Dear Mr Blakey

**Dalrymple Bay Infrastructure Management's application for a ruling on the pricing method for the 8X expansion**

On 16 March 2021, we received an application from Dalrymple Bay Infrastructure Management (DBIM) for a ruling on the pricing method applicable to the 8X expansion. DBIM made the application in accordance with s.150D of the *Queensland Competition Authority Act 1997* (Qld) (QCA Act), seeking a ruling pursuant to s.5.12(a)(2)(A) of the 2017 access undertaking that the applicable pricing method for 8X is socialised.

We intend to conduct an investigation into DBIM's application in accordance with s. 150H of the QCA Act.

**Notice of Investigation**

In accordance with 150I of the QCA Act, we have published a notice of investigation on our website ([www.qca.org.au](http://www.qca.org.au)) to:

- notify stakeholders that we intend to conduct an investigation into DBIM's application for a ruling on the pricing method applicable to the 8X expansion
- invite stakeholders to make written submissions to the QCA in relation to this investigation.

We will also publish this letter and the redacted version of DBIM's application for stakeholders' information.

**Submissions**

We invite a written submission from DBIM on any aspect of its application. The closing date for submissions is 11 May 2021. Further information on the process for lodging a submission is provided as part of our notice of investigation.

Yours sincerely

George Passmore
