2.2 Nature and Scope of Access Rights

- (a) The Access Rights granted under Clause 2.1 are non-exclusive contractual rights and do not give the End User any right, title or interest of any proprietary nature in the Nominated Network.

2.3 Exercise of Access Rights

- (a) The Parties acknowledge and agree that:
- (i) the grant of the Access Rights to the End User in accordance with this Agreement does not entitle the End User to itself operate Train Services on the Nominated Network (unless it is also an Operator which it is entitled to nominate to use the Access Rights in accordance with this Clause 2.3); and
 - (ii) the End User can only utilise the Access Rights by nominating an Operator from time to time, in accordance with Clause 2.3(b), to use Access Rights, allocated to that Operator by the End User, under the terms of a Train Operations Agreement (and may nominate more than one Operator).
- (b) Subject to Clause 2.3(g), the End User may, from time to time, provided that it is not in material breach of any of its obligations under this Agreement, upon giving at least 30 days prior written notice to QR Network, nominate an Operator to utilise all or part of the Access Rights by written notice to QR Network which:
- (i) specifies the name, ABN, address and contact details of the Operator;
 - (ii) specifies the Access Rights which the End User wishes to allocate to the Operator for the Operator to use in providing Train Services for the End User;
 - (iii) specifies the first day and the last day of the period for which the Access Rights are to be allocated to the Operator; and
 - (iv) is accompanied by ~~either:~~
 - (A) a Train Operations Agreement (in duplicate) in the form set out in Schedule 6 (or such other form as QR Network and the Operator have agreed), duly executed by the Operator, which reflects in Schedule 1 the Access Rights which the End User wishes to allocate to the Operator; ~~or~~ provided that at no time can the Access Rights allocated by the End User to any Operators exceed, in aggregate, the End User's Access Rights under this Agreement.
 - (B) ~~a statement identifying the Operator's existing applicable Train Operations Agreement in respect of utilisation of the Access Rights under this Agreement and evidence that the Operator agrees to the relevant nomination;~~
provided that at no time can the Access Rights allocated by the End User to any Operators exceed, in aggregate, the End User's Access Rights under this Agreement.
- (c) Notwithstanding any other provision in this Agreement, QR Network is not obliged to accept, or act on, any nomination of an Operator given by the End User under Clause 2.3(b) if that Operator is in material breach of any of its obligations under an existing ~~Train Operations Access~~ Agreement or train operations agreement and unless QR Network is satisfied that the Operator is:
- (i) financially sound; and
 - (ii) otherwise capable of performing the obligations of the operator under a Train Operations Agreement.
- (d) QR Network shall, in respect of a nomination given by the End User under Clause 2.3(b):
- (i) within 10 Business Days of receiving the nomination, notify the End User whether it accepts or rejects the nomination;

- (ii) ~~without limiting Clause 2.3(c),~~ act reasonably in assessing ~~any~~the nomination ~~under Clause 2.3(b);~~
 - (iii) where it decides to reject ~~any~~the nomination ~~pursuant to Clause 2.3(b),~~ provide reasons for the rejection in writing to the End User; and
 - (iv) where it accepts ~~any~~the nomination ~~pursuant to Clause 2.3(b),~~ promptly do all things reasonably required ~~(including compliance with Clause 2.3(g) where applicable and amending the relevant Train Operations Agreement to the extent required)~~ to ensure that any delay to Train Services is minimised to the extent practicable.
- (e) ~~Within 10 Business Days of receipt of:~~
- (c) ~~(i) a Train Operations Agreement in accordance with Clause 2.3(b)(iv)(A) If QR Network notifies the End User that it accepts a nomination given under Clause 2.3(b), within 10 Business Days of notifying the End User of its acceptance, QR Network must execute both copies of the Train Operations Agreement and return one copy to the Operator; and~~
- ~~(ii) a statement and evidence in accordance with Clause 2.3(b)(iv)(B), QR Network must vary the relevant Train Operations Agreement to include the right to operate Train Services utilising the Access Rights in respect of which the Operator was nominated.~~
- (f) The End User may, from time to time, upon giving at least ~~48 hours~~7 days, or such other period of time as specified in the System Rules, prior written notice to QR Network:
- (i) vary any nomination previously given by the End User under Clause 2.3(b) so as to vary either or both of the following:
 - (A) the Access Rights which the End User has allocated to the Operator (provided that at no time can the Access Rights allocated by the End User to any one or more Operators exceed, in aggregate, the End User's Access Rights under this Agreement); or
 - (B) the period for which the Access Rights are to be allocated to the Operator (provided that the period for which Access Rights are allocated to the Operator cannot extend beyond the Termination Date),

(ii) and the Train Services of the relevant Operator will have a Train Service Description different from that contemplated in ~~Schedule 1; or~~1.

~~(ii) the End User otherwise wishes to vary the Train Services from the Train Service Description nominated in Schedule 1;~~

then, prior to nominating the Operator or varying the nomination, QR Network and the End User must negotiate and agree any amendments to this Agreement (including any amendments to the Access Rights and the Base Access Charges) that may be necessary to reflect the Train Service Description of the Train Services to be operated by the relevant Operator for that part of the Access Rights to be allocated to that Operator. No amendment to the Access Rights that results in the End User being granted increased rights to access the Nominated Network has any effect unless and until the End User and QR Network have

complied with QR Network's Access Undertaking (including with respect to the allocation of those increased Access Rights).

