.2(a), exchange executed counterparts of a Subsequent Agreement with the Subsequent Operator and the Access Holder.

4. Relationship with Operator

4.1 Changes to Operator nominations

- (a) Subject to clause 4.1(b), the Access Holder may, from time to time, upon giving at least ten Business Days prior written notice to Queensland Rail and the Operator:
 - (i) vary any nomination previously given by the Access Holder under this agreement so as to vary either or both of the following:
 - (A) the Access Rights which the Access Holder has allocated to the Operator; or
 - (B) the period for which the Access Rights are to be allocated to the Operator (provided that the period does not extend beyond the End Date for the relevant Train Service); or
 - (ii) withdraw any nomination previously given by the Access Holder under clause 3.3, 3.4(a) or this clause 4.1(a).
- (b) Despite any other provision of this agreement, Queensland Rail is not obliged to accept, or act on, any variation which increases the allocation of Access Rights (including an increase in the period for which Access Rights are to be allocated) under clause 4.1(a), if Queensland Rail (acting reasonably) determines that the Operator, either:
 - (i) is in material breach of any of its obligations under an existing access agreement with Queensland Rail; or
 - (ii) is not Accredited.
- (c) Queensland Rail must notify the Access Holder and the Operator if it accepts or rejects the variation (providing its reasons).
- (d) If Queensland Rail accepts a variation made in accordance with clause 4.1(a):
 - (i) this agreement is varied in accordance with the variation and, despite any other provision in this agreement, each Party agrees, and is deemed, to be bound by the varied agreement on and from the date the Access Holder receives the notice referred to in clause 4.1(b); or
 - (ii) Queensland Rail must comply with clause 4.2 (if applicable).
- (e) The Access Holder is deemed to have withdrawn its nomination of the Operator if this agreement is terminated or expires.

4.2 Nominations with different Train Service Descriptions

If at any time:

- (a) the Access Holder intends to:
 - (i) nominate a Subsequent Operator in accordance with clause 3.4(a); or
 - (ii) vary a nomination previously given by the Access Holder in accordance with clause 4.1(a);and
- (b) the Train Services of the Subsequent Operator will have a Train Service Description different from that contemplated in Schedule 2; or
- (c) the Access Holder otherwise wishes to vary the Train Services from the Train Service Description contemplated in Schedule 2,

then:

- (d) prior to nominating the Subsequent Operator or varying any nomination, Queensland Rail and the Access Holder must negotiate and endeavour to agree any amendments to any relevant agreements (including any amendments to the Access Rights and the Access Charges and providing replacement schedules (as relevant)) that may be necessary to reflect the Train Service Description of the Train Services to be operated by an Operator for that part of the Access Rights to be allocated to that Operator;
- (e) Queensland Rail and the Access Holder (each acting reasonably and using reasonable endeavours to minimise any disruptions to Train Movements) must agree the date on which those amendments take effect;
- (f) this agreement is varied in accordance with those amendments and, despite any other provision in this agreement, each Party agrees, and is deemed, to be bound by the varied agreement on and from the date referred to in clause 4.2(e); and
- (g) no amendment to the Access Rights that results in the Access Holder being granted increased rights to access the Network has any effect unless and until the Access Holder and Queensland Rail have complied with the Access Undertaking (including with respect to the allocation of those increased Access Rights).

4.3 Reduction of rights resulting in an Over-Allocation

If at any time:

- (a) the Access Rights of:
 - (i) the Access Holder are reduced, relinquished or transferred under this agreement; or
 - (ii) the Nominated Monthly Train Services in respect of a Train Service Description are reduced or varied under this agreement; and
- (b) as a result of such reduction, relinquishment or transfer of Access Rights or reduction or variation of Nominated Monthly Train Services in respect of a Train Service Description, the Access Rights allocated by the Access Holder to the Operator under clause 3.3, 3.4 or 4.1 for a Train Service Description exceed, in aggregate, the Access Holder's Access Rights for that Train Service Description following the reduction, relinquishment or transfer (such excess being the **Over-Allocation**),

then, unless the Access Holder varies the nominations in accordance with clause 4.1(a) within ten Business Days of such reduction, relinquishment or transfer to eliminate the Over-Allocation, the Access Holder will be deemed to have varied the nominations in accordance with clause 4.1(a) as follows:

- (c) if the Access Holder has nominated only the Initial Operator for that Train Service Description, reducing the Access Rights for that Train Service Description which the

Access Holder has allocated to the Initial Operator under this agreement by the Over-Allocation; or

- (d) if the Access Holder has nominated the Initial Operator and one or more Subsequent Operators in respect of an affected Train Service Description, reducing the Access Rights for that Train Service Description which the Access Holder has allocated to each the Initial Operator and each Subsequent Operator under each relevant agreement by a share of the Over-Allocation that is as closely as possible proportionate to the Train Services allocated to the Initial Operator and each Subsequent Operator for the affected Train Service Description as a share of the total Train Services allocated to the Initial Operator and Subsequent Operators for that Train Service Description,

and such reduction will take effect on the date the reduction, variation, relinquishment or transfer takes effect, with Queensland Rail providing written notice of the reduction to the Initial Operator and Subsequent Operators, if affected by same, as soon as practicable.

4.4 Information

- (a) Nothing in clause 24 prevents or otherwise restricts the Parties from disclosing to one another information in relation to or in connection with this agreement.
- (b) If requested by a Party, then the Party who received the request must promptly provide to the requesting Party any information in relation to the exercise of rights or performance of obligations under this agreement.
- (c) Without limitation to clause 4.4(b), where either Queensland Rail, the Operator or the Access Holder gives a Notice (including an invoice) under this agreement to another Party, then that Party must also give a copy of that Notice (including an invoice) to each other Party.

4.5 Participation in Disputes

- (a) Despite clause 19, where:
 - (i) a Dispute Notice is given to the Access Holder under clause 19.1(b); and
 - (ii) the Dispute is solely between the Operator and Queensland Rail and does not require the Access Holder's participation to resolve the Dispute,the Access Holder may elect not to participate in the dispute resolution process under clause 19 by giving notice to that effect to the other Parties.
- (b) Where the Access Holder gives a notice under clause 4.5(a), clause 19 will apply as though a reference to the Parties does not include the Access Holder in relation to that Dispute.
- (c) Despite clause 19, where:
 - (i) a Dispute Notice is given to the Operator under clause 19.1(b); and
 - (ii) the Dispute is solely between the Access Holder and Queensland Rail and does not require the Operator's participation to resolve the Dispute, the Operator is not entitled to participate in the dispute resolution process.

