Decision—Aurizon Network's UT5 draft amending access undertaking (UT5 DAAU)

Today, we released our decision on Aurizon Network's UT5 draft amending access undertaking (UT5 DAAU).

The decision considers that amendments are required to Aurizon Network's UT5 DAAU in order for it to be approved. These amendments include a number of revisions requested by Aurizon Network together with coal producer representatives throughout our investigation.

Stakeholders have been provided opportunities to comment on Aurizon Network's UT5 DAAU throughout the assessment process. We have considered all submission material received from stakeholders in reaching our decision.