- (h) If at any time:
- (i) the Access Rights of the End User are reduced (by agreement or under Clause 4.1 or Clause 4.5), or relinquished or transferred (by agreement or under Clause 4.2); and
 - (ii) as a result of such reduction, relinquishment or transfer of Access Rights the Access Rights allocated by the End User to any one or more Operators under this Clause 2.3 exceed, in aggregate, the End User's Access Rights under this Agreement (the amount of such excess being the Over-allocated Access Rights),

then, unless the End User gives notice to QR Network in accordance with Clause 2.3(f) varying ~~the any~~ nominations previously given by the End User under Clause 2.3(b) to reduce the Access Rights allocated to Operators under Train Operations Agreement by, in aggregate, the Over-allocated Access Rights, the End User will be deemed to have given ~~such a notice reducing the Access Rights which the End User has allocated to the relevant Operator or Operators to the extent necessary. Such reduction will be taken to be pro rata where there is more than one relevant Operator.~~ a notice to QR Network in accordance with Clause 2.3(f):

- (iii) if the End User has only nominated one Operator under Clause 2.3(b), reducing the Access Rights allocated to the Operator under its Train Operations Agreement by the Over-allocated Access Rights; or
- (iv) if the End User has nominated multiple Operators under Clause 2.3(b), reducing the Access Rights allocated to each Operator under their respective Train Operations Agreement by the proportion of the Over-allocated Access Rights which is the same as the proportion which the number of Train Services allocated to the Operator bears to the total number of Train Services allocated to all Operators,

which reduction is deemed to be accepted by QR Network and take effect on the date the reduction, relinquishment or transfer takes effect.

- (i) *[If the End User wishes to or is deemed to vary or withdraw its allocation of Access Rights to an Operator in accordance with clause 2.3(f), or is deemed to vary or withdraw its allocation of Access Rights to an Operator in accordance with clause 2.3(h), the End User must pay to QR Network any Adjustment Charges that, but for the said variation or withdrawal of the allocation of Access Rights are or would have been payable by the existing Operator under a Train Operations Agreement. The variation or withdrawal of the allocation of Access Rights in accordance with this clause 2.3 is subject to and conditional on the End User's payment of the Adjustment Charges to QR Network.] [Paragraph (i) is deleted where the End User is paying all Access Charges]*

2.4 Renewal

- (a) If the End User gives notice to QR Network not less than twelve (12) Months prior to the Termination Date of its intention to seek a renewal of the Term, QR Network will consult with the End User in good faith to negotiate an extension or renewal of the Term provided always that:
- (i) subject to any provision to the contrary in QR Network's Access Undertaking, the End User will not be granted priority over any other party seeking access to the Nominated Network; and
 - (ii) the chief executive of the Department of Transport and Main Roads has a right in priority to the End User and any other party seeking access to reserve the capacity which is committed to the End User under this Agreement with effect on and from the Termination Date for existing or proposed regularly scheduled passenger services.
- (b) The Parties acknowledge and agree:
- (i) that the right to seek a renewal, transfer or relinquishment of the Access Rights is exercisable by the End User; and

- (ii) that an Operator has no right to renew, transfer (subject to Clauses 22.2 and 22.3 of the General Conditions of Contract of the Operator's Train Operations Agreement), vary or relinquish to QR Network any part of the Access Rights allocated to that Operator by the End User, whether under the Operator's Train Operations Agreement or QR Network's Access Undertaking.

2.5 Interaction with rights

The Parties acknowledge and agree:

- (a) that to the extent that the Operator's rights under the Train Operations Agreement or QR Network's Access Undertaking in relation to the Access Rights allocated to the Operator are inconsistent with the End User's rights in relation to those Access Rights under this Agreement or QR Network's Access Undertaking, the End User's rights and the exercise of those rights prevail to the extent of the inconsistency; and
- (b) that if there is any doubt as to whether a reference to the "Access Holder" under QR Network's Access Undertaking is a reference to the End User or the Operator, then the following principles will apply:
 - (i) only one, not both, of the End User and the Operator is the "Access Holder";
 - (ii) whether the End User or the Operator is the "Access Holder" will be determined based on which of those party's rights or obligations under this Agreement or the relevant Train Operations Agreement (as applicable) are the most consistent with the relevant rights or obligations under QR Network's Access Undertaking; and
 - (iii) if the application of clause 2.5(b)(ii) is not determinative of whether the End User or the Operator is the "Access Holder", then the Operator is the "Access Holder".

3 **Charges**

3.1 **Obligation to pay charges**

[The End User has a right to elect whether this Agreement should provide for them to pay all Access Charges, or just TOP Charges with the remaining components of Access Charges being charged to each Operator. This ~~agreement~~ Agreement contains a number of provisions which include alternative drafting to be selected based on the election made by the End User.]

The End User must pay to QR Network:

- (a) the **Access Charges/TOP Charges** at the times and in the manner set out in this Agreement;
- (b) any other charges or amounts payable in accordance with this Agreement; and
- (c) on demand and without prejudice to the rights, powers and remedies of QR Network under this Agreement or otherwise at Law, interest at the Default Rate calculated on daily balances and payable daily on any amount outstanding in respect of an invoice, including any disputed amount which is subsequently determined to be payable to QR Network, from the day after the invoice is due to be paid until the date that the amount outstanding is paid in full, and all interest payable but unpaid at the end of each Month shall be capitalised by QR Network and such capitalised amount shall itself bear interest at the Default Rate.