4.6 Representations and warranties

- (a) In addition to any other express or implied representations and warranties in this agreement, the Access Holder and Queensland Rail represent, warrant and undertake to each other that:
 - (i) it is a corporation validly existing under the laws applicable to it;
 - (ii) it has the power to enter into and perform all of its obligations under this agreement and has obtained all necessary consents and approvals to enable it to do so;

- (iii) its obligations under this agreement are enforceable in accordance with the relevant terms and are fully binding on it;
 - (iv) it is not in breach or default under any agreement to which it is a party to an extent or in a manner which would have a material adverse effect on its ability to perform its obligations under this agreement;
 - (v) there is:
 - (A) no litigation, arbitration or administrative proceeding taking place, pending, commenced or, to its knowledge, threatened against it; and
 - (B) no judgment or award has been given or made by, any court, arbitrator, other tribunal or governmental agency against it,which would or could have a material adverse effect on its ability to perform its obligations under this agreement; and
 - (vi) it will, as soon as practicable, notify the other Party of the occurrence of, or pending or threatened occurrence of, any event that may cause or constitute a material breach of any of the acknowledgments, representations, warranties or covenants of the that Party under this agreement and any event that could have a material adverse effect on its ability to perform its obligations under this agreement; and
 - (vii) all information provided by each Party to the other Party, whether pursuant to this agreement or otherwise, in relation to or in connection with the Train Services, the Party's rights or obligations under this agreement or the negotiation of this agreement, is correct and complete in all material respects and is not, whether by omission or otherwise, misleading or deceptive.
- (b) The representations and warranties set out in clause 4.6(a) are taken to be given and made on the Commencement Date and on each day during the Term.

5. Accreditation

- (a) The Operator and Queensland Rail must, on and from the Commitment Date for Train Services and until the End Date for those Train Services, hold the necessary Accreditation in accordance with this agreement.
- (b) The Operator must at least 20 Business Days prior to the Commitment Date, satisfy Queensland Rail (acting reasonably) of its compliance with clause 5(a).
- (c) Queensland Rail and the Operator will provide to the other Party, and continue to provide to the other Party, a copy of the relevant Accreditation, including:

 - (ii) to recommence Train Movements where there is or was an Obstruction,including to move, or remove from the Network, any of the Operator's Rolling Stock (including any freight) that is causing or contributing to an Obstruction or preventing or hindering Train Movements. To the extent that costs and expenses from an Obstruction are caused or contributed to by the Operator, the Operator must pay Queensland Rail's reasonable costs and expenses incurred by Queensland Rail in relation to that Obstruction (including reasonable costs and expenses for doing anything under this clause 10.2(c)) and those reasonable costs and expenses will be a debt due and owing by the Operator to Queensland Rail.

- (Notifiable Events), the Operator must notify Queensland Rail of that Notifiable Event (including any action or intervention taken or being taken by the Operator).
- (c) Where:
 - (i) the Operator is required to give a notice under clause 10.3(b); and
 - (ii) a Train Service is affected by, involved with or has caused or contributed to the relevant event,

 - (iv) before any Dangerous Goods are carried on that Train Service, the Operator's Emergency Management Plan includes procedures for responding to an Incident involving those Dangerous Goods, or any other event or circumstance that gives rise to a material or imminent risk of an escape, release or discharge of those Dangerous Goods.]

10.6 Intervention to prevent or mitigate damage

Where:

- (a) Queensland Rail becomes aware of any event, circumstance, condition, operation, activity or omission in connection with the Network, the Train Services or any other related activity of the Operator which has caused or contributed to or is likely to cause or contribute to:
 - (i) any Environmental Harm;
 - (ii) any failure by Queensland Rail to comply with or observe any Law;
 - (iii) Queensland Rail being subject to a lawful direction, order or other requirement by any Authority;

- (iv) any loss of, damage to or destruction of real or personal property (including property of the other Party); or

10.7 Noise mitigation

- (a) In addition to any noise mitigation or management requirements under the IRMP or as otherwise agreed between the Parties, the Operator must pay to Queensland Rail a contribution, as determined by Queensland Rail (acting reasonably), to the costs and expenses incurred by Queensland Rail in relation to any noise mitigation or management measures on the Network, or land adjacent to the Network, that are considered necessary by Queensland Rail (acting reasonably) to comply with noise levels, limits, standards, guidelines or other requirements that Queensland Rail is required to comply with or which are required in order for Queensland Rail to comply with under any applicable Law (**Noise Mitigation Requirements**).
- (b) Queensland Rail will (acting reasonably):
 - (i) consult with the Operator prior to Queensland Rail electing to implementing noise mitigation or management measures on the Network, or land adjacent to the Network, to comply with any applicable Noise Mitigation Requirements from time to time; and
 - (ii) notify the Operator of how it will determine the Operator's contribution to its costs and expenses in relation to any noise mitigation or management measures, including, prior to electing to implement noise mitigation or management measures on the Network, providing to the Operator any tender documents and quotes to support any expenses which Queensland Rail will seek to recover.

11. Inspection of Trains and Rolling Stock

- (a) Where:
 - (i) Queensland Rail believes (acting reasonably) that the Operator's Rolling Stock or Train Configurations do not comply with:
 - (A) the authorised Rolling Stock and Train Configurations applicable to the Train Services;
 - (B) any applicable Laws relevant to the Train Services; and
 - (ii) Queensland Rail cannot otherwise reasonably confirm that compliance,

Queensland Rail may:

- (iii) notify the Operator of its belief (including the grounds supporting that belief) and require the Operator to demonstrate that the Rolling Stock or Train Configurations are compliant; and
- (iv) where the Operator fails to demonstrate compliance:
 - (A) inspect any Trains or Rolling Stock utilised or intended to be utilised for the Train Services; or
 - (B) require the Operator to have an inspection conducted, after giving notice of that inspection or requirement to the Operator and for this purpose, Queensland Rail or Queensland Rail's Associates will be entitled at any time to enter and ride on the Operator's Trains or Rolling Stock.
- (b) Queensland Rail may require any of the Operator's Rolling Stock (either loaded or empty) to be available at such location on the Network as Queensland Rail may require (acting reasonably) for weighing, measuring or other inspection at any time specified by Queensland Rail (acting reasonably), provided that Queensland Rail must use reasonable endeavours to minimise any diversion or delay to a Train Service.
- (c) If any of the Operator's Rolling Stock is reasonably considered by Queensland Rail to be loaded:
 - (i) in excess of its rated carrying capacity; or
 - (ii) in an unsafe or insecure manner,then Queensland Rail may:
 - (iii) at any time require the Operator to discontinue the Train Service or to remove the excess or adjust the load at the Operator's expense; or
 - (iv) where the Operator fails to immediately remove the excess or adjust the load, arrange for its removal or adjustment and Queensland Rail's reasonable costs and expenses of doing so will be a debt due and owing by the Operator to Queensland Rail.
- (d) The Operator must provide all reasonable assistance required by Queensland Rail in conducting any inspection, including allowing Queensland Rail, its appointed representative or a person appointed to conduct an inspection to discuss any relevant matter with the Operator's Associates. A member of the Operator's Associates may be present at the inspection.
- (e) Nothing in this clause 11 obliges the Operator, or entitles Queensland Rail, to do anything that would result in the Operator not complying with any Law.
- (f) The Operator must bear the reasonable costs of the conduct of the inspection to the extent that the inspection demonstrates that a relevant non-compliance exists.
- (g) Queensland Rail must bear the costs of conducting the inspection to the extent that the inspection demonstrates that no relevant non-compliance exists.
- (h) An inspection by Queensland Rail under this clause 11 does not relieve the Operator of its obligations under this agreement or at Law.