3.2 **Invoicing**

Unless agreed otherwise between the Parties:

- (a) QR Network will provide to the End User an invoice for the **Access Charges/TOP Charges** and any other charges or amounts payable by the End User under this Agreement as soon as practicable after the end of each relevant Billing Period or, where this Agreement has expired or terminated on a date other than 30 June and the invoice is for annual TOP Charges, as soon as practicable after the first 30 June following that expiration or termination.
- (b) The first Billing Period will commence on the Commitment Date and end on the last day of the Month in which the Commitment Date falls, and each subsequent Billing Period during

the Term will commence on the day following the last day of the immediately preceding Billing Period.

- (c) Subject to Clause 3.2(d), the End User must pay to QR Network the amount of the invoice referred to in Clause 3.2(a) within fourteen (14) days after receipt of the invoice.
- (d) Where the End User bona fide disputes an amount or amounts claimed in an invoice it shall give notice of that dispute (setting out in detail the grounds for its objection) to QR Network within fourteen (14) days after receipt of the invoice. Notwithstanding the End User's objection to any amounts claimed in an invoice, the End User must pay to QR Network the undisputed portion of the amount or amounts claimed in the relevant invoice together with 50% of the disputed portion within fourteen (14) days after receipt of the invoice.
- (e) Any dispute as to the amount claimed in an invoice shall be resolved by an expert in accordance with Clause 11.3. Upon resolution of such dispute in accordance with Clause 11.3:
 - (i) the End User must pay to QR Network the amount (if any) determined to be payable by the End User to QR Network together with the interest on that amount calculated in accordance with Clause 3.1(c) within fourteen (14) days after being notified of the expert's determination; or
 - (ii) QR Network must credit to the End User in the form of a deduction from the invoice for Access Charges/TOP Charges and other charges for the Billing Period immediately following a resolution in accordance with Clause 11.3 any amount found to have been overpaid by the End User together with interest on that amount at the Default Rate calculated on daily balances from the date of payment of the amount overpaid to the date of such credit. Such interest payable but unpaid at the end of each Month shall be capitalised and such capitalised amount shall itself bear interest at the Default Rate.
- (f) When providing the End User with an invoice which includes, in whole or part, an amount for an annual TOP Charge, QR Network shall provide the End User with information on how QR Network determined the amount of the annual TOP Charge.

3.3 GST

- (a) Unless otherwise stated, all amounts payable or other consideration to be provided under this Agreement are exclusive of GST.
- (b) If a Party is required to pay GST on any amount payable or other consideration to be provided under this Agreement, then the other Party must pay to that Party an amount equal to the GST payable on the same date as the payment giving rise to the GST.
- (c) If the supply of a Reimbursable Item under this Agreement is subject to GST, then a Party must pay the other Party in respect of that Reimbursable Item the GST Inclusive Reimbursement.
- (d) Each invoice prepared pursuant to Clause 3.2(a) shall take the form of a Tax Invoice.
- (e) If the amount of GST paid or payable by a Party ('the supplier') on any supply under this Agreement differs from the amount on account of GST paid by the other Party ('recipient'), because the Commissioner of Taxation lawfully adjusts the value of taxable supply for the purpose of calculating GST, then the amount paid by the recipient will be adjusted accordingly by a further payment by the recipient to the supplier or the supplier to the recipient, as the case requires.

3.4 Obligation to Provide Security

- (a) The End User must deliver to QR Network, prior to the operation of Train Services, and maintain during the Term, security for the performance of the End User's obligations under this Agreement in the form of:
 - (i) an unconditional and irrevocable bank guarantee (or equivalent), for the Security Amount, in favour of QR Network issued by a bank holding a current Australian banking licence and with a credit rating acceptable to QR Network :

(A) in the form set out in Schedule 7 ~~or~~ or

(B) if not in the form set out in Schedule 7, such other form as is reasonably acceptable to QR Network; or

(ii) any other security reasonably acceptable to QR Network,

(the “Security”).

- (b) Where the End User has delivered a Security to QR Network in the form of cash, QR Network will pay interest to the End User annually at the Security Interest Rate published on the day the Security is provided. The Security Interest Rate shall be reset on the first Business Day of each Month (“Reset Date”) for that Month. Such interest shall be capitalised at each Reset Date and such capitalised interest shall itself bear interest at the Security Interest Rate.
- (c) The End User may, with QR Network’s consent, replace any Security provided by the End User in accordance with this Clause 3.4 with replacement Security.
- If the End User replaces any existing Security with a replacement Security then QR Network will release the existing Security in accordance with Clause 3.6(b).
- (d) The provision and continuance of the Security (or of any additional or replacement Security provided by the End User in accordance with Clause 3.4(c) or Clause 3.4(f)) is a condition of the performance by QR Network of its obligations under this Agreement.
- (e) If at any time during the Term the End User is not required to give QR Network a Security in accordance with this Agreement and QR Network does not hold a Security from the End User, the End User must provide a Security within fourteen (14) days after receipt of a notice from QR Network where:
- (i) an event of default by the End User in regard to payment of any amount due under this Agreement has occurred, that event of default is not the subject of a bona fide dispute between the Parties and such default continues for seven (7) days after notice of such default from QR Network; or
- (ii) in the event of an Assignment or at any time during the Term, if QR Network is reasonably of the opinion that the End User is:
- (A) no longer financially sound;
- (B) no longer able to meet its debts as and when they fall due; or
- (C) not otherwise capable of performing its obligations under this Agreement.
- (f) If at any time during the Term the Security held by QR Network is less than the Security Amount (including for reasons that QR Network has drawn on or applied the Security in accordance with Clause 3.5), the End User must increase the Security by the amount determined by QR Network as required to ensure that the Security is for the Security Amount, and deliver to QR Network an additional or replacement Security to reflect the change within fourteen (14) days after receipt of notice from QR Network.
- (g) If the End User considers its financial circumstances have changed such that a Security would no longer be required, the End User may request QR Network in writing (but not more than once in any twelve (12) Month Period) to review the creditworthiness of the End User and QR Network will undertake such a review.