12. Risk and indemnities

12.1 Indemnities for personal injury and property damage

- (a) Subject to clause 13 (and without limitation to clause 12.2), the Operator indemnifies and will keep indemnified each other Party and that other Party's Associates against all Losses

suffered or incurred by, or Claims brought against or made upon, that other Party or its Associates (as applicable) in respect of:

(i) any loss of, damage to or destruction of real or personal property (including property of any Party); or

(ii) personal injury to or death of any person,

in each case to the extent caused or contributed to by:

(iii) a breach of this agreement by the Operator; or

(iv) any negligent act or omission of the Operator or the Operator's Associates in the performance of obligations, or in the exercise of rights, under this agreement.

(b) Subject to clause 13 (and without limitation to clause 12.2), Queensland Rail indemnifies and will keep indemnified each other Party and that other Party's Associates against all Losses suffered or incurred by, or Claims brought against or made upon, that other Party or its Associates (as applicable) in respect of:

(i) any loss of, damage to or destruction of real or personal property (including property of any Party); or

(ii) personal injury to or death of any person,

in each case to the extent caused or contributed to by:

(iii) a breach of this agreement by Queensland Rail; or

(iv) any negligent act or omission of Queensland Rail or Queensland Rail's Associates in the performance of obligations, or in the exercise of rights under this agreement.

(c) Subject to clause 13, the Access Holder indemnifies and will keep indemnified each other Party and that other Party's Associates against all Losses suffered or incurred by, or Claims brought against or made upon, that other Party or its Associates (as applicable) in respect of:

(i) any loss of, damage to or destruction of real or personal property (including property of any Party); or

(ii) personal injury to or death of any person,

in each case to the extent caused or contributed to by:

(iii) a breach of this agreement by the Access Holder; or

(iv) any negligent act or omission of the Access Holder or the Access Holder's Associates in the performance of obligations, or in the exercise of rights under this agreement.

12.2 Operator's carriage indemnity

(a) This clause 12.2 only applies where the Operator holds the Access Rights and the Operator's Customer is not a Party.

(b) The Parties acknowledge and agree that if the Operator's Customer were a Party to this agreement, then clause 13 should and would apply as if a reference to the Operator in clause 13 included a reference to the Operator's Customer with the effect of limiting and excluding Claims and liability for Losses as between the Operator's Customer and Queensland Rail – for example, excluding Claims by the Operator's Customer against Queensland Rail for Consequential Loss (where applicable).

(c) As there is no contract between Queensland Rail and the Operator's Customer addressing the matters referred to under clause 12.2(b), the Operator indemnifies and will keep indemnified Queensland Rail and its Associates from all Claims by the Operator's Customer (including any Loss arising out of Claims) in a way that gives effect to clause 13 as if clause 13 did apply as between Queensland Rail and the Operator's Customer (with

any reference to the Operator in clause 13 being a reference to the Operator's Customer). For example, if the Operator's Customer is not a Party and commences a Claim against Queensland Rail for Consequential Loss in circumstances where the Operator is excluded from making any such Claim, then the Operator will indemnify Queensland Rail for that Consequential Loss.

- (d) The Operator is responsible for all conduct of the Operator's Customer relating to this agreement (including the Train Services). Any act or omission of the Operator's Customer is deemed to be an act or omission by the Operator for the purposes of this agreement.

12.3 Conditions of carriage exclusions and limitations of liability

Without limiting clause 12.2, the Operator (and where the Operator's Customer is a Party, the Operator's Customer) must:

- (a) ensure Queensland Rail has the benefit of any exclusion or limitation of liability in favour of, or for the benefit of, the Operator under the Operator's conditions of carriage in relation to any person, or any person whose property is, being transported on Train Services including the Operator's Customer; and
- (b) provide to Queensland Rail details of the provisions of the conditions of carriage relevant to those exclusions and limitations of liability in place from time to time.

12.4 Assistance in defence of Claims arising from Network Incidents

Each Party must provide reasonable assistance to each other Party in the defence of any Claim made against that other Party by a third party arising out of any event in connection with a Network Incident.

12.5 Parties responsible for their Associates

- (a) A Party may allow any of that Party's Associates to exercise any of the Party's rights or to comply with any of the Party's obligations under this agreement.
- (b) Each Party is responsible for the conduct of that Party's Associates in exercising any of that Party's rights or complying with any of the Party's obligations as if that conduct was the conduct of that Party itself.
- (c) If a Party delegates or subcontracts the exercise or performance of any of its rights or obligations under this agreement to any person, then:
 - (i) that Party remains fully responsible for the exercise or performance of the delegated or subcontracted (as applicable) rights or obligations; and
 - (ii) any conduct of any delegate or subcontractor (as applicable) will be taken to be the conduct of the Party.

12.6 Benefit of indemnities in favour of Associates

- (a) Each Party acknowledges and agrees that its obligation to indemnify the other Party's Associates under this clause 12 is for the benefit of the other Party's Associates.
- (b) For the purpose of section 55 of the *Property Law Act 1974* (Qld) (and without limiting the operation of that section), each Party acknowledges that any person who is comprised in the other Party's Associates may accept that benefit.
- (c) Each of the Parties acknowledge that valuable consideration was received for the grant of the benefit referred to in clause 12.6(a) and that benefit may be enforced by its Associates (as applicable) in accordance with section 55 of the *Property Law Act 1974* (Qld).
- (d) Without limiting clauses 12.6(a) to 12.6(c), each Party hereby gives notice, for and on behalf of that Party's Associates, to the other Party accepting the benefit of the indemnities under this clause 12 that are in favour of that Party's Associates. The notice under this clause 12.6(d) is taken to be given on each day during the Term (including the

Commencement Date and the Termination Date) and on each day after the Termination Date while those indemnities survive the expiry or termination of this agreement.

13. Limitations on liability

13.1 No liability for Consequential Loss

- (a) Subject to clause 13.1(b), despite any other provision in this agreement no Party is liable to another Party for any Consequential Loss suffered or incurred by, or Claimed against, the other Party.
- (b) Clause 13.1(a) does not apply in relation to any Loss suffered or incurred by, or Claimed against a Party to the extent caused or contributed to by an Inspecting Party failing to comply with its obligations under clauses 9.4 to 9.10 in relation to conducting that Inspection or Audit.

13.2 Limitation on Claims

A Party must not make any Claim against the other Party under, in relation to or arising out of this agreement or its subject matter including any breach of this agreement by, or any act or omission of, the other Party unless:

- (a) notice and [to the extent known](#), full details of the Claim have been given to the other Party within one year after the occurrence of the event or circumstance out of which such Claim arises; and
- (b) subject to clause 13.3, the amount of the Claim exceeds \$100,000 in respect of any one event or cause of action or series of related events or causes of action (and, for clarity, the amount of any Claim is not limited to the amount exceeding that threshold).

13.3 Failure to pay amounts

No exclusion or limitation of liability, or restriction on the existence of or ability to make any Claim, in this clause 13 applies to Claims made by a Party against the other Party for monies due and payable in accordance with this agreement including under clause 6 and clauses 13.4, 13.5, and 13.6.

13.4 Liability for Network

- (a) Subject to clause 13.4(b), without limiting any other provisions of this agreement and to the extent permitted by law, Queensland Rail and its Associates are not liable to another Party for any Losses, and the other Party must not make any Claim against either Queensland Rail or its Associates, including in respect of any damage to or loss or destruction of any property (including that other Party's property) or any injury to or death of any person, arising out of or in connection with:
 - (i) the standard, capability or condition of the Network; or

For clarity, Queensland Rail is not obliged to conduct such a review where there ceases to be a Reference Tariff that is relevant to the Train Services.
- (c) The purpose of the review under this clause 18.1 is to determine the amendments to Schedule 3 that are necessary to ensure Schedule 3 remains consistent with the Reference Tariff Provisions (including take or pay) —to the extent that Schedule 3 was consistent with those Reference Tariff Provisions at the Commencement Date (and always subject to any differences referred to in clause 18.1(d)(ii)).
- (d) Without limiting the matters that Queensland Rail must consider in a review under clause 18.1(b), any review of Schedule 3 must have regard to the following:
 - (i) any relevant new or varied Reference Tariff;
 - (ii) the differences between the relevant Train Service and the Reference Train Service defined in the relevant Reference Tariff Provision; and
 - (iii) any other relevant provisions of the Access Undertaking.
- (e) After Queensland Rail's review of Schedule 3, Queensland Rail must notify the other Parties of whether it proposes to amend Schedule 3 and if so, the amendments to Schedule 3 that will apply and the date from which those amendments take effect (Amendment Notice). For clarity, the amendments may take effect retrospectively, but must not take effect prior to the time when the relevant Reference Tariff Provision, or amendments to the relevant Reference Tariff Provision, take effect as approved by the QCA.
- (f) If the Access Holder does not accept some or all of the amendments in the Amendment Notice or where Queensland Rail has decided not to amend Schedule 3, then:
 - (i) the Access Holder may only give Queensland Rail a Dispute Notice within ten Business Days after being given that Amendment Notice; and
 - (ii) if the Access Holder gives such a Dispute Notice and the Parties do not resolve the Dispute in accordance with clause 19.2, the Dispute must be referred for determination by an Expert under clause 19.3.
- (g) For clarity, in this clause 18.1 a reference to Schedule 3 includes each other provision (including defined terms) of this agreement relevant to Schedule 3 but only to the extent that they are directly necessary for the application, or interpretation, of Schedule 3.
- (h) For clarity, clause 2.2 of Schedule 3 and clause 18.1 must not be applied in a manner that will result in any part of an Access Charge Input being escalated twice for the same period based on the change in CPI over that period.

18.2 Adjustment for a Material Change

- (a) This clause 18.2 does not apply where a Reference Tariff applies or in relation to a Material Change to the extent that the Net Financial Effect of that Material Change has been, or will be, removed as a result of:
 - (i) amendments to Schedule 3 in accordance with clause 18.1; or
 - (ii) the escalation or variation of Access Charge Inputs in accordance with this agreement.
- (b) If a Material Change occurs, then Queensland Rail must as soon as reasonably practicable notify the Access Holder giving details of the Net Financial Effect of that Material Change.
- (c) Within five Business Days after Queensland Rail gives a notice under clause 18.2(b), the Access Holder and Queensland Rail must meet and negotiate, in good faith, adjustments to this agreement, including adjustments to the Access Charges, in order to remove as far as practicable the relevant Net Financial Effect and to put Queensland Rail in the position it would have been in had there been no Material Change.
- (d) If the Access Holder and Queensland Rail do not reach agreement within 15 Business Days after Queensland Rail's notice under clause 18.2(b) or otherwise resolve the matter in accordance with clause 19.2, then the matter must be referred to an Expert for determination in accordance with clause 19.3.
- (e) Each Party's obligations under this agreement will continue despite the existence of a Material Change.

19. Disputes

If any Dispute is not resolved in accordance with this clause 19, then the Dispute may be referred to one of the courts of the State having jurisdiction, and sitting in Brisbane.

19.6 Injunctive Relief

Nothing in this agreement prevents a Party from seeking urgent injunctive relief from a court.

19.7 Dispute not to affect performance of obligations

The Parties are not relieved from performing their obligations under this agreement because of the existence of a Dispute.

19.8 Extension of time frames

Where a timeframe applies under this clause 19 in relation to a Dispute, the Parties may (acting reasonably) agree to vary that timeframe and if the Parties do agree a varied timeframe then this clause 19 will apply in relation to that Dispute subject to that varied timeframe.

20. Force majeure

20.1 Force Majeure Event occurrence

- (a) If a Party (**Affected Party**) is prevented or hindered by a Force Majeure Event from fully or partly complying with any obligation (except for any obligation to pay money) under this agreement, the Affected Party must, as soon as reasonably practicable, give notice of the Force Majeure Event to the other Parties including reasonable details of:
- (i) the Force Majeure Event;
 - (ii) the effect of the Force Majeure Event on the performance of the Affected Party's obligations;
 - (iii) the likely duration of the delay in performance of those obligations; and
 - (iv) details of the actions the Affected Party has taken to remedy the situation and details of any actions that the Affected Party proposes to take to remedy the situation.

- (a) The obligations of the Affected Party will be suspended where by reason of a Force Majeure Event that Party is delayed in, or prevented from, carrying out its obligations under this agreement.
- (b) Notwithstanding clause 20.2(a), the Access Holder will be relieved from obligations in respect of the payment of Access Charges during the period that the Network is damaged or destroyed by a Force Majeure Event or the Force Majeure Event otherwise prevents Queensland Rail from providing access to the Network in accordance with clause 2 of this agreement.

20.3 Duty to Mitigate

Each Party will use all reasonable diligence to remedy or overcome the effect of the Force Majeure Event as soon as possible and will attempt to identify alternative viable means of providing the Access Rights affected and to mitigate the effect of the Force Majeure Event. No Party will be obliged to settle any strike, lockout or other labour dispute on terms not acceptable to it.

20.4 End of period of Force Majeure

Subject to clauses 20.5(c) and clause 20.6, the suspension of the obligations of the Parties due to a Force Majeure Event ends when the Affected Party is able to resume full performance of its obligations under this agreement at which time it must issue a notice to the other Parties advising that it intends to recommence the performance of its obligations and must thereafter recommence the performance of its obligations.