3.5 Exercise of Security

The Security will be held by QR Network as security for the performance of the obligations of the End User under this Agreement and may be called upon by QR Network in any circumstances where QR Network suffers direct loss or damage as a result of default by the End User under this Agreement and is entitled to be compensated for such loss or damage under this Agreement.

3.6 Return of Security

QR Network must repay or return to the End User (and where appropriate provide to the End User any necessary releases in relation to) any Security provided by the End User under Clause 3.4:

- (a) subject to QR Network’s rights of recourse to the Security in Clause 3.5, promptly after the Termination Date;

- (b) on receipt of an additional or replacement Security provided by the End User in accordance with Clause 3.4(c) or 3.4(f); or
- (c) following a review pursuant to Clause 3.4(g), QR Network, acting reasonably, finds that it is not necessary for the End User to provide QR Network with a Security.

3.7 Provision of Security by Operator

- (a) QR Network must promptly notify the End User of any failure by an Operator to adequately provide any security the Operator is required to provide under a Train Operations Agreement.
- (b) QR Network agrees that the End User may at any time, without having any obligation to do so, provide security ~~on behalf of~~ for an Operator and that, for any period during which the End User provides security which meets the requirements of the relevant Train Operations Agreement, QR Network shall accept that that satisfies the Operator's obligations to provide security under the Train Operations Agreement.
- (c) For the avoidance of doubt, if the End User provides security for an Operator under Clause 3.7(b), QR Network may have recourse to the Security in any circumstance in which QR Network could have recourse to the security, if it had been provided by the Operator, under the relevant Train Operations Agreement.

3.8 Weighbridges and Overload Detectors

[Square bracketed text in (a) and (b) is deleted where End User is only paying TOP Charges]

- (a) In the event that any Wagon operated by an Operator is determined to be in excess of the relevant Maximum Desirable Gross Tonnage, QR Network may:

- (i) *[charge the End User (and the End User must pay) an Overload Charge (in accordance with Part 6 of Schedule 3) in respect of that Wagon; and]*
- (ii) impose any Operational Constraints which QR Network considers to be reasonable in the circumstances in accordance with the relevant Train Operations Agreement.

[QR Network will include the Overload Charge in the invoice for Access Charges for the Billing Period immediately following such determination for payment by the End User.]

- (b) *[The ~~weighbridges~~ Weighbridges to be used by QR Network in the calculation of Access Charges are those specified in Part 6A of Schedule 2;]*

- (c) If either Party reasonably believes that any Weighbridge or Overload Detector may be inaccurate, that Party may by notice to the other Party require the accuracy of such Weighbridge or Overload Detector to be tested, and the Weighbridge or Overload Detector shall be deemed to have malfunctioned from the date of such notice until such testing has been carried out and/or the Weighbridge or Overload Detector has been recalibrated and the mass will be determined in accordance with Part 2 of Schedule 2. Testing will be carried out in accordance with the following procedure:

- (i) As soon as reasonably practicable the Party responsible for the Weighbridge or Overload Detector as specified in Part 6 of Schedule 2 (or the End User if an Operator is specified in Part 6 of Schedule 2 as being responsible for the Weighbridge or Overload Detector) must ensure that a suitably qualified person conducts a test of the calibration of the Weighbridge or Overload Detector and makes any adjustments required to correct the calibration.
- (ii) Except in the case of manifest error or fraud, the determination of the person conducting the test will be final and binding on the Parties.
- (iii) Where the person conducting the test determines that the Weighbridge or Overload Detector is measuring within the tolerances specified in Part 6 of Schedule 2, the Weighbridge or Overload Detector will be treated as having been measuring accurately from the date on which the relevant notice was given pursuant to this Clause 3.8(c) and the *[Access Charges/TOP Charges]* (including any Overload Charge) will be determined from that date according to *[Part 5 of Schedule 3/Part 4 of Schedule 3 and Part 5 of Schedule 3 of each Train Operations Agreement]*. The invoice for *[Access Charges/TOP Charges]* in respect of the Billing Period following such determination will be adjusted to

appropriately account for the difference in payment of Access Charges/TOP Charges arising from having treated the Weighbridge or Overload Detector as malfunctioning pursuant to this Clause 3.8(c).