20.5 Termination for Loss or Damage to the Network

- (a) In the event that any part of the Network is damaged or destroyed by a Force Majeure Event and in Queensland Rail's reasonable opinion the cost of repairing such damage or replacing that part of the Network is not economic on the basis of the then and committed future utilisation of that part of the Network, Queensland Rail must promptly by written notice advise the Access Holder of:
- (i) the estimated cost of effecting the necessary repairs or replacement works;
 - (ii) the amount of insurance available to effect the necessary repairs and replacement works;
 - (iii) a detailed explanation as to why the cost of repairing or replacing is not economic; and

- (iv) Queensland Rail's intention to not repair or replace the relevant part of the Network unless the Access Holder or any other access holder using that part of the Network pays the difference between the amount of insurance available to effect the necessary repairs or replacement and the actual anticipated cost to effect those repairs or replacements.
- (b) If the Access Holder gives notice to Queensland Rail advising that it will pay the difference between the amount of insurance available to effect the necessary repairs or replacement works and the cost of necessary repairs or works (or a part of that cost as requested by Queensland Rail), then Queensland Rail will proceed with the repairs or replacement within a reasonable time after receipt by Queensland Rail from the Access Holder of payment of the relevant amount subject to reaching agreement with any other access holder using the affected part of the Network. Where the Access Holder pays to Queensland Rail the whole of the estimated cost, Queensland Rail must, upon completion of the necessary repairs or replacement works, refund to the Access Holder any amount by which the amount paid by the Access Holder exceeds the actual cost and the Access Holder shall pay to Queensland Rail the amount by which the actual cost exceeds the amount paid by the Access Holder.
- (c) If within three months after receipt of a notice from Queensland Rail under clause 20.5(a) the Access Holder has not given notice to Queensland Rail pursuant to clause 20.5(b) indicating that it will pay the whole, or that part requested by Queensland Rail, of the cost of the necessary repairs or replacement works, and Queensland Rail has not subsequently agreed to fund the repairs or replacement works within that period, the Access Holder or Queensland Rail shall have the right to terminate this agreement in accordance with clause 20.7.

20.6 Repair Negotiations

If an Access Holder gives Queensland Rail a notice pursuant to clause 20.5(b), then the Access Holder and Queensland Rail will promptly commence negotiations of a Funding agreement in accordance with clause 1.4 of the Access Undertaking.

20.7 Termination after extended Force Majeure Event

Subject to clause 20.6 or the process under clause 20.5 having been finalised (if applicable), if by reason of a Force Majeure Event either Queensland Rail or the Access Holder (relevantly the **Afflicted Party**) is rendered unable to perform its obligations under this agreement for a period of more than six consecutive months, the Access Holder and Queensland Rail must meet in an endeavour to identify any alternative viable means to provide the suspended Access Rights and failing an alternative means being agreed upon within one month of the end of the six month period the other Party may terminate this agreement by 30 days' written notice to the Afflicted Party and the provisions of this agreement relating to termination set out in clauses 15.10 and 15.11 apply without prejudice to any of the rights of the Parties accrued prior to the date of such termination.

21. Reduction and relinquishment of Access Rights

21.1 Reduction of Access Rights

- (a) If:
- (b) the Access Holder fails to have an Operator operate all Train Services on Scheduled Train Paths for seven or more (not necessarily consecutive) weeks out of any 12 consecutive weeks when such Train Services are scheduled; and
- (c) Queensland Rail can demonstrate that it has a reasonable expectation of:
- (d) a sustained alternative demand for the capacity used by the Access Rights in question; or

- (e) receiving a commercial benefit sufficiently material to justify the resumption of the Access Rights in question,
- then:
- (i) Queensland Rail may, within ten Business Days after the last of those seven occasions, give a notice to the Access Holder (**Resumption Notice**):
 - (A) that Queensland Rail is considering reducing the Access Holder's Access Rights from a nominated date (**Date of Resumption**) to the extent of that underutilisation; and
 - (B) requesting the Access Holder to demonstrate a sustained requirement for the Access Rights.
 - (f) If a Resumption Notice is given to the Access Holder and the Access Holder has not demonstrated to Queensland Rail's reasonable satisfaction, within 40 Business Days (or longer period if agreed between the Access Holder and Queensland Rail (both acting reasonably)) of receiving the Resumption Notice, a sustained requirement for the Access Rights that were not utilised:
 - (i) Queensland Rail must promptly notify the Access Holder of whether Queensland Rail has decided to proceed with the resumption and, if Queensland Rail has decided to proceed, whether Queensland Rail has decided to reduce the level of resumption, or nominate a later date for the Date of Resumption, from that given in the Resumption Notice (**Resumption Decision Notice**); and
 - (ii) if Queensland Rail has decided to proceed with the resumption, the Access Holder's entitlement to operate Train Services shall be reduced to the level specified in the Resumption Notice with effect on and from the Date of Resumption (except to the extent that those matters have been varied in accordance with clause [21.1\(f\)\(i\)](#)~~21.1(b)(i)~~).
 - (g) If the Access Holder does not agree with the reduction of the Access Holder's entitlement proposed by Queensland Rail pursuant to clause 21.1(a) and [21.1\(f\)](#)~~21.1(b)~~, the Access Holder may, within 20 Business Days of the receipt of the Resumption Decision Notice, notify Queensland Rail in writing that it disputes the proposed reduction in which case the Access Holder may refer the Dispute for determination by an Expert in accordance with clause 19.3 of this agreement (subject to any other dispute resolution process otherwise agreed by the Parties to the Dispute (in each Party's absolute discretion)). The Expert will determine whether the conditions for a reduction in Access Rights set out in clause 21.1(a) have been met and whether the Access Holder has demonstrated a sustained requirement for that part of the Access Rights to which the reduction would apply. The reduction proposed in the Resumption Decision Notice will not take effect until resolution of the dispute and then only to the extent that the reduction is consistent with the Expert's determination.
 - (h) Queensland Rail may withdraw the Resumption Notice or the Resumption Decision Notice at any time prior to the later of the Date of Resumption and 10 Business Days following the resolution of the dispute.
 - (i) In the event that the Access Holder's entitlement to operate Train Services is reduced in accordance with this clause 21.1, the agreement (including the Access Charges) will be varied accordingly.
 - (j) A Train Service has not been operated on a Scheduled Train Path if the Operator has failed:
 - (i) to present the relevant Train at the scheduled entry point onto the Network; or
 - (ii) to operate the relevant Train so that it completes its full journeyin conformance with the locations and days set out in the Scheduled Train Paths applicable to such Train Service except:

- (iii) where the prior agreement of Queensland Rail and the Operator has resulted in the Operator using an alternative Train Path for that Train Service.