- (iv) The cost of conducting such test shall be met by:
- (A) ~~the Party responsible for the Weighbridge or Overload Detector as specified in Part 6 of Schedule 2 in the event that~~ if the Weighbridge or Overload Detector is determined to be not measuring within the tolerances specified in Part 6 of Schedule 2; ~~or;~~
- (1) QR Network if QR Network is specified in Part 6 of Schedule 2 as being responsible for the Weighbridge or Overload Detector; or
- (2) the End User if the End User or an Operator is specified in Part 6 of Schedule 2 as being responsible for the Weighbridge or Overload Detector; or
- (B) the Party giving notice under this Clause 3.8(c) in the event that the Weighbridge or Overload Detector is determined to be measuring within the tolerances specified in Part 6 of Schedule 2.
- (d) Notwithstanding any other provision in this Agreement, neither Party will be liable to the other for any damage, loss, cost or expense that the other may suffer or incur as a result of that Party, in good faith, acting on the basis of any mass determined in accordance with this Agreement or a relevant Train Operations Agreement.
- (e) Notwithstanding any other provision in this Agreement, neither Party shall have any Claim against the other Party as a result of or arising from any delay to or cancellation of Train Services as a result of the operation of Clause 3.8(c) or Clause 3(i) of the General Conditions of Contract of a Train Operations Agreement.

4 Reduction, Relinquishment and Transfer of Access Rights

4.1 Reduction of Access Rights

- (a) If, for any reason other than the occurrence of a Force Majeure Event or the failure of QR Network to make the Access Rights available, at least eighty-five percent (85%) of the Train Services that are entitled to be operated for the End User are not operated over any four (4) consecutive Quarters, in accordance with the Train Service Description for that period, then QR Network may within forty (40) Business Days, give the End User written notice (“**Resumption Notice**”):
- (i) of that underutilisation;
- (ii) that QR Network is considering reducing the End User’s Access Rights from a nominated date (“**Date of Resumption**”) to the extent of that underutilisation; and
- (iii) requesting the End User to demonstrate a sustained requirement for the Access Rights that have not been utilised.
- (b) If a Resumption Notice is given to the End User and:
- (i) the End User has not demonstrated to QR Network’s reasonable satisfaction, within 21 days of receiving the Resumption Notice, a sustained requirement for the Access Rights that were not utilised; and
- (ii) QR Network is satisfied that it can demonstrate that it has a reasonable expectation of:
- (A) a sustained alternative demand for the capacity used by the Access Rights in question; or
- (B) receiving a commercial benefit sufficiently material to justify the resumption of the Access Rights in question,

then:

- (iii) QR Network must notify the End User of whether QR Network has decided to proceed with the resumption and, if QR Network has decided to proceed, whether QR Network has decided to reduce the level of the resumption, or nominate a later date for the Date of Resumption, from that given in the Resumption Notice; and
- (iv) if QR Network has decided to proceed with the resumption, the End User's entitlement to operate Train Services (through an Operator) shall be reduced to the level specified in the Resumption Notice with effect on and from the Date of Resumption (except to the extent that those matters have been varied in accordance with Clause 4.1(b)(iii)). ~~QR Network shall reduce the rights of any Operator to operate Train Services utilising the Access Rights under a Train Operations Agreement accordingly, provided that to the extent the End User has nominated multiple Operators:~~
 - (A) ~~if the End User has given QR Network written notice of the allocation of that reduction between its nominated Operators at least 7 days prior to the Date of Resumption, QR Network will reduce each Operator's rights to operate Train Services utilising the Access Rights in accordance with that notice; or~~
 - (B) ~~otherwise, QR Network will reduce each Operator's rights to operate Train Services utilising the Access Rights under their Train Operations Agreement as closely as practicable to in proportion to the number of Train Services operated utilising the Access Rights by each Operator at the time the Resumption Notice was given.~~
- (c) If the End User does not agree with the reduction of the End User's entitlement proposed by QR Network pursuant to Clause 4.1(a), the End User may, within twenty eight (28) days of receipt of the Resumption Notice, notify QR Network in writing that it disputes the proposed reduction in which case the End User may refer the dispute for determination by an expert in accordance with Clause 11.3. The expert will determine whether the conditions for a reduction in Access Rights set out in Clause 4.1(a) have been met and whether the End User has demonstrated, to QR Network's reasonable satisfaction, a sustained requirement for that part of the Access Rights to which the reduction would apply. The reduction proposed in the Resumption Notice will not take effect until resolution of the dispute and then only to the extent that the reduction is consistent with the expert's determination.
- (d) QR Network may withdraw the Resumption Notice at any time prior to the later of the Date of Resumption and fourteen (14) days following the resolution of the dispute.
- (e) In the event that the End User's Access Rights are reduced in accordance with this Clause 4.1, the Agreement (including the Base Access Charges) will be varied accordingly.
- (f) The End User shall have no claim or entitlement to compensation as a result of any reduction in Access Rights pursuant to this Clause 4.1.
- (g) ~~Where Access Rights are resumed under this Clause 4.1, QR Network must promptly seek to amend each relevant Train Operations Agreement to reflect the resumption (and to, where applicable, reflect the allocation of the reduction in Train Services between Operators in accordance with Clause 4.1(b)(iv)) so that such amendments take effect on the Date of Resumption (subject to Clause 4.1(e)).~~

4.2 Relinquishment and Transfer of Access Rights

- (a) The End User may relinquish or transfer its Access Rights in accordance with this Clause 4.2.
- (b) If the End User intends to relinquish Access Rights, the End User must give QR Network reasonable notice of its intention to do so ("**Notice of Intention to Relinquish**") specifying:
 - (i) the Nominated Access Rights; and
 - (ii) subject to Clause 4.2(d), the date ("**Relinquishment Date**") on which and the period for which the Nominated Access Rights are to be relinquished; and
- (c) If the End User intends to transfer all or part of its Access Rights to an Access Seeker (as defined in QR Network's Access Undertaking) (the "**Transferee**"), the End User must give QR Network reasonable notice of its intention to do so ("**Notice of Intention to Transfer**"), specifying:

- (i) the Nominated Access Rights;
 - (ii) subject to Clause 4.2(d), the date (“**Transfer Date**”) on which and the period for which the Nominated Access Rights are to be transferred; and
 - (iii) the identity of the Transferee.
- (d) The period from the giving of the Notice of Intention to Relinquish until the Relinquishment Date, or the period from giving of the Notice of Intention to Transfer until the Transfer Date, must not:
- (i) exceed two (2) years, where the Nominated Access Rights are for coal carrying Train Services operating in the Central Queensland Coal Region; or
 - (ii) exceed six (6) months, where Clause 4.2(d)(i) does not apply.
- (e) If the End User wishes to relinquish or transfer Nominated Access Rights, the End User must pay a Relinquishment Fee to QR Network. The relinquishment or transfer of any Nominated Access Rights in accordance with this Clause is subject to and conditional on the End User’s payment of the Relinquishment Fee to QR Network.
- (f) The End User immediately prior to paying the Relinquishment Fee (but not less than 5 Business Days prior to the Relinquishment Date or Transfer Date), must request QR Network to calculate the Relinquishment Fee. Upon being so requested, QR Network will calculate the Relinquishment Fee in accordance with Clause 1.1. Subject to Clause 4.2(g), QR Network will notify the End User as soon as reasonably practical of the Relinquishment Fee and how it was calculated.
- (g) If the calculation of the Relinquishment Fee changes during the period from the time QR Network notifies the End User under Clause 4.2(f) to the End User seeking to pay the Relinquishment Fee, then QR Network:
- (i) may refuse to accept that payment (and, if so, the Relinquishment Fee is deemed not to have been paid by the End User); and
 - (ii) must advise the End User of the correct Relinquishment Fee and the circumstances giving rise to the change in the calculation.
- (h) The terms of this Agreement will continue to apply in respect of the Nominated Access Rights until the later of:
- (i) the End User paying the Relinquishment Fee to QR Network; and
 - (ii) the Relinquishment Date or Transfer Date.
- (i) Where QR Network identifies an opportunity for it to enter into an access agreement with an existing or prospective Railway Operator that would result in a lessening of the End User’s Relinquishment Fee, QR Network will not unreasonably delay the process for negotiating and executing an access agreement with that existing or prospective Railway Operator.
- (j) In the event of a transfer of Access Rights under this Clause, QR Network will transfer the applicable Nominated Access Rights provided that:
- (i) the access rights sought by the Transferee are for the same type of Train Service Entitlement (i.e. cyclic traffic) as the Nominated Access Rights;
 - (ii) corresponding access rights are included in a new or varied access agreement with the Transferee;
 - (iii) QR Network’s obligation to provide access, for all or part of the period specified in Clause 4.2(c)(ii), under that new or varied access agreement in respect of the relevant access rights commences on and from the later of the End User paying the Relinquishment Fee to QR Network and the Transfer Date;
 - (iv) QR Network is satisfied that the new or varied access agreement has been developed in accordance with the requirements of QR Network’s Access Undertaking;
 - (v) the End User complies with Clauses 4.2(c) and (e); and

- (vi) QR Network has sufficient capability in its Infrastructure so that it can do so without adversely affecting other Third Parties who are seeking access to QR Network's Infrastructure or its ability to comply with its obligations to Third Parties with existing rights to access Infrastructure.

4.3 Termination where all Access Rights reduced, relinquished or transferred

Where Access Rights have been reduced, relinquished or transferred in accordance with this Agreement to the extent that there is no longer any Access Rights, QR Network will be entitled to terminate this Agreement.

4.4 Forecasts

- (a) For the purposes of permitting QR Network to plan for the maintenance and upgrading of the Infrastructure, the End User will, within thirty (30) days after being requested to do so by QR Network (such requests to be made not more than once in any six (6) Month period), provide to QR Network a forecast in writing representing the End User's best estimate for the next six (6) year period specified by QR Network in its request of:
 - (i) the number and frequency of Train Services it will require its Operators to operate; and
 - (ii) the gross tonnage it will require its Operators to transport,
 such forecast of the above information to be made up of:
 - (iii) a forecast for each Month of the first year of such period; and
 - (iv) a forecast for each of the remaining five (5) years of such period.
- (b) QR Network will, within sixty (60) days after being requested to do so by the End User (such requests to be made not more than once in any six (6) Month period), provide to the End User forecasts of planned major Enhancements relating to the Nominated Network for each of the next six (6) years.
- (c) The information and/or forecasts provided pursuant to Clauses 4.4(a) or (b) shall be prepared and supplied in good faith however the information and/or forecasts shall not be a representation or warranty as to the accuracy of the information and/or forecasts itself and the parties have no liability in any respect for the information and/or forecasting.

4.5 Reduction of Access Rights where insufficient capacity created

- (a) Notwithstanding any other provision in this Agreement, if QR Network grants access rights ("**Conditional Access Rights**") to Railway Operators (including the Access Rights to the End User under this Agreement) ("**Conditional Access Holders**") that are conditional on the completion of particular Enhancements, then:
 - (i) after the commissioning of the last of the relevant Enhancements, QR Network will, subject to Clause 4.5(b), undertake an assessment of the change in Existing Capacity arising as a result of those Enhancements ("**Change in Existing Capacity**") where Change in Existing Capacity is measured as the Existing Capacity at that time, less the Existing Capacity of the system in the absence of the Enhancement, using consist Supply Chain Operating Assumptions;
 - (ii) the assessment must be done expeditiously with an evaluation period of no more than six months following commissioning;
 - (iii) if that assessment indicates that the Change in Existing Capacity is not due to an Enhancement, then Conditional Access Rights will not be reduced;
 - (iv) if the Change in Existing Capacity is due to an Enhancement but:
 - (A) that assessment indicates that the Change in Existing Capacity is less than the Planned Capacity for those Enhancements at the time when the Conditional Access Rights were granted; and
 - (B) that Change in Existing Capacity is not sufficient to provide all of the Conditional Access Rights to all of the Conditional Access Holders

and rectify any existing deficit of Available Capacity to Committed Capacity in respect of the relevant Infrastructure,

then:

- (C) the Conditional Access Rights of the End User will be reduced on a pro rated basis, to a proportion of the Capacity that is:
 - (1) the Change in Existing Capacity;
 - (2) less the Capacity required to be provided to existing non-conditional Access Holders to rectify any existing deficit of Available Capacity to Committed Capacity in respect of the relevant Infrastructure; and
 - (3) by reference to the proportion that those Conditional Access Rights bear to the aggregate of the Conditional Access Rights for all of the Conditional Access Holders;
- (D) QR Network will notify the End User:
 - (1) of the assessment that has been undertaken; and
 - (2) of the reduction in its Conditional Access Rights (“**Access Rights Reduction**”) and the basis of that calculation; and
 - (3) that each of the Conditional Access Holders together will be placed in a queue (or returned to the queue if one already exists) in accordance with QR Network’s Access Undertaking and be given a starting position in the queue based on the date of their original Access Application (as defined in QR Network’s Access Undertaking), but only to the extent of their Access Rights Reduction unless they notify QR Network within 30 days that they do wish to seek the additional Access Rights.
- (b) QR Network may defer an assessment for the purposes of Clause 4.5(a) until such time as QR Network reasonably considers that the relevant Enhancements are fully operational and the demand conditions are such that a reasonable assessment can be undertaken.
- (c) If the End User is notified of a reduction in the End User’s Conditional Access Rights, then, subject to Clause 4.5(f), the End User’s Conditional Access Rights are reduced in accordance with that notice and this Agreement (including the Train Service Description) is taken to be amended to the extent necessary to give effect to that reduction.
- (d) Subject to Clause 4.5(e), any dispute between the Parties in connection with the operation of this Clause 4.5 (including the pro rating of the End User Conditional Access Rights) may be referred by either Party to the QCA for resolution in accordance with the dispute resolution provisions that apply in respect of the determination of disputes by the QCA under QR Network’s Access Undertaking.
- (e) If QR Network is of the opinion that:
 - (i) a dispute which arises in connection with this Clause 4.5, or the outcome or consequences of that dispute, may be relevant to other Conditional Access Holders; or
 - (ii) a dispute which arises under a provision equivalent to this Clause 4.5 of an access agreement with another Conditional Access Holder, or the outcome or consequences of that dispute, may be relevant to the End User under this Agreement,

then:

- (iii) QR Network will invite the other Conditional Access Holders to participate in the dispute resolution process under this Agreement, or will invite the End User to participate in the dispute resolution process under the relevant access agreement with the other Conditional Access Holder (as applicable); and

- (iv) QR Network, the End User and the other Conditional Access Holders will be bound by the outcome of the dispute irrespective of whether or not the End User and the other Conditional Access Holders (as applicable) choose to actively participate in the dispute.
- (f) If the End User is, in accordance with this Clause 4.5, a party to, or is invited to participate in, a dispute that has been referred to the QCA in connection with the operation of this Clause 4.5, then:
 - (i) a reduction of the End User's Conditional Access Rights in accordance with this Clause 4.5 will not take effect until the resolution of that dispute and then only to the extent that the reduction is consistent with the QCA's determination; and
 - (ii) QR Network's obligations under this Agreement to the extent of the End User Access Rights Reduction are suspended until the resolution of that dispute.
- (g) This Clause 4.5 only applies to the extent that it is not inconsistent with QR Network's Access Undertaking and does not oblige QR Network to do or not to do anything that would cause QR Network to fail to comply with QR Network's Access Undertaking.

5 Performance levels

- (a) In the event that an Operator
 - (i) does not comply in any material respect with the Train Service Description under a Train Operations Agreement (other than in accordance with [Clauses 6.2 or 6.3 of the](#) General Conditions of Contract ~~clauses 6.2 or 6.3 of a~~ the Train Operations Agreement); and
 - (ii) the Operator has failed to demonstrate to the reasonable satisfaction of QR Network when requested to do so, that the Operator will consistently comply with the Train Service Description under a Train Operations Agreement for the remainder of the term of that Train Operations Agreement,