21.2 Relinquishment of Access Rights

- (a) If the Access Holder intends to relinquish all or part of the Access Rights, the Access Holder must give Queensland Rail reasonable notice of its intention to do so specifying:
 - (i) the Access Rights that the Access Holder intends to relinquish (**Nominated Access Rights**);
 - (ii) if the Access Holder intends that all or part of the Relinquished Access Rights be used so Queensland Rail can grant specific access rights to a specified Access Seeker (as defined in the Access Undertaking) (**Transfer**), the identity of that Access Seeker (**Transferee**) – and, for clarity, the Access Holder may itself be that Access Seeker; and
 - (iii) subject to clause 21.2(b), the date (**Relinquishment Date**) on which and the period for which the Nominated Access Rights are to be relinquished.
- (b) The period from the giving of the notice under clause 21.2(a) until the Relinquishment Date must not exceed nine months.
- (c) The relinquishment of any Nominated Access Rights in accordance with this clause 21.2 is subject to and conditional on the Access Holder paying to Queensland Rail the Relinquishment Fee on or before the Relinquishment Date.
- (d) If the Access Holder pays the Relinquishment Fee to Queensland Rail on or before the Relinquishment Date, then the terms of this agreement will cease to apply in respect of the Nominated Access Rights on the Relinquishment Date.
- (e) Queensland Rail must facilitate a Transfer in respect of a Transferee if:
 - (i) the relevant Access Rights to be granted to the Transferee are included in a new or varied access agreement with the Transferee on terms satisfactory to Queensland Rail (acting reasonably);
 - (ii) Queensland Rail is satisfied (acting reasonably) that the new or varied access agreement with the Transferee has been developed in accordance with the requirements of the Access Undertaking;
 - (iii) the Access Holder has complied with clause 21.2(a) and paid the Relinquishment Fee to Queensland Rail on or before the Relinquishment Date; and
 - (iv) Queensland Rail has sufficient Available Capacity (as defined in the Access Undertaking) so that it can grant all of the relevant access rights to the Transferee without adversely affecting any other third Party.
- (f) If the Relinquishment Fee is not paid on or prior to the Relinquishment Date, then the Access Holder is taken to have withdrawn the notice given under clause 21.2(a) and Queensland Rail has no further obligations under this clause 21.2 in relation to the relevant relinquishment.

21.3 Replacement Access Agreement

If Queensland Rail or the Access Holder identify an opportunity for Queensland Rail to enter into an access agreement with an existing or prospective access holder that would result in a lessening of the Relinquishment Fee that would otherwise be payable to Queensland Rail under clause 21.2, Queensland Rail will not unreasonably delay the process for negotiating and executing an Access Agreement with that existing or prospective access holder.

21.4 Termination where no Access Rights remain

- (a) Subject to clause 21.4(b), where Access Rights have been resumed, reduced, relinquished or transferred in accordance with this agreement to the extent that there are

no longer any Access Rights remaining the subject of this agreement, then Queensland Rail may terminate this agreement by notice to the Access Holder (without prejudice to those provisions which are stated to survive this agreement).

- (b) Where, but for the operation of Ad Hoc Train Services, the Access Holder has no right to utilise the Network, unless otherwise agreed between the Parties (each acting reasonably), this agreement will continue to operate in relation to those Ad Hoc Train Services.
- (c) Any termination under clause 21.4 is without prejudice to any rights of any Party which accrued on or before termination.

- (c) the Access Holder will no longer be obliged to pay Access Charges in respect of the resumed, reduced, relinquished or transferred Access Rights (except for any such Access Charges that accrued prior to the resumption, reduction, relinquishment or transfer payable in respect of the part of the Year prior to the resumption, reduction, relinquishment or transfer).

 - (ii) between matters contained in the Access Undertaking and this agreement, the provisions of this agreement prevail.

[NOTE: The contents of this Schedule 3 are only applicable where the Reference Tariff applies to set the Access Charges. Where the Reference Tariff does not apply in relation to the Access Charges, the contents of this Schedule 3 will need to be replaced with terms negotiated by the Parties.]

1. Access Charge Inputs

- (a) The Access Charge Inputs (as at the Commencement Date) to apply for specific Train Services are as set out below.

Access Charge Inputs	Origin				
	Destination				
	Variable rate (\$/1000gtk)	AT _{1(W)}			
	Fixed rate (\$/Train Path)	AT _{2(W)}			
	Variable rate (\$/1000gtk)	AT _{1(M)}			
	Fixed rate (\$/Train Path)	AT _{2(M)}			
	QCA Levy ⁵ (\$/Net Tonne)	QL			
	Locomotive Weight (t)		94.5		
	Wagon Weight (Unloaded) (t)		15.2		
	Wagon Weight (Loaded) (t)		63		

[NOTE: The Locomotive Weight and Wagon Weights shown above are based on the Reference Train Service. If the relevant Train Service differs from the Reference Train Services those number may be different too.]

	Access Charge Input
	Miscellaneous service rate (\$/tkm ⁷)
Miscellaneous services ⁶	
Unscheduled repositioning of Rolling Stock within the Applicable Network described in schedule 2	
All other such relocations and movements	

- (b) The Access Charge Inputs will be varied or escalated in accordance with clauses 2 and 3 of this schedule 3 and clause 18, as applicable.

⁵ The purpose of the QCA Levy is to recover the fee charged by the QCA from the beneficiaries of the QCA's regulatory services. The QCA Levy and its allocation to Train Services will be determined and published by Queensland Rail each Year in accordance with clause 3.7 of the Access Undertaking.

⁶ For clarity, a **miscellaneous** service to which the miscellaneous service rates apply will be treated as a special type of ad hoc train service for the purposes of this agreement including the application of the Network Management Principles and are comprised in 'Ad Hoc Train Services' as referred to under the Network Management Principles.

⁷ Where tkm is a reference to train kilometre – that is, each kilometre or part thereof travelled on the Network by the Train(s) or Rolling Stock involved. For example, if the relevant miscellaneous service rate is \$X/tkm and the total tkm for in respect of those miscellaneous services is 1000, then the relevant charge will be X multiplied by 1000.

2. CPI escalation

2.1 Calculation of CPI escalation where a Reference Tariff applies

Where a Reference Tariff continues to apply to the Train Services after the Commencement Date, the Access Charges will be escalated under this agreement in the same manner as that Reference Tariff is escalated from time to time under the Access Undertaking.

2.2 Calculation of CPI escalation where no Reference Tariff applies

- (a) This clause 2.2 only applies where a Reference Tariff ceases to apply in relation to the Train Services.
- (b) The Access Charge Inputs (other than the QCA Levy), and any other charges or rates expressed in this agreement as being subject to escalation, will escalate on each 1 July during the Term (**Escalation Date**), in accordance with the following formula:

$$ACI_n = ACI_{n-1} \times \left(\frac{CPI_n}{CPI_{n-1}} \right)$$

where:

ACI_n means the amount of the relevant Access Charge Input (or other charge or rate) that commences to apply on the relevant Escalation Date;

ACI_{n-1} means the amount of the relevant Access Charge Input (or other charge or rate) applicable immediately prior to the relevant Escalation Date;

CPI_n means the CPI for the Quarter which commenced six months prior to the relevant Escalation Date;

CPI_{n-1} means the CPI for the Quarter which commenced 18 months prior to the relevant Escalation Date.

- (c) If:
 - (i) the basis of assessment of the CPI is altered in a material way; or
 - (ii) the CPI ceases (or is likely to cease) to be:
 - (A) published; or
 - (B) published at sufficiently regular intervals for the purpose of the calculation in clause 2.2 of this Schedule 3,

then a Party may notify the other Parties that the CPI is required to be replaced.
- (d) After a notice is given in accordance with clause 2.2(c) of this Schedule 3:
 - (i) the Parties will negotiate in good faith for the purpose of agreeing to vary or replace the CPI; and
 - (ii) if the Parties fail to agree within 30 days after that notice is given, then the matter must be referred to an Expert for determination in accordance with clause 19.3 (subject to any other dispute resolution process otherwise agreed by the Parties to the Dispute (in each Party's absolute discretion)).
- (e) For clarity, if the Parties reach agreement, or the Dispute is resolved, after the relevant Escalation Date, the Parties agree to retrospectively adjust any Access Charges (or other relevant amounts) invoiced since that date to be consistent with that agreement, or the resolution of the Dispute, in accordance with clause 6.6.

3. Variation of QCA Levy

Queensland Rail may, from time to time, vary the Access Charge Input for the QCA Levy by giving notice in writing to the Access Holder of that variation. However such variations may only be made in accordance with the Access Undertaking or as otherwise approved by the QCA.

4. Calculation of invoice for access

4.1 Invoice calculations

The amount of the invoice for charges payable by the Operator to Queensland Rail under this agreement for a relevant month is calculated in accordance with the following formula:

$$TC = AC \times (1 + GST) + G$$

where:

TC is the total amount of charges payable by the Operator for the relevant month;

AC is the sum of VCM, FCM, VCW, FCW and QCAL for each Train Service for the relevant month and, if the relevant month is:

- (a) the last month of the Year; or
- (b) the month in which this agreement has expired or terminated,

TP;

FCM is the fixed charge component for the relevant Train Service calculated by the formula:

$$AT_{2(M)} \times rtp_{(M)}$$

where:

rtp_(M) has the meaning given to that term in the Access Undertaking in relation to the relevant Train Service (or, where a Reference Tariff ceases to apply in relation to the Train Services, as last defined in the Access Undertaking); and

AT_{2(M)} is the amount specified as such in clause 1 of this Schedule 3 for the relevant Train Service applicable for the relevant month as escalated, or varied, from time to time in accordance with this agreement;

VCM is the variable charge component for the relevant Train Service calculated by the formula:

$$AT_{1(M)} \times \frac{gtk_{(M)}}{1000}$$

where:

gtk_(M) is the gross tonne kilometres for the relevant Train Service calculated in accordance with clause 5.2 of this Schedule 3 relating to the Metropolitan System; and

AT_{1(M)} is the amount specified as such in clause 1 of this Schedule 3 for the relevant Train Service applicable for the relevant month as escalated, or varied, from time to time in accordance with this agreement;

FCW is the fixed charge component for the relevant Train Service calculated by the formula:

$$AT_{2(W)} \times rtp_{(W)}$$

where:

rtp_(w) has the meaning given to that term in the Access Undertaking in relation to the relevant Train Service (or, where a Reference Tariff ceases to apply in relation to the Train Services, as last defined in the Access Undertaking); and

AT_{2(w)} is the amount specified as such in clause 1 of this Schedule 3 for the relevant Train Service applicable for the relevant month as escalated, or varied, from time to time in accordance with this agreement;

VCW is the variable charge component for the relevant Train Service calculated by the formula:

$$AT_{1(w)} \times \frac{gtk_{(w)}}{1000}$$

where:

gtk_(w) is the gross tonne kilometres for the relevant Train Service calculated in accordance with clause 5.2 of this Schedule 3 relating to the West Moreton System (as defined under the Access Undertaking or, where that term ceases to be defined in the Access Undertaking, as last defined in the Access Undertaking); and

AT_{1(w)} is the amount specified as such in clause 1 of this Schedule 3 for the relevant Train Service applicable for the relevant month as escalated, or varied, from time to time in accordance with this agreement;

QCAL is the QCA Levy component for the relevant Train Service which is calculated by the formula:

$$QL \times nt$$

where:

QL is the amount specified as such in clause 1 of this Schedule 3 for the relevant Train Service applicable for the relevant month as varied from time to time in accordance with this agreement; and

nt is the net tonnes for the relevant Train Service calculated in accordance with clause 1 of this Schedule 3;

TP will be calculated in accordance with the principles outlined in Schedule D of the Access Undertaking. TP will only be determined and charged where the revenue that Queensland Rail earns in relation to Reference Train Services in a Year is less than the Approved Ceiling Revenue Limit (as defined in the Access Undertaking) for that Year.

If the Approved Ceiling Revenue Limit has been reached then even if the Access Holder has not operated a level of Train Services commensurate with its Access Rights, no take or pay charge is due.

If the Approved Ceiling Revenue Limit has not been reached then TP is the take or pay charge for the relevant Year which is the greater of zero and the amount calculated by the formula except that no amount of TP is payable which would cause the Approved Ceiling Revenue Limit to be breached:

$$\left(\left(AT_{1(w)} \times \frac{gtk_{(w)}}{1000} \right) + AT_{2(w)} + \left(AT_{1(m)} \times \frac{gtk_{(m)}}{1000} \right) + AT_{2(m)} \right) \times NTNO \times 1$$

where:

AT_{1(m)}, **AT_{2(m)}**, **AT_{1(w)}** and **AT_{2(w)}** are the amounts specified as such in clause 1 of this schedule 3, as escalated, or varied, from time to time in accordance with this agreement, for the relevant Train Service as applicable on the last day of the relevant Year;

gtk_(M) and **gtk_(W)** are the average gross tonne kilometres for the relevant Train Services calculated in accordance with clause 5.2 of this Schedule 3 in relation to the Metropolitan System and West Moreton System (as defined under the Access Undertaking or, where that term ceases to be defined in the Access Undertaking, as last defined in the Access Undertaking) respectively; and

NTNO is the amount calculated by the formula:

$$\text{NTNO} = \text{TSEY} - \text{TSOY} - \text{TSQRCY}$$

where:

TSEY is the number of Train Services that the Operator was entitled to operate for the Year under this agreement;

TSOY is the number of Train Services that the Operator operated for the Year under this agreement; and

TSQRCY is the number of relevant Train Services which failed to operate for the Year under this agreement due to a Queensland Rail Cause;

GST is the rate of GST (expressed as a decimal) applicable at the time the supply is made; and

G is the sum of any other amount due and payable under this agreement not calculated in AC above including, but not limited to:

- (A) charges for any additional GST;
- (B) payments for interest (if any is payable);
- (C) payments for ad-hoc train services and miscellaneous services; and
- (D) any Adjustment Charges (as defined in the Access Undertaking) and any other adjustments (positive or negative).

4.2 Effects of interim take or pay notices

For the avoidance of doubt, if Queensland Rail has issued one or more Interim Take or Pay Notices (as defined in clause 5.4 of this Schedule 3), then the amounts paid pursuant to those notices will be subtracted from the Yearly take or pay charges otherwise charged to the Access Holder in accordance with this clause 4 of this Schedule 3.

5. Interpretation

5.1 Train Services operate in the period in which they commence to operate

For the purposes of clause 4.1 of this Schedule 3, a Train Service is taken to have operated in the month or a Year in which it commenced operation from its origin even if that Train Service does not reach its destination until the next month or Year.