QR Network must promptly notify the End User of any such non-compliance and failure to demonstrate future consistent compliance with the relevant Train Service Description.
- (b) Before taking any steps under Clause 5(c), QR Network shall:
 - (i) [use reasonable endeavours to consult with the End User and the Operator about the rectification of the non-compliance notified under Clause 5\(a\);](#)
 - (ii) [provide the End User with at least 30 days to procure the Operator to rectify the non-compliance notified under Clause 5\(a\);](#)
 - (iii) ~~(i) provide the End User with a reasonable opportunity to rectify any non-compliance notified under Clause 5(a) (including by allowing~~ [allow](#) ~~the End User at least 30 days to nominate an alternative Operator to provide the relevant Train Services in accordance with its rights to do so under this Agreement); and~~
 - (ii) ~~consult with the End User and the Operator mentioned in Clause 5(a) for the purposes of achieving compliance with the Train Service Description; and~~
 - (iv) ~~(iii)~~ provide the End User prior notice of any action QR Network intends to take under Clause 5(c).
- (c) If, following the provision of notice under Clause 5(a) and taking of the steps in Clause 5(b), QR Network continues to not be reasonably satisfied that the relevant Operator will consistently comply with the Train Service Description under the Train Operations Agreement for the remainder of the term of that Train Operations Agreement, QR Network will be entitled to:
 - (i) vary the Train Service Description to a level it reasonably expects to be achievable for the remainder of the Term having regard to the extent of previous compliance with the Train Service Description (ignoring, for the purpose of assessing previous compliance, any non-compliance to the extent that the non-compliance was attributable to a Railway Operator (other than the End User or an Operator) or to QR Network); and
 - (ii) vary this Agreement in accordance with Clauses 16.2(g), 16.2(h) and 16.2(i) to reflect the impact of the change in the Train Service Description.

- (d) For the avoidance of doubt, the End User is entitled to dispute any variation proposed by QR Network pursuant to Clause 5(a) in accordance with the process set out in Clause 16.2(i).

6 Infrastructure management

Commodity: Coal

Sectional Run Times: See Clause 1.2

Special Operating Restrictions: See Clause 1.5

System:

Table 1.1

Origin	Destination	Distance (km)	Time at Origin Loading Facility (hrs)

Notes: Origin is denoted as the mine and/or QR Network terms for the location at which the mine loads Trains

Train Services run loaded between Origin and Destination and empty between Destination and Origin.

For Train Services with the above characteristics, the time at the Destination unloading facility is as per the following table.

Destination Unloading Facility	Time at Destination Unloading Facility (hrs)

For Train Services with the above characteristics, the average Time at Depot and the Other Dwell Time are as per the following table:

System	Time at Depot (hrs)	Other Dwell Time (hrs)

1.2 Sectional Running Times

The Sectional Running Times to be achieved by coal system Trains are set out in Table 1.2 below:

Table 1.2 -Sectional Running Times:

From	To	Sectional Running Time	
		Direction Empty (minutes)	Direction Loaded (minutes)

Note: A Diagram illustrating the location of each Section can be found in Schedule 2.

[End User to provide details of Sectional Running Times]

1.3 Train Service Levels

The number of Nominated Weekly Train Services for the relevant coal system Train that QR Network will provide to the End User from the Commitment Date are set out in Table 1.3 below;

Table 1.3: Train Service Levels

Service Levels	No of Train Services
Nominated Weekly Train Services¹	
Nominated Monthly Train Services¹ (31 days)	
Nominated Monthly Train Services¹ (30 days)	
Nominated Monthly Train Services¹ (29 days)	
Nominated Monthly Train Services¹ (28 days)	
Nominated Annual Train Services

1.8 Permitted Movements on the Nominated Network

[To detail any permitted Train Movements by the Operator on the Nominated Network other than direct corridor travel of the Train Service in accordance with the specified Sectional Running Times and Dwell Times]

¹ This formula for ATP assumes that, for a Train Service operating in the Central Queensland Coal Region, the Train Service operates within an single Individual Coal System. If a Train Service operates in the Central Queensland Coal Region and requires access to more than one Individual Coal System (“Cross System Train Service”), the calculation of ATP will involve calculating a separate ATP for that Train Service for each Individual Coal System and then aggregating those separate amounts. If the Train Service is a Cross System Train Service, QR Network may vary the formula of ATP to reflect this. ¹

PART 3 REVIEW DATE

- 3.1 Review Date

- 3.1.2 For the purposes of this **Schedule 3** the Review Dates shall be the first day of the Month in which the renewed or varied Reference Tariff Schedule and/or renewed or varied Take or Pay methodology relevant to the Train Services is intended to apply from in accordance with QR Network's Access Undertaking. Where such date is prior to the date when the renewed or varied Reference Tariff Schedule and/or renewed or varied Take or Pay methodology relevant to the Train Services are published or otherwise advised ("**Advice Date**"), then the Parties will account to one another accordingly for the period between the Review Date and the Advice Date.
- 3.2 Review of charges
- 3.2.1 For each Train Service type the Base Access Charge elements, the Take or Pay methodology and, where necessary, any other elements of this **Schedule 3** will be reviewed on each Review Date.
- 3.2.2 For each Train Service type QR Network will advise the End User in writing of the Base Access Charge elements, the Take or Pay methodology and any other changes to this **Schedule 3** to apply from each Review Date within 14 days of the latter of the Review Date or the date on which the QCA endorses the relevant renewal or variation. In determining any variations, QR Network will have regard to:
- (a) the new or varied relevant Reference Tariffs and/or Take or Pay methodology;
 - (b) the differences between the relevant Train Service and the Reference Train Service defined in the relevant Reference Tariff Schedule;

then QR Network or the End User (as the case may be) shall notify the other Party in writing of such opinion.

- 4.2.2 Upon such notice being given, the Parties will negotiate with a view to agreeing to vary the application of the Consumer Price Index or to adopting an alternative or alternatives to the Consumer Price Index and failing agreement within forty five (45) days of such notice being given then the matter shall be referred to an expert in accordance with Clause 11.3 of the Agreement.