5.2 Gross tonne kilometres

(a) The gross tonnes (**gt**) for a Train Service is calculated as the sum of:

(i) where **gtk** is being calculated under clause 4.1 for the purpose of:

- (A) VCW or VCM, the maximum gross mass as specified in the Network Control System for each locomotive comprised in the Train Service; or
- (B) TP, the Locomotive Weight (as set out in clause 1(a) of this Schedule 3 for the Train Service) multiplied by the number of locomotives comprised in the Train Service;

- (ii) except where clause 5.2(a)(iii) of this Schedule 3 applies, the Wagon Weight (Loaded) (as set out in clause 1(a) of this Schedule 3 for the Train Service) multiplied by the number of wagons comprised in the Train Service (for clarity, an empty or partly loaded wagon in a Train Service will be treated as a loaded wagon);
 - (iii) if the Train Service is operated empty (after unloading at its destination), the Wagon Weight (Unloaded) (as set out in clause 1(a) of this Schedule 3 for the Train Service) multiplied by the number of empty wagons comprised in the Train Service; and
 - (iv) for all other Rolling Stock, the maximum gross mass specified in the Network Control System for each item of such Rolling Stock comprised in the Train Service.
- (b) For the purpose of clause 5.2(a) of this Schedule 3, the number of wagons comprising a Train Service will be no less than the number of wagons:
 - (i) set out in the Train Service Description for that Train Service; or
 - (ii) where no number of wagons is set out in the Train Service Description, for the Reference Train Service relating to the relevant Reference Tariff as set out in the Access Undertaking.
- (c) The gross tonne kilometres (**gtk**) for a Train Service is determined as the multiple of the gt for the Train Service and the distance travelled in kilometres by the Train Service.

[NOTE: This standard access agreement is based on a train loading at an origin and travelling to a destination where it is unloaded. Modified provisions will be needed in circumstances where, for example, a train loads at its origin and then travels to an intermediate destination where it is either partially unloaded or further loaded before travelling on to its final destination and unloading.]

5.3 Net tonnes

The net tonnes (**nt**) for a Train Service is equal to the gt for the Train Service calculated in clause 5.2(a) of this Schedule 3 less the sum of:

- (a) the Locomotive Weight (as set out in clause 1(a) of this Schedule 3 for the Train Service) multiplied by the number of locomotives comprised in the Train Service;
- (b) the difference between Wagon Weight (loaded) and the Wagon Weight (unloaded) (each as set out in clause 1 of this Schedule 3) for the Train Service) multiplied by the number of wagons comprised in the Train Service and expressed as a positive number; and
- (c) for all other Rolling Stock, the tare mass specified in the Network Control System for each item of such Rolling Stock comprised in the Train Service.

5.4 Interim take or pay notices

- (a) Queensland Rail may, from time to time, give the Access Holder a statement of the accrued Take or Pay Charge liability in respect of a particular period. If such a statement is given, Queensland Rail and the Access Holder will meet, or otherwise discuss that statement, in good faith, to seek to agree the accrued Take or Pay Charge liability in respect of that period.
- (b) Queensland Rail may, from time to time, give the Access Holder a notice under this clause 5.4 that states the accrued Take or Pay Charge liability in respect of a particular period (**Interim Take or Pay Notice**).
- (c) If the Access Holder wishes to dispute any matter set out in an Interim Take or Pay Notice, then any Dispute Notice to be given by the Access Holder under clause 19 of this agreement must be given within ten Business Days (or such longer period as agreed by Queensland Rail) after the relevant Interim Take or Pay Notice was given to the Access Holder. Where the Access Holder does not give a Dispute Notice within that time period,

the Access Holder is taken to reject the matters in the relevant Interim Take or Pay Notice as incorrect.

- (d) Where an Interim Take or Pay Notice is disputed under clause 5.4(c) and that dispute has been finally resolved in a way that requires amendments to that Interim Take or Pay Notice, then Queensland Rail will give the Access Holder an amended Interim Take or Pay Notice (to replace the original Interim Take or Pay Notice) that is consistent with the resolution of the dispute.
- (e) Where two or more Interim Take or Pay Notices relate in whole or part to the same period:
 - (i) if there is any inconsistency between those Interim Take or Pay Notices in respect of that period, then the most recent Interim Take or Pay Notice prevails to the extent of that inconsistency; and
 - (ii) if there is no inconsistency between those Interim Take or Pay Notices in respect of that period, then the Access Holder has no right to dispute the accrued Take or Pay Charge liability for that period under any of those Interim Take or Pay Notices except to the extent that the Access Holder still has a right to dispute the earliest of those Interim Take or Pay Notices under clause 5.4(a) (including where the Access Holder has already commenced such a dispute).

Schedule 4 - Interface Risk Management Plan

[NOTE: Insert initial IRMP as agreed during the negotiation process with the access seeker and/or Operator.]

Schedule 5 - Performance Indicators

1. Performance Indicators

- (a) The Performance Indicators are to be reported on by Queensland Rail pursuant to clause 6.7 of this agreement as follows:
- (i) Contracted Versus Scheduled Versus Actual Train Service Consumption by the Operator and the Access Holder;
 - (ii) the Network Availability Days for the track utilised by this agreement for the Operator and the Access Holder;
 - (iii) the planned and unplanned network maintenance undertaken by Queensland Rail across track utilised by this agreement;
 - (iv) Queensland Rail's planned and actual track closures across track utilised by this agreement and the performance of actual track closures with Queensland Rail reporting on the percentage of track closures commenced and returned to daily services within the planned timeframe;
 - (v) the Sectional Run Time Performance for the Train Services operated under the agreement by the Operator and the Access Holder;
 - (vi) the Below Rail Transit Time Performance for the Train Services operated under the agreement by the Operator and the Access Holder;
 - (vii) the Forecast Versus Scheduled Versus Actual GTKs hauled under the agreement by the Operator and the Access Holder;
 - (viii) the number of Train Services cancelled during the month;
 - (ix) the number of Train Services cancelled during the month which are not rescheduled; and
 - (x) a list of speed restrictions in place at the end of each month (including when such restriction was applied, the speed and the start and finish locations).

2. Definitions

Sectional Run Time (SRT) Performance: this KPI measures Queensland Rail's reliability where actual SRTs are assessed against SRTs contained in the access agreement.

Below Rail Transit Time (BRTT) Performance: this KPI measures Queensland Rail's reliability where actual BRTTs are assessed against SRTs as contained in this access agreement for the relevant sections of the network.

Contracted Versus Scheduled Versus Actual Train Service Consumption: this KPI measure an Access Holder's and an Operator's consumption of Train Services and allows, if relevant, for the tracking of the Access Holders Take or Pay liability. Actual Train Service consumption is assessed against contracted Train Service. The contracted Train Services should identify and deduct those Train Services that were cancelled as a result of Queensland Rail Causes and Force Majeure Events.

Availability Days: this KPI measures Network availability where the number of days the network was actually made available to deliver full contractual Train Services is assessed against the target number of days that is required to deliver full Train Services.

Forecast Versus Scheduled Versus Actual GTKs: this KPI measures contract performance where actual GTKs are assessed against the forecast GTKs provided for in the agreement.
